**Explanation of Responses:**

- The reporting person does not directly own these shares at this time. These shares are restricted share units ("RSUs"); each RSU represents Cimpres's commitment to issue one ordinary share when the RSU vests. These RSUs vest at a rate of 12.5% of the original number of RSUs each successive three-month period following the grant date until the second anniversary of the grant date.
- The reporting person is the sole trustee, and the reporting person's spouse is the sole beneficiary.
- This option vests at a rate of 8.33% of the original number of ordinary shares subject to the option each successive three-month period following the grant date until the third anniversary of the grant date.
