Explanation of Responses:

- The reporting person does not directly own these shares at this time. These shares are restricted share units ("RSUs"); each RSU represents Vistaprint's commitment to issue one ordinary share when the RSU vests. These RSUs vest at a rate of 8.33% of the original number of RSUs each successive three-month period following the grant date until the third anniversary of the grant date.
- This amendment is being filed to correct a typographical error in the option exercise price.
- The options vest at a rate of 8.33% of the original number of ordinary shares each successive three-month period following the grant date until the third anniversary of the grant date.
