## Item 1.01. Entry into a Material Definitive Agreement

### *Amendment No. 1 to Credit Agreement*

On June 14, 2018, Cimpress N.V. ("we," "us," or "Cimpress") entered into Amendment No. 1 among Cimpress and four of its subsidiaries, Vistaprint Limited, Cimpress Schweiz GmbH, Vistaprint B.V., and Cimpress USA Incorporated, as borrowers (collectively, the "Borrowers"); the lenders named therein as lenders (the "Lenders"); and JPMorgan Chase Bank N.A., as administrative agent for the Lenders (the "Administrative Agent") (the "Amendment"), which amends the senior Credit Agreement dated as of October 21, 2011, as amended and restated as of February 8, 2013, and as further amended and restated as of July 13, 2017, among the Borrowers, the lenders named therein as lenders, and the Administrative Agent (the "Credit Agreement").

The Amendment makes the following changes to the Credit Agreement:

- The Amendment increases the Lenders' aggregate revolving loan commitments under the Credit Agreement from \$745,000,000 to \$839,421,879. Except as noted below, there is no change to the term loans under the Credit Agreement, of which \$288,750,000 remained outstanding as of March 31, 2018.
- The Amendment extends the maturity date of all loans under the Credit Agreement to June 14, 2023.
- The Amendment lowers the interest rate at which LIBOR borrowings bear interest from LIBOR plus 1.50% to 2.25% to LIBOR plus 1.375% to 2.0%, depending on our leverage ratio, which is the ratio of our consolidated total indebtedness to our consolidated trailing twelve-month earnings before interest, taxes, depreciation and amortization (EBITDA).
- The Amendment increases our maximum leverage ratio from 4.50 to 4.75 and provides that we may, on no more than three occasions during the term of the Credit Agreement, increase our leverage ratio to up to 5.00 (previously 4.75 before the Amendment) for up to four consecutive fiscal quarters after a corporate acquisition that meets certain criteria.
- The Amendment decreases the maximum commitment fee we must pay on unused balances from 0.40% to 0.35% depending on our leverage ratio.

We may from time to time, so long as no default or event of default has occurred and is continuing, increase the loan commitments under the Credit Agreement by up to \$250 million (and amounts above \$250 million based upon meeting certain criteria) by adding new commitments or increasing the commitment of willing Lenders.

The Amendment is filed as Exhibit 10.1 to this report. The above description does not purport to be complete and is qualified in its entirety by reference to the full text of the Amendment, which is incorporated herein by reference.

### *Senior Notes Indenture*

On June 15, 2018, Cimpress completed its previously announced offering of \$400.0 million in aggregate principal amount of 7.0% senior notes due 2026 (the "Notes"). The Notes were issued pursuant to a senior notes indenture (the "Indenture") dated as of June 15, 2018, between Cimpress, the guarantors named on the signature pages thereto, and MUFG Union Bank, N.A., as trustee, and sold to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), and to non-U.S. persons outside the United States under Regulation S under the Securities Act.

The Notes bear interest at a rate of 7.0% per annum and mature on June 15, 2026. Interest on the Notes will be payable semi-annually on June 15 and December 15 of each year, commencing on December 15, 2018, to the holders of record of such Notes at the close of business on June 1 or December 1, respectively, preceding such interest payment date.

The Indenture contains various covenants, including covenants that, subject to certain exceptions, limit our and our restricted subsidiaries' ability to: incur and/or guarantee additional debt; pay dividends, repurchase shares or make certain other restricted payments; enter into agreements limiting dividends and certain other restricted

payments; prepay, redeem or repurchase subordinated debt; grant liens on assets; merge, consolidate or transfer or dispose of substantially all of our consolidated assets; sell, transfer or otherwise dispose of property and assets; and engage in transactions with affiliates.

At any time prior to June 15, 2021, Cimpress may redeem some or all of the Notes at a redemption price equal to 100% of the principal amount redeemed, plus a make-whole amount as set forth in the Indenture, plus, in each case, accrued and unpaid interest to, but not including, the redemption date. In addition, at any time prior to June 15, 2021, Cimpress may redeem up to 40% of the aggregate outstanding principal amount of the Notes at a redemption price equal to 107.0% of the principal amount thereof, plus accrued and unpaid interest to, but not including, the redemption date, with the net proceeds of certain equity offerings by Cimpress. At any time on or after June 15, 2021, Cimpress may redeem some or all of the Notes at the redemption prices specified in the Indenture, plus accrued and unpaid interest to, but not including, the redemption date.

Subject to certain exceptions, upon the occurrence of a Change of Control (as defined in the Indenture), Cimpress will be required to make an offer to purchase the Notes at a price in cash equal to 101% of the principal amount of the Notes tendered, plus accrued and unpaid interest to, but not including, the date of purchase.

The Indenture, including the form of the Notes, is filed as Exhibit 4.1 to this report. The above description does not purport to be complete and is qualified in its entirety by reference to the full text of the Indenture and form of Notes, which are incorporated herein by reference.

The Notes have not been registered under the Securities Act, and unless so registered, may not be offered or sold in the United States absent registration or an applicable exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and other applicable securities laws.

This report does not constitute an offer to sell or the solicitation of an offer to buy any Notes, nor shall there be any sale of the Notes in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such jurisdiction.

Cimpress used a portion of the net proceeds of this offering to fund the redemption of all of its existing senior notes due 2022 and the satisfaction and discharge of the indenture governing the existing senior notes, and intends to use the remaining portion of the net proceeds to repay indebtedness outstanding under its revolving credit facility and fund the payment of all related fees and expenses.

In addition to and without limitation of the foregoing, for purposes of this definition, “Consolidated EBITDA” and “Consolidated Fixed Charges” shall be calculated after giving effect on a *pro forma* basis for the period of such calculation, to any Asset Sales or other dispositions or Asset Acquisitions, investments, mergers, consolidations and discontinued operations (as determined in accordance with GAAP) occurring during the Four Quarter Period or any time subsequent to the last day of the Four Quarter Period and on or prior to the Transaction Date, as if such Asset Sale or other disposition or Asset Acquisition (including the Incurrence or assumption of any such Acquired Debt and the accrual of any Consolidated EBITDA attributable to the assets that are the subject of such Asset Sale or other disposition or Asset Acquisition), investment, merger, consolidation or disposed operation occurred on the first day of such Four Quarter Period. For purposes of this definition, *pro forma* calculations shall be made in the good faith determination of a responsible financial or accounting officer of the Company; *provided* that any cost savings and synergies shall be reasonably identifiable, factually supportable and attributable to the transaction giving rise to the need to calculate the Consolidated Fixed Charge Coverage Ratio.

Furthermore, in calculating this “Consolidated Fixed Charge Coverage Ratio”:

(1) if the Company or any Restricted Subsidiary has Incurred any Debt since the beginning of the applicable Four Quarter Period that remains outstanding on such date of determination or if the transaction giving rise to the need to calculate the Consolidated Fixed Charge Coverage Ratio includes an Incurrence of Debt, Consolidated EBITDA and Consolidated Interest Expense for such Four Quarter Period will be calculated after giving effect on a *pro forma* basis to such Debt as if such Debt had been Incurred on the first day of such Four Quarter Period and the discharge of any other Debt repaid, repurchased, redeemed, retired, defeased or otherwise discharged with the proceeds of such new Debt as if such discharge had occurred on the first day of such Four Quarter Period;

(2) if the Company or any Restricted Subsidiary has repaid, repurchased, redeemed, retired, defeased or otherwise discharged any Debt since the beginning of the Four Quarter Period that is no longer outstanding on such Transaction Date or if the transaction giving rise to the need to calculate the Consolidated Fixed Charge Coverage Ratio includes a discharge of Debt (in each case, other than Debt Incurred under any revolving Debt Facility unless such Debt has been permanently repaid and the related commitment terminated and not replaced), Consolidated Interest Expense for such period will be calculated after giving effect on a *pro forma* basis to such discharge of Debt, including with the proceeds of such new Debt, as if such discharge had occurred on the first day of such Four Quarter Period;

(3) subject to clause (2) above, the amount of Debt under any revolving Debt Facility outstanding on the Transaction Date (other than any Debt Incurred under such facility in connection with the transaction giving rise to calculate the Consolidated Fixed Charge Coverage Ratio) will be deemed to be: (A) the average daily balance of such Debt during such Four Quarter Period or such shorter period for which such facility was outstanding or (B) if such facility was created after the end of such Four Quarter Period, the average daily balance of such Debt during the period from the date of creation of such facility to the date of such determination;

(4) interest on a Capital Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Company to be the rate of interest implicit in such Capital Lease Obligation in accordance with GAAP;

(5) if any Debt to which *pro forma* effect is being given bears a floating rate of interest, the interest expense on such Debt will be calculated as if the rate in effect on the Transaction Date had been the applicable rate for the entire period (taking into account any Hedging Obligation applicable to such Debt if such Hedging Obligation has a remaining term as at the Transaction Date in excess of 12 months); and

(6) if interest on any Debt actually Incurred on the Transaction Date may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rates, then the interest rate in effect on the Transaction Date will be deemed to have been in effect during the Four Quarter Period.

If such Person or any of its Restricted Subsidiaries directly or indirectly Guarantees Debt of a third Person and such Guarantee or the Debt subject thereto is not otherwise included in the calculation of Consolidated Fixed Charges, the calculation of the Consolidated Fixed Charge Coverage Ratio shall give effect to the Incurrence of such Guaranteed Debt as if such Person or such Subsidiary had directly

(11) in the event that a transaction meets the criteria of more than one category of permitted transactions or listed exceptions, the Company may classify such transaction as it, in its sole discretion, determines.

#### Section 1.04 Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing. Except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments or record or both are delivered to the Trustee and, where it is hereby expressly required, to the Company and the Guarantors. Proof of execution of any such instrument or of a writing appointing any such agent, or the holding by any Person of a Note, shall be sufficient for any purpose of this Indenture and (subject to Section 7.01) conclusive in favor of the Trustee, the Company and the Guarantors, if made in the manner provided in this Section 1.04.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved (1) by the affidavit of a witness of such execution or by the certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof or (2) in any other manner deemed reasonably sufficient by the Trustee. Where such execution is by or on behalf of any legal entity other than an individual, such certificate or affidavit shall also constitute proof of the authority of the Person executing the same. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that the Trustee deems sufficient.

(c) The ownership of Notes shall be proved by the Note Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Note shall bind every future Holder of the same Note and the Holder of every Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, in respect of any action taken, suffered or omitted by the Trustee, the Company or the Guarantors in reliance thereon, whether or not notation of such action is made upon such Note.

(e) The Company may set a record date for purposes of determining the identity of Holders entitled to make, give or take any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, or to vote on or consent to any action authorized or permitted to be taken by Holders; *provided* that the Company may not set a record date for, and the provisions of this paragraph shall not apply with respect to, the giving or making of any notice, declaration, request or direction referred to in clause (f) below. Unless otherwise specified, if not set by the Company prior to the first solicitation of a Holder made by any Person in respect of any such action,

or in the case of any such vote, prior to such vote, any such record date shall be the later of 30 days prior to the first solicitation of such consent or vote or the date of the most recent list of Holders furnished to the Trustee prior to such solicitation or vote. If any record date is set pursuant to this clause (e), the Holders on such record date, and only such Holders, shall be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action (including revocation of any action), whether or not such Holders remain Holders after such record date; *provided* that no such action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Notes, or each affected Holder, as applicable, on such record date. Promptly after any record date is set pursuant to this paragraph, the Company, at its own expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Trustee in writing and to each Holder in the manner set forth in Section 12.01.

(f) The Trustee may (but shall not be obligated to) set any day as a record date for the purpose of determining the Holders entitled to join in the giving or making of (1) any notice of default under Section 6.01, (2) any declaration of acceleration referred to in Section 6.02, (3) any direction referred to in Section 6.05 or (4) any request to pursue a remedy as permitted in Section 6.06. If any record date is set pursuant to this paragraph, the Holders on such record date, and no other Holders, shall be entitled to join in such notice, declaration, request or direction, whether or not such Holders remain Holders after such record date; *provided* that no such action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Notes or each affected Holder, as applicable, on such record date. Promptly after any record date is set pursuant to this paragraph, the Trustee, at the Company's expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Company and to each Holder in the manner set forth in Section 12.01.

(g) Without limiting the foregoing, a Holder entitled to take any action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents, each of which may do so pursuant to such appointment with regard to all or any part of such principal amount. Any notice given or action taken by a Holder or its agents with regard to different parts of such principal amount pursuant to this paragraph shall have the same effect as if given or taken by separate Holders of each such different part.

(h) Without limiting the generality of the foregoing, a Holder, including a Depositary that is the Holder of a Global Note, may make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders, and a Depositary that is the Holder of a Global Note may provide its proxy or proxies to the beneficial owners of interests in any such Global Note through such Depositary's standing instructions and customary practices.

(i) The Company may fix a record date for the purpose of determining the Persons who are beneficial owners of interests in any Global Note held by a Depositary entitled under the procedures of such Depositary, if any, to make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders; *provided* that the Company may not fix a record date for, and the provisions of this paragraph shall not apply with respect to, the giving or making of any notice, declaration, request or direction referred to in clause (f) above; *provided further* that if such a record date is fixed, only the beneficial owners of interests in such Global Note on such record date or their duly appointed proxy or proxies shall be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action, whether or not such beneficial owners remain beneficial owners of interests in such Global Note after such record date. No such request,

demand, authorization, direction, notice, consent, waiver or other action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date.

(j) With respect to any record date set pursuant to this Section 1.04, the party hereto that sets such record date may designate any day as the “*Expiration Date*” and from time to time may change the Expiration Date to any earlier or later day; *provided* that no such change shall be effective unless notice of the proposed new Expiration Date is given to the other party hereto in writing, and to each Holder of Notes in the manner set forth in Section 12.01, on or prior to both the existing and the new Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section 1.04, the party hereto which set such record date shall be deemed to have initially designated the 90th day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this clause (j).

## ARTICLE 2

### THE NOTES

#### Section 2.01 Form and Dating; Terms.

(a) Provisions relating to the Initial Notes, Additional Notes and any other Notes issued under this Indenture are set forth in Appendix A, which is hereby incorporated in and expressly made a part of this Indenture. The Notes and the Trustee’s certificate of authentication shall each be substantially in the form of Exhibit A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Notes may have notations, legends or endorsements required by law, rules or agreements with national securities exchanges to which the Company or any Guarantor is subject, if any, or usage (*provided* that any such notation, legend or endorsement is in a form acceptable to the Company and shall not affect the rights, duties, powers or immunities of the Trustee without the consent of the Trustee). Each Note shall be dated the date of its authentication. The Notes shall be in denominations of \$150,000 and integral multiples of \$1,000 in excess thereof.

(b) The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture, and the Company, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

The Notes shall be subject to repurchase by the Company pursuant to an Offer to Purchase as provided in Section 4.15 or Section 4.16, and otherwise as not prohibited by this Indenture. The Notes shall not be redeemable, other than as provided in Article 3.

Additional Notes ranking *pari passu* with the Initial Notes may be created and issued from time to time by the Company without notice to or consent of the Holders and shall be consolidated with and form a single class with the Initial Notes and shall have the same terms as to status, redemption or otherwise (other than issue date, issue price and, if applicable, the first Interest Payment Date and the first date from which interest will accrue) as the Initial Notes; *provided* that the Company’s ability to issue Additional Notes shall be subject to the Company’s compliance with Section 4.09; *provided, further* that if any Additional Notes are not fungible with the Initial Notes for U.S. federal income tax purposes, such

Additional Notes will be issued as a separate series under this Indenture and will have a separate CUSIP number and ISIN from the Initial Notes. Any Additional Notes shall be issued with the benefit of an indenture supplemental to this Indenture.

#### Section 2.02 Execution and Authentication.

(a) At least one Officer shall execute the Notes on behalf of the Company by manual or facsimile signature. If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note shall nevertheless be valid.

(b) A Note shall not be entitled to any benefit under this Indenture or be valid or obligatory for any purpose until authenticated substantially in the form of Exhibit A attached hereto by the manual signature of an authorized signatory of the Trustee. The signature shall be conclusive evidence that the Note has been duly authenticated and delivered under this Indenture.

(c) On the Issue Date, the Trustee shall, upon receipt of a written order of the Company signed by an Officer (an “*Authentication Order*”), authenticate and deliver the Initial Notes. In addition, at any time and from time to time, the Trustee shall, upon receipt of an Authentication Order, authenticate and deliver any Additional Notes in an aggregate principal amount specified in such Authentication Order for such Additional Notes issued hereunder.

(d) The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders, the Company or an Affiliate of the Company.

(e) The Trustee shall authenticate and make available for delivery upon receipt of an Authentication Order (i) Initial Notes for original issue on the Issue Date in an aggregate principal amount of \$400,000,000, (ii) subject to the terms of this Indenture, Additional Notes and (iii) any other Notes issued in accordance with this Indenture. Such Authentication Order shall specify the amount of the Notes to be authenticated, the date on which the original issue of Notes is to be authenticated and whether the Notes are to be Initial Notes, Additional Notes, Unrestricted Global Notes or other Notes.

#### Section 2.03 Registrar and Paying Agent.

(a) The Company shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (“*Registrar*”) and at least one office or agency where Notes may be presented for payment (“*Paying Agent*”). The Registrar shall keep a register of the Notes (“*Note Register*”) and of their transfer and exchange. The Company may appoint one or more co-registrars and one or more additional paying agents. The term “*Registrar*” includes any co-registrar, and the term “*Paying Agent*” includes any additional paying agent. The Company may change any Paying Agent or Registrar without prior notice to any Holder. The Company shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Company fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Company or any of its Restricted Subsidiaries may act as the Paying Agent or the Registrar.

(b) The Company initially appoints DTC to act as Depositary with respect to the Global Notes. The Company initially appoints the Trustee to act as Paying Agent and Registrar for the Notes and to act as Custodian with respect to the Global Notes.

#### Section 2.04 Paying Agent to Hold Money in Trust.

The Company shall, no later than 11:00 a.m. (New York City time) on each due date for the payment of principal, premium and Additional Amounts, if any, and interest on any of the Notes, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held in trust for the Holders entitled to the same, and (unless such Paying Agent is the Trustee) the Company shall promptly notify the Trustee of its action or failure so to act. The Company shall require each Paying Agent other than the Trustee to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by such Paying Agent for the payment of principal, premium and Additional Amounts, if any, and interest on the Notes, and shall notify the Trustee of any default by the Company in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, a Paying Agent shall have no further liability for the money. If the Company or a Restricted Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Company, the Trustee shall serve as Paying Agent for the Notes.

#### Section 2.05 Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Company shall furnish to the Trustee at least two Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

#### Section 2.06 Transfer and Exchange.

(a) The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer and in compliance with Appendix A.

(b) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 or at the Registrar's request.

(c) No service charge shall be imposed on any Holder by the Company, any Guarantor, the Trustee or the Registrar in connection with any registration of transfer or exchange, but the Holders shall be required to pay any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 4.15, 4.16 and 9.04).

(d) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(e) Neither the Company nor the Registrar shall be required (1) to issue, to register the transfer of or to exchange any Note during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 and ending at the close of business on the day of selection, (2) to register the transfer of or to exchange any Note so selected for

redemption, or tendered for repurchase (and not withdrawn) in connection with an Offer to Purchase under Section 4.15 or Section 4.16, in whole or in part, except the unredeemed or unpurchased portion of any Note being redeemed or repurchased in part or (3) to register the transfer of or to exchange any Note between a Record Date and the next succeeding Interest Payment Date.

(f) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal, premium and Additional Amounts, if any, and (subject to the Record Date provisions of the Notes) interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(g) Upon surrender for registration of transfer of any Note at the office or agency of the Company designated pursuant to Section 4.01, the Company shall execute, and the Trustee shall authenticate and mail, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.

(h) At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Notes to be exchanged at such office or agency. Whenever any Global Notes or Definitive Notes are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and mail, the replacement Global Notes and Definitive Notes which the Holder making the exchange is entitled to in accordance with the provisions of Appendix A.

(i) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by mail or by facsimile or electronic transmission.

#### Section 2.07 Replacement Notes.

If a mutilated Note is surrendered to the Trustee or if a Holder claims that its Note has been lost, destroyed or wrongfully taken and the Trustee receives evidence to its satisfaction of the ownership and loss, destruction or theft of such Note, the Company shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements are otherwise met. If required by the Trustee or the Company, an indemnity bond must be provided by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company may charge the Holder for the expenses of the Company and the Trustee in replacing a Note. Every replacement Note is a contractual obligation of the Company and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder. Notwithstanding the foregoing provisions of this Section 2.07, in case any mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Note, pay such Note.

#### Section 2.08 Outstanding Notes.

(a) The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09, a Note does not cease to be

outstanding because the Company or an Affiliate of the Company holds the Note; *provided* that Notes held by the Company or a Subsidiary of the Company will not be deemed to be outstanding for purposes of Section 3.07(c).

(b) If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser, as such term is defined in Section 8-303 of the Uniform Commercial Code in effect in the State of New York.

(c) If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue from and after the date of such payment.

(d) If a Paying Agent (other than the Company, a Restricted Subsidiary or an Affiliate of any thereof) holds, on the maturity date, any redemption date or any date of purchase pursuant to an Offer to Purchase, money sufficient to pay Notes payable or to be redeemed or purchased on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

#### Section 2.09 Treasury Notes.

In determining whether the Holders of the requisite principal amount of Notes have concurred in any direction, waiver or consent, Notes beneficially owned by the Company, or by any Affiliate of the Company, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to the Notes and that the pledgee is not the Company or any obligor upon the Notes or any Affiliate of the Company or of such other obligor. Notwithstanding the foregoing, Notes that are to be acquired by the Company or by any Affiliate of the Company pursuant to an exchange offer, tender offer or other agreement shall not be deemed to be owned by such entity until legal title to such Notes passes to such entity; *provided, however*, the Trustee shall not be charged with such knowledge until a Responsible Officer of the Trustee is so informed in writing.

#### Section 2.10 Temporary Notes.

Until definitive Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes. Holders and beneficial holders, as the case may be, of temporary Notes shall be entitled to all of the benefits accorded to Holders, or beneficial holders, respectively, of Notes under this Indenture.

#### Section 2.11 Cancellation.

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent and no one else shall cancel all Notes surrendered for registration of transfer, exchange,

payment, replacement or cancellation and shall destroy cancelled Notes in accordance with its customary procedures (subject to the record retention requirement of the Exchange Act). Certification of the cancellation of any Notes shall, upon the written request of the Company, be delivered to the Company. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation (other than as set forth in this Indenture).

#### Section 2.12 Defaulted Interest.

(a) If the Company defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Trustee shall fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date shall be less than ten days prior to the related payment date for such defaulted interest. The Trustee shall promptly notify the Company of such special record date. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) shall mail or deliver by electronic transmission in accordance with the applicable procedures of the Depository, or cause to be mailed or delivered by electronic transmission in accordance with the applicable procedures of the Depository, to each Holder a notice that states the special record date, the related payment date and the amount of such interest to be paid.

(b) Subject to the foregoing provisions of this Section 2.12 and for greater certainty, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue interest, which were carried by such other Note.

#### Section 2.13 CUSIP and ISIN Numbers

The Company in issuing the Notes may use CUSIP or ISIN numbers (if then generally in use) and, if so, the Trustee shall use CUSIP or ISIN numbers in notices of redemption or exchange or in Offers to Purchase as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption or exchange or in Offers to Purchase and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption or exchange or Offer to Purchase shall not be affected by any defect in or omission of such numbers. The Company shall as promptly as practicable notify the Trustee in writing of any change in the CUSIP or ISIN numbers.

### ARTICLE 3

#### REDEMPTION

#### Section 3.01 Notices to Trustee.

If the Company elects to redeem Notes pursuant to Section 3.07, it shall furnish to the Trustee, at least five Business Days before notice of redemption is required to be mailed or caused to be mailed to Holders pursuant to Section 3.03 (unless a shorter notice shall be agreed to by the Trustee) but not more than 60 days before a redemption date, an Officers' Certificate setting forth (1) the paragraph or subparagraph of such Note or Section of this Indenture pursuant to which the redemption shall occur, (2) the redemption date, (3) the principal amount of the Notes to be redeemed and (4) the redemption price, if then ascertainable.

Section 3.02 Selection of Notes to Be Redeemed or Purchased.

(a) In the case of any partial redemption pursuant to Section 3.07 or if less than all of the Notes are purchased in an Offer, selection of the Notes for redemption or purchase, as applicable, shall be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed or, if the Notes are not listed, then a *pro rata* basis, by lot or by such other method as the Trustee deems to be fair and appropriate or in accordance with the applicable procedures of the Depository (in the case of Global Notes).

(b) The Trustee shall promptly notify the Company in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected shall be in amounts of \$150,000 or integral multiples of \$1,000 in excess thereof; *provided* that no Notes of \$150,000 in principal amount or less shall be redeemed in part. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

(c) After the redemption date or purchase date, upon surrender of a Note to be redeemed or purchased in part only, a new Note or Notes in principal amount equal to the unredeemed or unpurchased portion of the original Note, representing the same Debt to the extent not redeemed or not purchased, shall be issued in the name of the Holder of the Notes upon cancellation of the original Note (or appropriate book entries shall be made to reflect such partial redemption).

Section 3.03 Notice of Redemption.

(a) The Company shall mail or deliver by electronic transmission in accordance with the applicable procedures of the Depository, or cause to be mailed (or delivered by electronic transmission in accordance with the applicable procedures of the Depository) notices of redemption of Notes not less than 15 days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed pursuant to this Article at such Holder's registered address or otherwise in accordance with the applicable procedures of the Depository, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with Articles 8 or 11. Notice of any redemption may, at the Company's discretion, be subject to one or more conditions precedent, including the completion of a Qualified Equity Offering or other corporate transaction.

(b) The notice shall identify the Notes to be redeemed (including CUSIP and ISIN number, if applicable) and shall state:

- (1) the redemption date;

(2) the redemption price, including the portion thereof representing any accrued and unpaid interest; *provided* that in connection with a redemption under Section 3.07(b), the notice need not set forth the redemption price but only the manner of calculation thereof;

(3) if any Note is to be redeemed in part only, the portion of the principal amount of that Note that is to be redeemed;

(4) the name and address of the Paying Agent;

(5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(6) that, unless the Company defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes called for redemption ceases to accrue on and after the redemption date;

(7) the paragraph or subparagraph of the Notes or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;

(8) that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on the Notes; and

(9) if applicable, any condition to such redemption.

(c) At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense; *provided* that the Company shall have delivered to the Trustee, at least five Business Days before notice of redemption is required to be sent or caused to be sent to Holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in Section 3.03(b).

#### Section 3.04 Effect of Notice of Redemption.

Once notice of redemption is mailed in accordance with Section 3.03, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price (except as provided for in Section 3.03(a)). The notice, if mailed or delivered by electronic transmission in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Subject to Section 3.05, on and after the redemption date, interest ceases to accrue on Notes or portions of Notes called for redemption.

#### Section 3.05 Deposit of Redemption or Purchase Price.

(a) No later than 11:00 a.m. (New York City time) on the redemption or purchase date, the Company shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued and unpaid interest on all Notes to be redeemed or purchased on that date. The Paying Agent shall promptly mail to each Holder whose Notes are to be redeemed or repurchased the applicable redemption or purchase price thereof and accrued and unpaid interest thereon. The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the

Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption or purchase price of, and accrued and unpaid interest on, all Notes to be redeemed or purchased.

(b) If the Company complies with the provisions of Section 3.05(a), on and after the redemption or purchase date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If any Note called for redemption or purchase shall not be so paid upon surrender for redemption or purchase because of the failure of the Company to comply with Section 3.05(a), interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and, to the extent lawful, on any interest accrued to the redemption or purchase date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01.

#### Section 3.06 Notes Redeemed or Purchased in Part.

Upon surrender of a Note that is redeemed or purchased in part, the Company shall issue and, upon receipt of an Authentication Order, the Trustee shall promptly authenticate and mail to the Holder (or cause to be transferred by book-entry) at the expense of the Company a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered representing the same Debt to the extent not redeemed or purchased; *provided* that each new Note shall be in a principal amount of \$150,000 or an integral multiple of \$1,000 in excess thereof. It is understood that, notwithstanding anything in this Indenture to the contrary, only an Authentication Order and not an Opinion of Counsel or Officers' Certificate is required for the Trustee to authenticate such new Note.

#### Section 3.07 Optional Redemption.

(a) Except pursuant to clauses (c), (d) and (e) of this Section 3.07, the Notes shall not be redeemable at the Company's option prior to June 15, 2021.

(b) On and after June 15, 2021, the Company may redeem the Notes, in whole or in part, upon not less than 15 nor more than 60 days' notice mailed or otherwise delivered to each Holder in accordance with the applicable procedures of the Depositary, at the redemption prices (expressed as a percentage of principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest on the Notes and Additional Amounts, if any, to, but not including, the applicable redemption date, if redeemed during the twelve-month period beginning on June 15 of each of the years indicated below:

<b>Year</b>	<b>Percentage</b>
2021	105.250%
2022	103.500%
2023	101.750%
2024 and thereafter	100.000%

(c) Prior to June 15, 2021, the Company may on any one or more occasions redeem up to 40% of the original aggregate principal amount of the Notes (calculated after giving effect to any issuance of Additional Notes) with the Net Cash Proceeds of one or more Qualified Equity Offerings, upon not less than 15 nor more than 60 days' notice mailed or otherwise delivered to each Holder in accordance with the applicable procedures of the Depositary, at a redemption price equal to 107.0% of the aggregate principal amount thereof, plus accrued and unpaid interest and Additional Amounts, if any, to, but not including, the applicable date of redemption; *provided* that (i) at least 60% of the original

aggregate principal amount of the Notes (calculated after giving effect to any issuance of Additional Notes) remains outstanding after each such redemption and (ii) such redemption occurs within 90 days after the closing of such Qualified Equity Offering.

(d) In addition, at any time prior to June 15, 2021, the Company may redeem the Notes, in whole or in part, upon not less than 15 nor more than 60 days' prior notice mailed or otherwise delivered to each Holder in accordance with the applicable procedures of the Depositary, at a redemption price equal to 100% of the aggregate principal amount of the Notes, plus the Applicable Premium, plus accrued and unpaid interest and Additional Amounts, if any, to, but not including, the applicable redemption date.

(e) The Company may redeem the Notes, in whole but not in part, at its discretion at any time upon giving not less than 15 nor more than 60 days' prior notice mailed or otherwise delivered to each Holder in accordance with the applicable procedures of the Depositary, at a redemption price equal to 100% of the aggregate principal amount of the Notes, plus accrued and unpaid interest thereon, if any, to, but not including, the date fixed by the Company for redemption (a "*Tax Redemption Date*") and Additional Amounts, if any, then due or which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders of the Notes on the relevant Record Date to receive interest due on the relevant Interest Payment Date and Additional Amounts, if any, in respect thereof), if on the next date on which any amount would be payable in respect of the Notes, the Company or a Guarantor is or would be required to pay Additional Amounts, and the Company or such Guarantor cannot avoid any such payment obligation by taking reasonable measures available, and the requirement arises as a result of (i) any change in, repeal of or amendment to the laws (or any regulations or rulings promulgated thereunder) of the applicable Relevant Tax Jurisdiction affecting taxation which change, repeal or amendment becomes effective on or after the Issue Date (or, if the applicable Relevant Tax Jurisdiction has changed since the Issue Date, the date on which the then current Relevant Tax Jurisdiction became the applicable Relevant Tax Jurisdiction under this Indenture) or (ii) any change in, repeal of or amendment to the existing official position or the introduction of an official position regarding the application, administration or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change, repeal, amendment, application, administration or interpretation becomes effective on or after the Issue Date (or, if the applicable Relevant Tax Jurisdiction has changed since the Issue Date, the date on which the then current Relevant Tax Jurisdiction became the applicable Relevant Tax Jurisdiction under this Indenture) (each of the foregoing in clauses (i) and (ii), a "*Change in Tax Law*"). Notwithstanding the foregoing, no such notice of redemption shall be given earlier than 60 days prior to the earliest date on which the Company or a Guarantor would be obligated to make a payment of Additional Amounts if such a payment in respect of the Notes were then due, and at the time such notice is given, the obligation to pay Additional Amounts remains in effect. Prior to the publication, delivery or, where relevant, mailing of any notice of redemption of the Notes pursuant to the foregoing, the Company will deliver to the Trustee (1) an opinion of an independent tax expert, such tax expert being a law or accounting firm, to the effect that there has been a Change in Tax Law which would entitle the Company to redeem the Notes hereunder and (2) an Officers' Certificate stating that the Company or the Guarantor, as the case may be, cannot avoid its obligation to pay Additional Amounts by taking reasonable measures available to it. Such opinion of the tax expert and Officers' Certificate shall be sufficient evidence of the existence and satisfaction of the conditions precedent as described above and will be conclusive and binding on the Holders.

(f) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06.

(g) If the optional redemption date is on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest in respect of Notes subject to redemption will be paid on the redemption date to the Person in whose name the Note is registered at the close of business on such Record Date, and no additional interest will be payable to Holders whose Notes will be subject to redemption by the Company.

#### Section 3.08 Mandatory Redemption.

The Company will not be required to make any mandatory redemption or sinking fund payments with respect to the Notes. The Company or any of its Affiliates may at any time, and from time to time, acquire Notes by means other than a redemption, whether by tender offer, open market purchases, negotiated transactions or otherwise, in accordance with applicable securities laws so long as such acquisition does not otherwise violate the terms of this Indenture.

### ARTICLE 4

#### COVENANTS

#### Section 4.01 Payment of Notes.

(a) The Company will pay, or cause to be paid, the principal, premium and Additional Amounts, if any, and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium and Additional Amounts, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Company or a Restricted Subsidiary, holds as of 11:00 a.m. (New York City) time, on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay the principal, premium and Additional Amounts, if any, and interest then due.

(b) The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, at the rate equal to the then applicable interest rate on the Notes to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

#### Section 4.02 Maintenance of Office or Agency.

The Company shall maintain an office or agency (which may be an office of the Trustee or an Affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company and the Guarantors in respect of the Notes and this Indenture may be served. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate additional offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03.

Section 4.03 Taxes.

The Company shall pay, and shall cause each of its Restricted Subsidiaries to pay, prior to delinquency, all material taxes, assessments and governmental levies except (a) such as are being contested in good faith and by appropriate negotiations or proceedings or (b) where the failure to effect such payment could not reasonably be expected to result in a material adverse effect on (i) the business, financial condition or results of operations of the Company and its Restricted Subsidiaries, taken as a whole, or (ii) the ability of the Company or any Guarantor to perform any of its Obligations under this Indenture, the Notes or the Note Guarantees when due.

Section 4.04 Stay, Extension and Usury Laws.

The Company and each Guarantor covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company and each Guarantor (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenant that it shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.05 Corporate Existence.

Subject to Article 5, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect (1) its corporate existence and the corporate, partnership, limited liability company or other existence of each of its Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Restricted Subsidiary and (2) the rights (charter and statutory), licenses and franchises of the Company and its Restricted Subsidiaries; *provided* that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership, limited liability company or other existence of any of its Restricted Subsidiaries, if the loss thereof would not, individually or in the aggregate, have a material adverse effect on the business, financial condition or results of operations of the Company and its Restricted Subsidiaries, taken as a whole.

Section 4.06 Reports and Other Information.

(a) Notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to the rules and regulations promulgated by the Commission, the Company will file with the Commission within the time periods specified in the Commission's rules and regulations that are then applicable to the Company (or if the Company is not then subject to the reporting requirements of the Exchange Act, then the time periods for filing applicable to a filer that is not an "accelerated filer" as defined in such rules and regulations):

(1) all quarterly and annual financial information that would be required to be contained in a filing with the Commission on Forms 10-Q (or any successor or comparable form) and 10-K (or any successor or comparable form) if the Company were required to file such

Forms, including a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” and, with respect to the annual information only, a report on the annual financial statements by the Company’s certified independent accountants; and

(2) all current reports that would be required to be filed with the Commission on Form 8-K (or any successor or comparable form) if the Company were required to file such reports,

in each case, in a manner that complies in all material respects with the requirements specified in such form.

(b) Notwithstanding Section 4.06(a), the Company will not be obligated to file such reports with the Commission if the Commission does not permit such filing, so long as the Company provides such information to the Trustee and the Holders and makes available such information to prospective purchasers of the Notes, in each case at the Company’s expense and by the applicable date the Company would be required to file such information pursuant to Section 4.06(a). In addition, to the extent not satisfied by the foregoing, for so long as any Notes are outstanding, the Company will furnish to the Holders and to prospective purchasers of the Notes, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(c) The requirements set forth in Sections 4.06(a) and 4.06(b) may be satisfied by delivering such information to the Trustee and posting copies of such information on a website (which may be non-public and may be maintained by the Company or a third party) to which access will be given to Holders and prospective purchasers of the Notes.

(d) At any time that the Company is not subject to the reporting requirements of Section 13 or Section 15(d) of the Exchange Act, no later than five Business Days after the date of the annual and quarterly financial information for the prior fiscal period have been filed pursuant to clause (1) of Section 4.06(a), the Company shall also hold live quarterly conference calls with the opportunity to ask questions of management. No fewer than ten Business Days prior to the date such conference call is to be held, the Company shall issue a press release to the appropriate United States wire services announcing such quarterly conference call for the benefit of the Holders, beneficial owners of the Notes, prospective purchasers of the Notes, securities analysts and market making financial institutions, which press release shall contain the time and the date of such conference call and direct the recipients thereof to contact an individual at the Company (for whom contact information shall be provided in such notice) to obtain information on how to access such quarterly conference call.

(e) If the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries, then the quarterly and annual financial information required by this Section 4.06 shall include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, and in the “Management’s Discussion and Analysis of Financial Condition and Results of Operations” section, of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company.

(f) Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee’s receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company’s compliance with any of its covenants under this Indenture (as to which the Trustee is entitled to rely exclusively on Officers’ Certificates).

#### Section 4.07 Compliance Certificate.

(a) The Company shall deliver to the Trustee, within 120 days after the end of each fiscal year ending after the Issue Date, a certificate from the principal executive officer, principal financial officer or principal accounting officer stating that a review of the activities of the Company and its Restricted Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officer with a view to determining whether the Company and each Guarantor have kept, observed, performed and fulfilled their obligations under this Indenture, and further stating, as to such Officer signing such certificate, that to his or her knowledge, the Company and each Guarantor have kept, observed, performed and fulfilled each and every condition and covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions, covenants and conditions of this Indenture (or, if a Default shall have occurred, describing all such Defaults of which he or she may have knowledge and what action the Company and each Guarantor are taking or propose to take with respect thereto).

(b) When any Default or Event of Default has occurred and is continuing under this Indenture, or if the Trustee or the holder of any other evidence of Debt of the Company or any Subsidiary gives any notice or takes any other action with respect to a claimed Default or Event of Default, the Company will promptly (which shall be within five Business Days following the date on which the Company becomes aware of such Default or Event of Default, receives notice of such Default or Event of Default or becomes aware of such action, as applicable,) send to the Trustee an Officers' Certificate specifying such event, its status and what action the Company is taking or proposes to take with respect thereof.

#### Section 4.08 Limitation on Restricted Payments.

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, make any Restricted Payment unless, at the time of and after giving effect to the proposed Restricted Payment:

(1) no Default or Event of Default shall have occurred and be continuing or will result as a consequence thereof;

(2) after giving effect to such Restricted Payment on a *pro forma* basis, the Company would be permitted to Incur at least \$1.00 of additional Debt pursuant to Section 4.09(a); and

(3) after giving effect to such Restricted Payment on a *pro forma* basis, the aggregate amount expended or declared for all Restricted Payments made on or after the Issue Date (excluding Restricted Payments permitted by any one or more of clauses (2) and (3) and clauses (5) through (7) of Section 4.08(b)) shall not exceed the sum (without duplication) of (such sum, the "*Available Restricted Payments Amount*"):

(i) 50% of the Consolidated Net Income (or, if Consolidated Net Income shall be a deficit, minus 100% of such deficit) of the Company accrued on a cumulative basis during the period (taken as one accounting period) from the beginning of the first fiscal quarter commencing after the Issue Date and ending on the last day of the fiscal quarter immediately preceding the date of such proposed Restricted Payment; plus

(ii) 100% of the aggregate net proceeds (including the Fair Market Value of property other than cash) received by the Company subsequent to the Issue Date either (A) as a contribution to its common equity capital or (B) from the issuance and sale (other than to a Subsidiary) of its Qualified Capital Interests, including Qualified Capital Interests issued upon the conversion of Debt or Redeemable Capital Interests of the Company issued after the Issue Date (other than, in each case, net proceeds received from an issuance or sale of Capital Interests, Debt or Redeemable Capital Interests issued or sold to a Subsidiary of the Company or to an employee stock ownership plan or similar trust to the extent such sale to an employee stock ownership plan or similar trust is financed by loans from or Guaranteed by the Company or any Restricted Subsidiary unless such loans have been repaid with cash on or prior to the date of determination); plus

(iii) to the extent that any Unrestricted Subsidiary of the Company designated as such on and after the Issue Date is redesignated as a Restricted Subsidiary pursuant to the terms of this Indenture, an amount not to exceed the amount of Investments previously made by the Company or any of its Restricted Subsidiaries in such Unrestricted Subsidiary that were previously included in the calculation of the amount of Restricted Payments pursuant to this clause (3); plus

(iv) the amount equal to the net reduction in Restricted Investments made by the Company or any of its Restricted Subsidiaries in any Person resulting from repurchases or redemptions of Restricted Investments in any Person by such Person, proceeds realized from the sale of such Restricted Investments to an unaffiliated purchaser, repayments of loans or advances or other transfers of assets (including by way of dividend or distribution) by such Person to the Company or any Restricted Subsidiary (other than for reimbursement of tax payments), in each case to the extent such Restricted Investment was previously included in the calculation of Restricted Payments pursuant to this clause (3); plus

(v) 100% of any dividends or interest payments received by the Company or a Restricted Subsidiary on and after the Issue Date from an Unrestricted Subsidiary, to the extent such dividends or interest payments were not otherwise included in the calculation of Consolidated Net Income of the Company for such period.

(b) Notwithstanding whether Section 4.08(a) would prohibit the Company and its Restricted Subsidiaries from making a Restricted Payment, the Company and its Restricted Subsidiaries may make the following Restricted Payments:

(1) the payment of any dividend or distribution on Capital Interests in the Company or a Restricted Subsidiary or the consummation of any irrevocable redemption of Subordinated Obligations, within 60 days after declaration thereof or the delivery of any irrevocable notice of redemption, as the case may be, if at the declaration date or date of the notice of redemption, as the case may be, such payment or redemption was permitted by this Section 4.08;

(2) the purchase, repurchase, redemption, defeasance or other acquisition or retirement of any Capital Interests or Subordinated Obligations of the Company or any Guarantor by conversion into, or by or in exchange for, Qualified Capital Interests, or out of net cash proceeds of the substantially concurrent sale (other than to a Subsidiary of the Company or to an

employee stock ownership plan or similar trust to the extent such sale to an employee stock ownership plan or similar trust is financed by loans from or Guaranteed by the Company or any Restricted Subsidiary unless such loans have been repaid with cash on or prior to the date of determination) of other Qualified Capital Interests of the Company; *provided* that the amount of any such net cash proceeds that are utilized for any such Restricted Payment will not be considered to be net proceeds of Qualified Capital Interests for purposes of clause (3)(ii) of Section 4.08(a) and will not be considered to be net cash proceeds from a Qualified Equity Offering for purposes of Section 3.07;

(3) the purchase, redemption, defeasance, repurchase or acquisition or retirement for value of any Subordinated Obligations of the Company or any Guarantor made by conversion into, or in exchange for, or out of the net cash proceeds of a substantially concurrent issue and sale of, Subordinated Obligations of the Company or any redemption, defeasance, repurchase or acquisition or retirement for value of Subordinated Obligations of any Guarantor made by conversion into or in exchange for, or out of the net cash proceeds of a substantially concurrent issue and sale of Subordinated Obligations of a Guarantor, so long as such refinancing Subordinated Obligations are permitted to be Incurred pursuant to Section 4.09 and constitute Refinancing Debt;

(4) the purchase, redemption, retirement or other acquisition for value of Capital Interests in the Company held by any current or former director, officer or employee of the Company or any Restricted Subsidiary (or their estates or beneficiaries under their estates) upon death, disability, retirement or termination of employment or alteration of employment status or pursuant to the terms of any agreement or plan under which such Capital Interests were issued; *provided* that the aggregate cash consideration paid for such purchase, redemption, retirement or other acquisition of such Capital Interests does not exceed \$10.0 million in any fiscal year; *provided, further*, that any unused amounts in any fiscal year may be carried forward to one or more future fiscal years subject to a maximum aggregate amount of repurchases made pursuant to this clause (4) in any fiscal year not to exceed \$20.0 million in the aggregate, although such amount in any fiscal year may be increased by an amount not to exceed (i) the cash proceeds received by the Company or any of its Restricted Subsidiaries from the sale of Qualified Capital Interests of the Company or any direct or indirect parent company of the Company (to the extent contributed to the Company) to existing or former directors, officers or employees of the Company and its Restricted Subsidiaries that occurs after the Issue Date; *plus* (ii) the cash proceeds of key man life insurance policies received by the Company and its Restricted Subsidiaries after the Issue Date; *less* (iii) the amount of any Restricted Payments made since the Issue Date with the cash proceeds described in clauses (i) and (ii) of this clause (4);

(5) (i) any repurchase of Capital Interests deemed to occur upon the exercise of stock options, stock appreciation rights, restricted stock units, warrants or other convertible or exchangeable securities and (ii) any Restricted Payment pursuant to and in accordance with stock option plans and other benefit plans for management or employees of the Company or any Restricted Subsidiary in an amount not to exceed \$5.0 million in any fiscal year;

(6) cash payment, in lieu of issuance of fractional shares, in connection with the exercise of warrants, options or other securities convertible into or exchangeable for the Capital Interests of the Company or a Restricted Subsidiary;

(7) the declaration and payment of dividends to holders of any class or series of Redeemable Capital Interests of the Company issued or Incurred in compliance with Section 4.09 to the extent such dividends are included in the definition of “Consolidated Fixed Charges”;

(8) the defeasance, redemption, repurchase or other acquisition of any Subordinated Obligations (a) at a Purchase Price not greater than 101% of the principal amount of such Subordinated Obligation in the event of a Change of Control pursuant to provisions substantially similar to those described under Section 4.15 or (b) at a Purchase Price not greater than 100% of the principal amount thereof pursuant to provisions substantially similar to those described under Section 4.16; *provided* that prior to or contemporaneously with such defeasance, redemption, repurchase or other acquisition, the Company has made an Offer to Purchase with respect to the Notes and has repurchased all Notes validly tendered for payment and not withdrawn in connection therewith;

(9) other Restricted Payments in an aggregate amount, when taken together with all other Restricted Payments made pursuant to this clause (9), not to exceed the greater of (x) \$100.0 million and (y) 6.0% of the Consolidated Total Assets of the Company and its Restricted Subsidiaries;

(10) any Restricted Payment so long as on the date of such Restricted Payment, after giving *pro forma* effect thereto and to any related transactions as if the same had occurred at the beginning of the Company’s most recently ended Four Quarter Period for which internal financial statements are available, the Company’s Net Leverage Ratio would not have exceeded 3.75 to 1.00; and

(11) the distribution, by dividend or otherwise, of shares of Capital Interests of, or Debt owed to the Company or a Restricted Subsidiary of the Company by, Unrestricted Subsidiaries (other than Unrestricted Subsidiaries, the primary assets of which are cash and/or cash equivalents);

*provided, however*, that at the time of and after giving effect to, any Restricted Payment permitted under clauses (4), (7), (8), (9), (10) and (11) of this Section 4.08(b), no Default shall have occurred and be continuing or would occur as a consequence thereof.

(c) Notwithstanding the foregoing, and for the avoidance of doubt, (i) the conversion by holders of (including any cash payment upon conversion), or required payment of any principal or premium on, or required payment of any interest with respect to, any Permitted Convertible Notes, in each case, in accordance with the terms of the indenture governing such Permitted Convertible Notes, shall not constitute a Restricted Payment; *provided* that, to the extent both (a) the aggregate amount of cash payable upon conversion or payment of any Permitted Convertible Note (excluding any required payment of interest with respect to such Permitted Convertible Note and excluding any payment of cash in lieu of a fractional share due upon conversion thereof) exceeds the aggregate principal amount thereof and (b) such conversion or payment does not trigger or correspond to an exercise or early unwinding or settlement of a corresponding portion of the Bond Hedge Transactions constituting Permitted Call Spread Swap Contract relating to such Permitted Convertible Note (including, for the avoidance of doubt, the case where there is no Bond Hedge Transaction constituting a Permitted Call Spread Swap Contract relating to such Permitted Convertible Note), the payment of such excess cash shall constitute a Restricted Payment notwithstanding this clause (i) and clause (16) of the definition of “Permitted Investments”; and (ii) the Company’s entry into, and any required payment with respect to, or required early unwinding or settlement of, any Permitted Call Spread Swap Contract, in each case, in accordance with the terms of the

agreement governing such Permitted Call Spread Swap Contract, shall not constitute a Restricted Payment; *provided* that, to the extent cash is required to be paid under a Warrant Transaction as a result of the election of “cash settlement” (or substantially equivalent term) as the “settlement method” (or substantially equivalent term) thereunder by the Company (or any of its Affiliates) (including in connection with the exercise and/or early unwind or settlement thereof), the payment of such cash shall constitute a Restricted Payment notwithstanding this clause (ii) and clause (16) of the definition of “Permitted Investments.”

(d) Notwithstanding the foregoing, the Company may repurchase, exchange or induce the conversion of Permitted Convertible Notes by delivery of shares of the Company’s common stock and/or a different series of Permitted Convertible Notes (which series (x) matures after, and does not require any scheduled amortization or other scheduled payments of principal prior to, the analogous date under the indenture governing the Permitted Convertible Notes that are so repurchased, exchanged or converted and (y) has terms, conditions and covenants that are no less favorable to the Company than the Permitted Convertible Notes that are so repurchased, exchanged or converted (as determined by the Board of Directors of the Company, or a committee thereof, in good faith)) (any such series of Permitted Convertible Notes, “*Refinancing Convertible Notes*”) and/or by payment of cash (in an amount that does not exceed the proceeds received by the Company from the substantially concurrent issuance of shares of the Company’s common stock and/or Refinancing Convertible Notes plus the net cash proceeds, if any, received by the Company pursuant to the related exercise or early unwinding or termination of the related Permitted Call Spread Swap Contracts pursuant to the immediately following proviso); *provided* that, substantially concurrently with, or a commercially reasonable period of time before or after, the related settlement date for the Permitted Convertible Notes that are so repurchased, exchanged or converted, the Company shall (and, for the avoidance of doubt, shall be permitted under this Section 4.08 to) exercise or unwind or terminate early (whether in cash, shares or any combination thereof) the portion of the Permitted Call Spread Swap Contracts, if any, corresponding to such Permitted Convertible Notes that are so repurchased, exchanged or converted.

(e) Solely for purposes of determining whether all or any portion of any Restricted Payment is permitted under clause (9) or (10) of Section 4.08(b), the Company, in its sole discretion, shall classify or divide, and from time to time may reclassify or redivide, all or any portion of such Restricted Payment under such clauses (9) and (10) in any manner that complies with such clauses; *provided* that the Available Restricted Payments Amount shall be determined without regard to any such reclassification or redivision. For purposes of this Section 4.08, if a particular Restricted Payment involves a non-cash payment, including a distribution of assets, then such Restricted Payment shall be deemed to be an amount equal to the cash portion of such Restricted Payment, if any, plus an amount equal to the Fair Market Value of the non-cash portion of such Restricted Payment. The Fair Market Value of any assets or securities that are required to be valued by this Section 4.08 will be determined by, in the case of amounts under \$30.0 million, by an Officer of the Company and, in the case of amounts equal to or greater than \$30.0 million, the Board of Directors of the Company whose resolution with respect thereto will be delivered to the Trustee.

#### Section 4.09 Limitation on Incurrence of Debt.

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, Incur any Debt (including Acquired Debt); *provided*, that the Company and any of the Guarantors (other than a Guarantor that provides a Limited Guarantee) may Incur any Acquired Debt or any other Debt if:

(1) immediately after giving effect to the Incurrence of such Debt and the receipt and application of the proceeds therefrom, the Consolidated Fixed Charge Coverage Ratio of the Company and its Restricted Subsidiaries, determined on a *pro forma* basis as if any such Debt (including any other Debt being Incurred contemporaneously), and any other Debt Incurred since the beginning of the Four Quarter Period, had been Incurred and the proceeds thereof had been applied at the beginning of the Four Quarter Period, and any other Debt repaid (other than Debt Incurred under the revolving portion of a Debt Facility) since the beginning of the Four Quarter Period had been repaid at the beginning of the Four Quarter Period, would be at least 2.00 to 1.00; and

(2) no Default or Event of Default shall have occurred and be continuing at the time or as a consequence of the Incurrence of such Debt.

(b) Notwithstanding the provisions of Section 4.09(a), the Company and its Restricted Subsidiaries may Incur Permitted Debt.

(c) For purposes of determining compliance with this Section 4.09, in the event that an item of Debt meets the criteria of more than one of the categories of Permitted Debt or is permitted to be Incurred under Section 4.09(a), the Company, in its sole discretion, shall classify or divide, and from time to time may reclassify or redivide, all or any portion of such item of Debt in any manner that complies with this Section 4.09, including the definition of "Permitted Debt"; *provided* that all Debt outstanding on the Issue Date under the Senior Credit Facilities shall be deemed Incurred under clause (1) of the definition of Permitted Debt and not Section 4.09(a) or clause (4) of the definition of Permitted Debt and may not later be reclassified. If obligations in respect of letters of credit are Incurred pursuant to a Debt Facility and relate to other Debt, then such letters of credit shall be treated as Incurred pursuant to clause (1) of the definition of Permitted Debt and such other Debt shall not be included. In addition, except as provided in the preceding sentence of this Section 4.09(c), Guarantees of, or obligations in respect of letters of credit relating to, Debt that is otherwise included in the determination of a particular amount of Debt shall not be included.

(d) For purposes of determining compliance of any non-U.S. dollar-denominated Debt with this Section 4.09, the U.S. dollar-equivalent principal amount of Debt denominated in a foreign currency shall at all times be calculated based on the relevant currency exchange rate in effect on the date such Debt was Incurred, in the case of term Debt, or first committed, in the case of revolving credit Debt; *provided, however,* that if such Debt is Incurred to refinance other Debt denominated in the same or different currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Debt does not exceed the principal amount of such Debt being refinanced. Notwithstanding any other provision of this Section 4.09, the maximum amount of Debt that the Company may Incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Debt Incurred to refinance other Debt, if Incurred in a different currency from the Debt being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Refinancing Debt is denominated that is in effect on the date of such refinancing.

(e) The accrual of interest, accrual of dividends, the accretion of accreted value, the amortization of debt discount and the payment of interest on Debt in the form of additional Debt and the payment of dividends on Capital Interests in the form of additional shares of Capital Interests with the same terms will not be deemed to be an Incurrence of Debt for purposes of this Section 4.09.

(f) The following shall not be deemed a separate Incurrence of Debt: (1) the obligation to pay a premium in respect of Debt arising in connection with the issuance of a notice of redemption or making a mandatory offer to purchase such Debt and (2) unrealized losses or charges in respect of Hedging Obligations.

(g) The Company will not permit any of its Unrestricted Subsidiaries to Incur any Debt or issue any Redeemable Capital Interests (in each case, other than any Non-Recourse Debt), except as permitted by Section 4.13. If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Debt of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary as of such date (and, if such Debt is not permitted to be Incurred as of such date under this Section 4.09, the Company shall be in Default under this Section 4.09).

(h) The Company will not, and will not permit any Guarantor to, directly or indirectly, Incur any Debt (including Acquired Debt) that is or purports to be by its terms (or by the terms of any agreement governing such Debt) subordinated or junior in right of payment to any other Debt (including Acquired Debt) of the Company or such Guarantor, as the case may be, unless such Debt is expressly subordinated in right of payment to the Notes or such Guarantor's Note Guarantee, as the case may be, to the same extent and in the same manner as such Debt is subordinated to such other Debt of the Company or such Guarantor, as the case may be. For purposes of the foregoing, no Debt will be deemed to be contractually subordinate or junior in right of payment to any other Debt solely by virtue of (1) being unsecured or (2) its having a junior priority with respect to the same collateral.

#### Section 4.10 Limitation on Liens.

The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into, create, Incur, assume or suffer to exist any Liens of any kind (other than Permitted Liens) on or with respect to any of its property or assets (including Capital Interests of Subsidiaries), or income or profits therefrom, now owned or hereafter acquired or any of its interest therein or any income or profits therefrom, which Liens secure Debt, unless contemporaneously with the Incurrence of such Liens:

(1) in the case of Liens securing Subordinated Obligations, the Notes and related Note Guarantees are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens; or

(2) in all other cases, the Notes and related Note Guarantees are equally and ratably secured or are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens.

Any Lien created for the benefit of Holders pursuant to this Section 4.10 shall be automatically and unconditionally released and discharged upon the release and discharge of each of the related Liens described in clauses (1) and (2) above.

#### Section 4.11 Future Guarantors.

(a) On the Issue Date or thereafter, if any Restricted Subsidiary, including any newly-acquired or newly-created Restricted Subsidiary, is or becomes a borrower under the Senior Credit Facilities or Guarantees the Obligations under the Senior Credit Facilities, then that Restricted Subsidiary shall become a Guarantor by execution of a supplemental indenture within 30 days of the date of such event, pursuant to which such Subsidiary will irrevocably and unconditionally Guarantee, on a joint and

several basis, the full and prompt payment of the principal of, premium, if any, and interest in respect of the Notes and all other Obligations under this Indenture on a senior basis.

(b) Each Note Guarantee will be limited to an amount not to exceed the maximum amount that can be guaranteed by that Guarantor without rendering the guarantee, as it relates to such Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, abuse of corporate assets or similar laws affecting the rights of creditors generally or otherwise to reflect applicable laws, including laws relating to the liability of directors and managers.

(c) Notwithstanding anything to the contrary contained herein (i) a Note Guarantee provided pursuant to the terms hereof by a Restricted Subsidiary organized in a jurisdiction other than the United States, the Netherlands, Australia, Bermuda, Canada, the United Kingdom, Japan, Ireland or Jamaica, including a Note Guarantee existing on the Issue Date, may be (or may be modified to become) a Limited Guarantee if the Board of Directors of the Company, in consultation with local counsel, makes a reasonable determination that such limitations are required under the applicable law of such jurisdiction, and (ii) a Restricted Subsidiary organized in a jurisdiction other than the United States, the Netherlands, Australia, Bermuda, Canada, the United Kingdom, Japan, Ireland or Jamaica will not be required to become a Guarantor if the Board of Directors of the Company, in consultation with local counsel, makes a reasonable determination that such Restricted Subsidiary cannot provide a Note Guarantee in view of the limitations imposed by the applicable law of such jurisdiction of more than de minimis value in relation to the assets of such Restricted Subsidiary.

(d) Any designation of a Note Guarantee as a Limited Guarantee shall be evidenced to the Trustee by filing with the Trustee a certified copy of the resolution of the Board of Directors of the Company giving effect to such designation and an Officers' Certificate certifying that such designation was made in compliance with this Indenture.

(e) Each Note Guarantee shall be released in accordance with the provisions of Section 10.06.

#### Section 4.12 Limitation on Dividend and other Payment Restrictions Affecting Restricted Subsidiaries.

(a) The Company will not, and will not permit any of its Restricted Subsidiaries that is not a Guarantor to, directly or indirectly, create or otherwise cause or permit to exist or become effective or enter into any encumbrance or restriction on the ability of such Restricted Subsidiary to:

(1) pay dividends or make any other distributions on its Capital Interests owned by the Company or any Restricted Subsidiary, or with respect to any other interest or participation in, or measured by, its profits, or pay any Debt or other obligations owed to the Company or any Restricted Subsidiary (it being understood that the priority of any Preferred Interests in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on Common Interests shall not be deemed a restriction on the ability to make distributions in Capital Interests);

(2) make loans or advances to the Company or any Restricted Subsidiary (it being understood that the subordination of loans or advances made to the Company or any Restricted Subsidiary to other Debt Incurred by the Company or any Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances); or

(3) sell, lease or transfer any of its property or assets to the Company or any Restricted Subsidiary.

(b) Section 4.12(a) will not apply to the following encumbrances or restrictions (including those existing under or by reason of):

(1) contractual encumbrances or restrictions pursuant to any Debt Facilities and related documentation and other agreements or instruments in effect at or entered into on the Issue Date;

(2) any encumbrance or restriction under this Indenture, the Notes and the Note Guarantees;

(3) any encumbrance or restriction existing at the time of the acquisition of property, so long as the encumbrances or restrictions relate solely to the property so acquired (and are not or were not created in anticipation of or in connection with the acquisition thereof);

(4) any encumbrance or restriction which exists with respect to a Person that becomes a Restricted Subsidiary or merges with or into a Restricted Subsidiary of the Company on or after the Issue Date, which is in existence at the time such Person becomes a Restricted Subsidiary or merges with or into a Restricted Subsidiary, but not created in connection with or in anticipation of such Person becoming a Restricted Subsidiary or merging with or into a Restricted Subsidiary, and which is not applicable to any Person or the property or assets of any Person other than such Person or the property or assets of such Person;

(5) any encumbrance or restriction pursuant to an agreement effecting a permitted renewal, refunding, replacement, refinancing or extension of Debt issued pursuant to an agreement containing any encumbrance or restriction referred to in the foregoing clauses (1) through (4), so long as such encumbrances and restrictions contained in any such agreement are not materially more restrictive, taken as a whole, with respect to such encumbrances and restrictions than those contained in the agreements governing the Debt being renewed, refunded, replaced, refinanced or extended in the good faith judgment of the Company;

(6) customary provisions restricting subletting or assignment of any lease, sublease, contract, or license of the Company or any Restricted Subsidiary or provisions in agreements that restrict the assignment of such agreement or any rights thereunder;

(7) any encumbrance or restriction by reason of applicable law, rule, regulation, order, approval, license, permit or similar restriction;

(8) any encumbrance or restriction in connection with the sale of assets or Capital Interests, including, without limitation, any agreement for the sale or other disposition of a Subsidiary that restricts distributions by that Subsidiary pending its sale or other disposition;

(9) restrictions on cash and other deposits or net worth imposed by customers or suppliers under contracts entered into the ordinary course of business;

(10) encumbrances and restrictions under any instrument governing Debt or Capital Interests of a Person acquired by the Company or any of the Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such Debt or Capital Interests were Incurred or issued in connection with or in contemplation of such acquisition), which

encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired; *provided* that, in the case of Debt, such Debt was permitted by the terms of this Indenture to be Incurred;

(11) encumbrances or restrictions that are customary provisions in joint venture agreements, asset sale agreements, stock sale agreements, sale leaseback agreements and other similar agreements;

(12) encumbrances and restrictions arising in respect of purchase money obligations (including Capital Lease Obligations) for property acquired in the ordinary course of business permitted under this Indenture, in each case, to the extent such restrictions and encumbrances limit the right of the debtor to dispose of assets subject to such Liens and apply to the property so acquired (and proceeds thereof);

(13) Liens securing Debt or other obligations otherwise permitted to be Incurred under this Indenture, including pursuant to the provisions of Section 4.10 that limit the right of the debtor to dispose of assets subject to such Liens;

(14) encumbrances or restrictions relating to any Non-Recourse Receivable Subsidiary Debt or any other contractual requirements of a Receivable Subsidiary that is a Restricted Subsidiary in connection with a Qualified Receivables Transaction; *provided* that such restrictions apply only to such Receivable Subsidiary or the accounts receivable and related assets described in the definition of “Qualified Receivables Transaction” which are subject to such Qualified Receivables Transaction;

(15) any other agreement governing Debt entered into after the Issue Date in compliance with Section 4.09 that contains encumbrances and restrictions that are not materially more restrictive, taken as a whole, with respect to any Restricted Subsidiary than those in effect on the Issue Date with respect to that Restricted Subsidiary pursuant to any agreements in effect on the Issue Date or that do not materially affect the Company’s ability to make anticipated principal or interest payments on the Notes;

(16) restrictions on the sale, lease or transfer of property or assets arising or agreed to in the ordinary course of business, not relating to any Debt, and that do not, individually or in the aggregate, detract from the value of property or assets of the Company or any Restricted Subsidiary in any manner material to the Company and the Restricted Subsidiaries taken as a whole; and

(17) encumbrances or restrictions arising under deferred compensation arrangements or any “rabbi trust” formed in connection with any such arrangement.

#### Section 4.13 Limitation on Creation of Unrestricted Subsidiaries.

(a) The Company may designate any Subsidiary of the Company (including any newly-acquired or newly-formed Subsidiary) as an “Unrestricted Subsidiary” under this Indenture (a “*Designation*”) only if:

(1) no Default or Event of Default has occurred and is continuing after giving effect to such Designation;

(2) the Subsidiary to be so designated and its Subsidiaries do not at the time of Designation own any Capital Interests or Debt of, or own or hold any Lien with respect to, the Company or any Restricted Subsidiary of the Company;

(3) all the Debt of such Subsidiary and its Subsidiaries shall, at the date of designation, and will at all times thereafter, consist of Non-Recourse Debt;

(4) such Subsidiary is a Person with respect to which neither the Company nor any of its Restricted Subsidiaries has any direct or indirect obligation to:

(a) subscribe for additional Capital Interests of such Subsidiary; or

(b) maintain or preserve such Subsidiary's financial condition or to cause such Subsidiary to achieve any specified levels of operating results;

(5) on the date such Subsidiary is designated an Unrestricted Subsidiary, such Subsidiary is not a party to any agreement, contract, arrangement or understanding with the Company or any Restricted Subsidiary with terms substantially less favorable to the Company than those that might have been obtained from Persons who are not Affiliates of the Company; and

(6) either (a) the Subsidiary to be so designated has total consolidated assets of \$1,000 or less or (b) the Company could at the time of Designation make (i) a Restricted Payment in an amount equal to the greater of the Fair Market Value or book value of such Subsidiary pursuant to Section 4.08 and such amount is thereafter treated as a Restricted Payment for the purpose of calculating the amount available for Restricted Payments thereunder or (ii) a Permitted Investment.

(b) The Company may revoke any Designation of a Subsidiary as an Unrestricted Subsidiary (a "Revocation") only if, immediately after giving effect to such Revocation:

(1) all the Debt of such Unrestricted Subsidiary could be Incurred pursuant to Section 4.09;

(2) all the Liens on the property and assets of such Unrestricted Subsidiary could be incurred pursuant to Section 4.10; and

(3) no Default or Event of Default has occurred and is continuing after giving effect to such Revocation.

(c) Any such Designation or Revocation shall be evidenced to the Trustee by filing with the Trustee a certified copy of the resolution of the Board of Directors of the Company giving effect to such Designation or Revocation, as the case may be, and an Officers' Certificate certifying that such Designation or Revocation complied with the foregoing conditions.

(d) A Revocation will be deemed to be an Incurrence of Debt by a Restricted Subsidiary of any outstanding Debt of such Unrestricted Subsidiary. If, at any time, any Unrestricted Subsidiary would fail to meet the foregoing requirements as an Unrestricted Subsidiary, it shall thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture, and any Debt of such Subsidiary shall be deemed to be Incurred as of such date.

Section 4.14 Transactions with Affiliates.

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction or series of related transactions, contract, agreement, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company (each of the foregoing, an “*Affiliate Transaction*”) involving with respect to each such Affiliate Transaction or series of related Affiliate Transactions aggregate consideration in excess of \$5.0 million, *unless*:

(1) such Affiliate Transaction is on terms that are not materially less favorable, taken as a whole, to the Company or the relevant Restricted Subsidiary than those that could have been obtained in a comparable arm’s-length transaction by the Company or such Subsidiary with a Person that is not an Affiliate; and

(2) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$25.0 million, the Company delivers to the Trustee a resolution adopted by a majority of the members of the Board of Directors of the Company and by a majority of the members of such Board of Directors having no personal stake in such transaction, if any, approving such Affiliate Transaction together with an Officers’ Certificate certifying that such Affiliate Transaction complies with clause (1) of this Section 4.14(a).

(b) Section 4.14(a) will not limit, and shall not apply to:

(1) Restricted Payments that are permitted by the provisions of this Indenture described under Section 4.08 and Permitted Investments (other than Permitted Investments made pursuant to clause (2) or (17) of the definition thereof);

(2) the provision of reasonable and customary compensation and other benefits (including vacation, retirement, stock compensation, health, option, severance, deferred compensation, retirement, savings and other benefit plans), indemnities, contribution and insurance to directors, officers and employees of the Company or any Restricted Subsidiary in the ordinary course of business to the extent permitted by law;

(3) transactions between or among the Company and/or its Restricted Subsidiaries (other than a Receivable Subsidiary), including any such transactions with any third Person that is not an Affiliate;

(4) any agreement or arrangement as in effect on the Issue Date and any amendment or modification thereto so long as such amendment or modification is not more disadvantageous, taken as a whole, in any material respect to the Holders than the agreement or arrangement in existence on the Issue Date;

(5) any contribution of capital to the Company;

(6) any transaction with a joint venture, partnership, limited liability company or other entity (other than an Unrestricted Subsidiary) that constitutes an Affiliate solely because the Company or a Restricted Subsidiary owns an equity interest in such joint venture, partnership, limited liability company or other entity; *provided* that no other Affiliate of the

Company, other than the Company or a Restricted Subsidiary, shall have any beneficial interest or otherwise participate in such joint venture, partnership, limited liability company or other entity;

(7) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, or lessors or lessees of property, in each case in the ordinary course of business that are, in the aggregate (taking into account all of the costs and benefits associated with such transactions), on terms that are not materially less favorable to the Company or such Restricted Subsidiary, as the case may be, as determined in good faith by the Company, than those that could be obtained in a comparable arm's-length transaction with a Person that is not an Affiliate of the Company;

(8) transactions effected as part of a Qualified Receivables Transaction;

(9) any employment, severance or consulting agreement or other compensation agreement, arrangement or plan, or any amendment thereto, entered into by the Company or any of its Restricted Subsidiaries in the ordinary course of business;

(10) sales of Capital Interests (other than Redeemable Capital Interests) to Affiliates of the Company;

(11) any transaction in which the Company or its Restricted Subsidiaries, as the case may be, deliver to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Company or its Restricted Subsidiary from a financial point of view or that such transaction complies with clause (1) of Section 4.14(a);

(12) transactions between the Company or any of its Restricted Subsidiaries and any Person that constitutes an Affiliate solely because a director thereof is also a director of the Company; *provided* that such director abstains from voting as a director of the Company on any matter involving such other Person; and

(13) any transaction on arm's-length terms with non-Affiliates that become Affiliates as a result of such transaction.

#### Section 4.15 Offer to Repurchase Upon Change of Control.

(a) Within 30 days following the occurrence of a Change of Control, the Company will make an Offer to Purchase all of the outstanding Notes at a Purchase Price in cash equal to 101% of the principal amount of the Notes tendered, together with accrued and unpaid interest, if any, to, but not including, the Purchase Date (the "*Change of Control Payment*").

(b) On the Purchase Date, the Company will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes (in integral multiples of \$1,000) properly tendered pursuant to the Offer to Purchase; *provided* that if, following repurchase of a portion of a Note, the remaining principal amount of such Note outstanding immediately after such repurchase would be less than \$150,000, then the portion of such Note so repurchased shall be reduced so that the remaining principal amount of such Note outstanding immediately after such repurchase is \$150,000;

(2) deposit with the Paying Agent an amount equal to the Purchase Price in respect of all Notes or portions of Notes so accepted; and

(3) deliver or cause to be delivered to the Trustee for cancellation the Notes so accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company in accordance with the terms of this Section 4.15.

(c) The Paying Agent will promptly mail (or otherwise deliver in accordance with the applicable procedures of the Depository) to each Holder of Notes so accepted the Purchase Price for such Notes, and the Trustee will promptly authenticate upon receipt of an Authentication Order and mail (or otherwise deliver in accordance with the applicable procedures of the Depository) (or cause to be transferred by book-entry) to each Holder a new Note (it being understood that, notwithstanding anything in this Indenture to the contrary, no Opinion of Counsel or Officers' Certificate will be required for the Trustee to authenticate and mail or deliver such new Note) equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each such new Note will be in a principal amount of \$150,000 or integral multiples of \$1,000 in excess thereof.

(d) If Holders of not less than 90% in aggregate principal amount of the then outstanding Notes validly tender and do not withdraw such Notes in an Offer to Purchase upon a Change of Control and the Company, or any third party making an Offer to Purchase upon a Change of Control in lieu of the Company, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company shall have the right, upon not less than 15 nor more than 60 days' prior written notice, given not more than 30 days following the Purchase Date, to redeem all Notes that remain outstanding following such purchase at a redemption price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of redemption.

(e) If a Purchase Date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest to the Purchase Date will be paid on the Purchase Date to the Person in whose name a Note is registered at the close of business on such Record Date.

(f) The Company will comply, to the extent applicable, with the requirements of Rule 14e-1 under the Exchange Act and any other applicable securities laws or regulations in connection with any repurchase of the Notes pursuant to this Section 4.15. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Company will comply with the applicable securities laws and regulations and will be deemed to have complied with its obligations under this Indenture by virtue of such compliance.

(g) Other than as specifically provided in this Section 4.15, any purchase pursuant to this Section 4.15 shall be made pursuant to the provisions of Sections 3.02, 3.05 and 3.06.

(h) The Company will not be required to make an Offer to Purchase upon a Change of Control if (1) a third party makes such Offer to Purchase in the manner, at the times and otherwise in compliance with the requirements of this Indenture and purchases all Notes validly tendered and not withdrawn under such Offer to Purchase or (2) the Company has exercised its right to redeem all of the Notes pursuant to Sections 3.03 and 3.07, unless and until there is a default in payment of the applicable redemption price.

(i) An Offer to Purchase may be made in advance of a Change of Control conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Offer to Purchase is made.

#### Section 4.16 Limitation on Asset Sales.

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale, *unless*:

(1) the Company (or the Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the Fair Market Value (measured as of the date of the definitive agreement with respect to such Asset Sale) of the assets or Capital Interests issued or sold or otherwise disposed of; and

(2) at least 75% of the consideration received in the Asset Sale by the Company or such Restricted Subsidiary, as the case may be, is in the form of cash or Eligible Cash Equivalents.

For purposes of clause (2) of this Section 4.16(a) and for no other purpose, each of the following will be deemed to be cash:

(i) any liabilities, as shown on the most recent consolidated balance sheet of the Company or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes or any Note Guarantee) that are assumed by the transferee of any such assets pursuant to a customary assignment and assumption or novation agreement that releases the Company or such Restricted Subsidiary from further liability with respect thereto;

(ii) any securities, notes or other obligations received by the Company or any such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash within 180 days of their receipt to the extent of the cash received in that conversion; and

(iii) any Designated Non-cash Consideration received by the Company or any such Restricted Subsidiary in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (iii) that is at that time outstanding, not to exceed the greater of (x) \$50.0 million and (y) 3.0% of the Consolidated Total Assets of the Company and its Restricted Subsidiaries at the time of the receipt of such Designated Non-cash Consideration, with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value.

(b) Within 365 days after the receipt of any Net Available Cash from an Asset Sale, or, if with respect to clauses (3), (4) and (5) of this Section 4.16(b), within 365 days after the receipt of any Net Available Cash from any Asset Sale the Company or any Restricted Subsidiary entered into a contractual commitment pursuant to a binding agreement with the good faith expectation to apply any such Net Available Cash within 180 days of such commitment (an “*Acceptable Commitment*”), then, within the later of 365 days after the receipt of such Net Available Cash and 180 days from the date of the *Acceptable Commitment*, the Company (or the applicable Restricted Subsidiary, as the case may be) may apply such Net Available Cash at its option to any combination of the following:

(1) to permanently reduce (and permanently reduce commitments with respect thereto): (A) Secured Debt under the Senior Credit Facilities, (B) Secured Debt of the Company (other than any Redeemable Capital Interests or Subordinated Obligations) or Secured Debt of a Guarantor (other than any Redeemable Capital Interests or Subordinated Obligations)

or (C) Debt of a Non-Guarantor Subsidiary, in each case, other than Debt owed to the Company or an Affiliate of the Company;

(2) to permanently repay or reduce other Debt that ranks *pari passu* in right of payment with the Notes (“*Pari Passu Debt*”), other than Redeemable Capital Interests and Debt owed to the Company or an Affiliate of the Company; *provided* that if the Company shall so reduce any such *Pari Passu Debt*, the Company shall equally and ratably reduce Obligations under the Notes as provided either, at the Company’s option, under Section 3.07, through open-market purchases (to the extent such purchases are at or above 100% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth in this Section 4.16 for an Offer to Purchase) to all Holders of Notes to purchase some or all of their Notes at a purchase price equal to 100% of the principal amount thereof, plus the amount of accrued but unpaid interest, if any, on the amount of Notes that would otherwise be paid;

(3) to acquire all or substantially all of the assets or a line of business of, or any Capital Interests of, another Person engaged in a Permitted Business, if, after giving effect to any such acquisition of Capital Interests, such Person is or becomes a Restricted Subsidiary of the Company;

(4) to make capital expenditures (including any capitalized software development costs) in or that are used or useful in a Permitted Business or to make expenditures for maintenance, repair or improvement of existing properties and assets in accordance with the provisions of this Indenture;

(5) to acquire other assets that are not classified as current assets under GAAP that are used or useful in a Permitted Business; or

(6) any combination of the foregoing;

*provided* that pending the final application of any such Net Available Cash in accordance with clause (1), (2), (3), (4), (5) or (6) of this Section 4.16(b), the Company or any Restricted Subsidiary may temporarily reduce revolving credit borrowings under any Debt Facility or otherwise invest the Net Cash Proceeds in any manner not prohibited by this Indenture.

(c) Any Net Available Cash from Asset Sales that are not applied or invested as provided in Section 4.16(b) will constitute “*Excess Proceeds*.” When the aggregate amount of *Excess Proceeds* exceeds \$75.0 million, the Company will, within 30 days thereof, make an Offer to Purchase to all Holders of Notes (on a *pro rata* basis among the Notes), and to all holders of other *Pari Passu Debt* containing provisions similar to those set forth in this Indenture with respect to offers to purchase, the maximum principal amount of Notes and such other *Pari Passu Debt* that may be purchased out of the *Excess Proceeds*. The offer price in any Offer to Purchase will be equal to 100% of the principal amount, plus accrued and unpaid interest, if any, to, but not including, the date of purchase and will be payable in cash, in accordance with the procedures set forth in the definition of Offer to Purchase or the agreements governing the *Pari Passu Debt*, as applicable, in the case of the Notes in integral multiples of \$1,000; *provided* that if, following repurchase of a portion of a Note, the remaining principal amount of such Note outstanding immediately after such repurchase would be less than \$150,000, then the portion of such Note so repurchased shall be reduced so that the remaining principal amount of such Note outstanding immediately after such repurchase is \$150,000. The Company shall commence an Offer to Purchase with respect to *Excess Proceeds* by mailing (or otherwise delivering in accordance with the applicable

procedures of the Depository) the notice required pursuant to the definition of Offer to Purchase to the Holders, with a copy to the Trustee.

If any Excess Proceeds remain after consummation of an Offer to Purchase, the Company may use those funds for any purpose not otherwise prohibited by this Indenture and they will no longer constitute Excess Proceeds. If the aggregate principal amount of Notes and other Pari Passu Debt tendered in such Offer to Purchase exceeds the amount of Excess Proceeds, the Company will select the Notes and such other Pari Passu Debt to be purchased on a *pro rata* basis (with such adjustments as may be deemed appropriate by the Company so that only Notes in denominations of \$150,000 or any integral multiple of \$1,000 in excess thereof will be purchased). Upon completion of each Offer to Purchase, the amount of Excess Proceeds will be reset at zero.

(d) If the Purchase Date is on or after an applicable Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest to the Purchase Date will be paid on the Purchase Date to the Person in whose name a Note is registered at the close of business on such record date.

(e) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other applicable securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to an Offer to Purchase. To the extent that the provisions of any securities laws or regulations conflict with the Asset Sale provisions of this Indenture, the Company will comply with the applicable securities laws and regulations and will be deemed to have complied with its obligations under the Asset Sale provisions of this Indenture by virtue of such compliance.

#### Section 4.17 Effectiveness of Covenants.

(a) Following the first day (a "*Suspension Date*"):

(1) the Notes have Investment Grade Ratings from both Rating Agencies; and

(2) no Default or Event of Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (1) and (2) being collectively referred to as a "*Covenant Suspension Event*"),

the Company and its Restricted Subsidiaries will not be subject to the provisions of Sections 4.08, 4.09, 4.11 (but only with respect to any Person that is required to become a Guarantor after such Covenant Suspension Event), 4.12, 4.14, 4.16 and 5.01(a)(3) (collectively, the "*Suspended Covenants*").

(b) In the event that the Company and its Restricted Subsidiaries are not subject to the Suspended Covenants with respect to the Notes following any Suspension Date and, subsequently, either one or both Rating Agencies withdraws its rating or downgrades the rating assigned to the Notes below the required Investment Grade Rating, then the Suspended Covenants will thereafter be reinstated as if such covenants had never been suspended (the "*Reinstatement Date*") and be applicable pursuant to the terms of this Indenture (including in connection with performing any calculation or assessment to determine compliance with the terms of this Indenture), unless and until the Notes subsequently attain an Investment Grade Rating from both Rating Agencies and no Default or Event of Default is in existence; *provided, however*, that no Default, Event of Default or breach of any kind shall be deemed to exist under this Indenture, the Notes or the Note Guarantees with respect to the Suspended Covenants based on, and

none of the Company or any of its Subsidiaries shall bear any liability for, any actions taken or events occurring during the Suspension Period, regardless of whether such actions or events would have been permitted if the applicable Suspended Covenants had remained in effect during such period. The period of time between the Suspension Date and the Reinstatement Date is referred to as the “*Suspension Period*.”

(c) On the Reinstatement Date, all Debt (including any Acquired Debt) Incurred during the Suspension Period will be classified as having been Incurred or issued pursuant to Section 4.09(a) or, at the Company’s option, pursuant to one of the clauses set forth in the definition of “Permitted Debt” (in each case, to the extent such Debt would be permitted to be Incurred thereunder as of the Reinstatement Date and after giving effect to Debt Incurred prior to the Suspension Period and outstanding on the Reinstatement Date). To the extent such Debt would not be so permitted to be Incurred pursuant to Section 4.09, such Debt will be deemed to have been outstanding on the Issue Date, so that it is classified or permitted under clause (4) of the definition of “Permitted Debt.” Calculations made after the Reinstatement Date of the amount available to be made as Restricted Payments under Section 4.08 will be made as though such covenant had been in effect from the Issue Date and prior to, but not during, the Suspension Period. Accordingly, Restricted Payments made during the Suspension Period will not reduce the amount available to be made as Restricted Payments under Section 4.08(a).

(d) For purposes of Section 4.11, any Person that is required to become a Guarantor because it has become a borrower under the Senior Credit Facilities or Guaranteed the Obligations under the Senior Credit Facilities during the Suspension Period shall provide a Note Guarantee within 30 days of the Reinstatement Date.

(e) During any period when the Suspended Covenants are suspended, the Board of Directors of the Company may not designate any of the Company’s Subsidiaries as Unrestricted Subsidiaries pursuant to this Indenture.

(f) Promptly following the occurrence of any Covenant Suspension Event or Reinstatement Date, the Company will provide an Officers’ Certificate to the Trustee regarding such occurrence. The Trustee shall have no obligation to independently determine or verify if a Covenant Suspension Event or Reinstatement Date has occurred or notify the Holders of any Covenant Suspension Event or Reinstatement Date. The Trustee may provide a copy of such Officers’ Certificate to any Holder of the Notes upon written request.

#### Section 4.18 Payment of Additional Amounts

(a) All payments made under or with respect to the Notes or with respect to any Note Guarantee will be made free and clear of and without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or other governmental charges of whatever nature, including any penalties and interest relating thereto (“*Taxes*”) imposed or levied by or on behalf of the government of, or any political subdivision of any authority or agency therein or thereof having power to tax of, (i) any jurisdiction in which the Company (including any surviving entity) is then incorporated, organized or resident for tax purposes, (ii) any jurisdiction in which any Guarantor is then incorporated, organized or resident for tax purposes or (iii) any jurisdiction from or through which payment is made by or on behalf of the Company or any Guarantor (including, without limitation, the jurisdiction of any Paying Agent) (each of (i), (ii) and (iii), a “*Relevant Tax Jurisdiction*”), unless the withholding or deduction of such Taxes is then required by law or by regulation or by government policy having the force of law. If any deduction or withholding for, or on account of, any Taxes imposed or levied by or on behalf of any Relevant Tax Jurisdiction will at any time be required by law or by regulation or by government policy having the force of law to be made from any payments made under or with respect to the Notes or with

respect to any Note Guarantee, including, without limitation, payments of principal, redemption price, repurchase price, interest or premium, the Company, the relevant Guarantor or other payor, as applicable, will pay such additional amounts (the “*Additional Amounts*”) as may be necessary in order that the net amounts received in respect of such payments by each Holder (including *Additional Amounts*) after such withholding or deduction will equal the respective amounts that would have been received in respect of such payments in the absence of such withholding or deduction; *provided, however*, that no *Additional Amounts* will be payable with respect to:

(1) any Taxes that would not have been imposed but for the Holder of a Note or the beneficial owner of a Note being a citizen or resident or national of, incorporated in or carrying on a business or maintaining a permanent establishment or physical presence in, the applicable Relevant Tax Jurisdiction in which such Taxes are imposed or having any other present or former connection with the applicable Relevant Tax Jurisdiction other than the mere acquisition, holding, enforcement or receipt of payment in respect of such Note or any Note Guarantee;

(2) any Taxes that are imposed or withheld as a result of the failure of the Holder of a Note or beneficial owner of a Note to comply with any timely reasonable written request, made to that Holder or beneficial owner, by the Company or any of the Guarantors to provide timely and accurate information concerning the nationality, residence or identity of such Holder or beneficial owner or to make any valid and timely declaration or similar claim or satisfy any certification, information or other reporting requirement, which is required or imposed by a statute, treaty, regulation or administrative practice of the applicable Relevant Tax Jurisdiction as a precondition to any exemption from or reduction in all or part of such Taxes to which such Holder or beneficial owner is entitled;

(3) any Note presented for payment (where Notes are in the form of definitive registered Notes and presentation is required) more than 30 days after the relevant payment is first made available for payment to the Holder (except to the extent that the Holder would have been entitled to *Additional Amounts* had the Note been presented on the last day of such 30-day period);

(4) any payment under or with respect to a Note made to any Holder who is a fiduciary or partnership or any person other than the sole beneficial owner of such payment, to the extent that a beneficiary or settlor with respect to such fiduciary, a member of such a partnership or the beneficial owner of such payment would not have been entitled to the *Additional Amounts* had such beneficiary, settlor, member or beneficial owner been the actual Holder of such Note;

(5) any estate, inheritance, gift, sales, excise, transfer, personal property or similar Taxes;

(6) any Taxes payable other than by deduction or withholding from payments under, or with respect to, the Notes or with respect to any Note Guarantee;

(7) any withholding or deduction required pursuant to Sections 1471 through 1474 of the Code as of the Issue Date (or any amended or successor version that is substantially comparable and not materially more onerous to comply with) or any regulations or agreements thereunder, official interpretations thereof, or any law, regulation or government policy having the force of law implementing an intergovernmental approach thereto; and

(8) any combination of items (1) through (7) above.

(b) In addition, a Guarantor that is a Swiss tax resident entity shall not be required to pay any Additional Amounts with respect to any Swiss Taxes withheld by such Guarantor under the Swiss Federal Act on Withholding Tax as of October 13, 1965; *provided* that this restriction shall not in any way limit the obligations of any non-Swiss persons otherwise obligated to pay Additional Amounts to pay the Additional Amounts in respect of the deduction of Swiss withholding Taxes; *provided, further*, that in the event that a Swiss tax resident Guarantor that would otherwise be required to pay Additional Amounts with respect to Swiss Taxes is relieved from such obligation pursuant to this sentence, the other Guarantors, jointly and severally, irrevocably and unconditionally Guarantee, on a senior unsecured basis, the payment of such Additional Amounts in respect of such Swiss Taxes.

(c) In addition to the foregoing, the Company and the Guarantors will also pay and indemnify the Trustee and any Holder for any present or future stamp, issue, registration, excise, court or documentary taxes, or any other similar Taxes which are levied by any Relevant Tax Jurisdiction on the execution, delivery, registration or enforcement of any of the Notes, this Indenture, any Note Guarantee, or any other document or instrument referred to herein or therein.

(d) If the Company or any Guarantor, as the case may be, is or becomes obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes or any Note Guarantee, the Company or the relevant Guarantor, as the case may be, will deliver to the Trustee on a date that is at least 30 days prior to the date of that payment (unless the obligation to pay Additional Amounts arises after the 30th day prior to that payment date, in which case the Company or the relevant Guarantor shall notify the Trustee promptly thereafter) an Officers' Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Officers' Certificate shall also set forth any other information reasonably necessary to enable the Paying Agent to pay Additional Amounts to Holders on the relevant payment date. The Trustee shall be entitled to rely solely on such Officers' Certificate as conclusive proof that such payments are necessary and for the amount of such payments, and in the absence of such Officers' Certificate, the Trustee may assume that no Additional Amounts are due. The Company or the relevant Guarantor will provide the Trustee with documentation evidencing the payment of Additional Amounts and the Trustee will make such documentation available to the Holders and beneficial owners of the Notes.

(e) The applicable withholding agent will make all required withholdings and deductions and will remit the full amount deducted or withheld to the relevant taxing authority in accordance with applicable law. Upon request, the Company or the relevant Guarantor will provide to the Trustee an official receipt or, if official receipts are not obtainable, other documentation evidencing the payment of any Taxes so deducted or withheld. The Company or the relevant Guarantor (as the case may be) will attach to each receipt or other documentation a certificate stating the amount of such Taxes paid per \$1,000 principal amount of the Notes then outstanding. Upon request, copies of those receipts or other documentation, as the case may be, will be made available by the Trustee to the Holders and beneficial owners of the Notes.

(f) Whenever in this Indenture, the Notes or the Note Guarantees there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, interest or of any other amount payable under, or with respect to, any of the Notes or Note Guarantee (as the case may be), such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(g) The obligations under this Section 4.18 will survive termination, defeasance or discharge of this Indenture and any transfer by a Holder or beneficial owner of its Notes and will apply mutatis mutandis to any jurisdiction in which any successor person to the Company or any Guarantor is incorporated, organized or resident for tax purposes or any jurisdiction from or through which such person makes any payment on the Notes (or any Note Guarantee) and any political subdivision thereof or therein.

## ARTICLE 5

### SUCCESSORS

#### Section 5.01 Consolidation, Merger, Conveyance, Transfer or Lease.

(a) The Company will not in any transaction or series of related transactions, consolidate or merge with or into or wind up into any other Person (whether or not the Company is the surviving corporation), or directly or indirectly sell, assign, convey, transfer, lease or otherwise dispose of all or substantially all of the properties or assets of the Company, taken as a whole, to any other Person, *unless*:

(1) (i) the Company is the surviving Person or (ii) the resulting or surviving Person (if not the Company) or the Person to which such sale, assignment, conveyance, transfer, lease or other disposition has been made (such Person, the “*Successor Company*”) (A) shall be a corporation, partnership, limited liability company or similar entity organized and validly existing under the laws of any member state of the European Union, the United Kingdom, Switzerland or the United States, any political subdivision thereof or any state thereof or the District of Columbia (and, if such entity is not a corporation, a co-obligor of the Notes is a corporation organized under any such laws) and (B) the Successor Company shall expressly assume, by a supplemental indenture or other documents or instruments in form reasonably satisfactory to the Trustee, all of the obligations of the Company under the Notes and this Indenture;

(2) immediately after giving effect to such transaction or series of transactions on a *pro forma* basis (including, without limitation, any Debt Incurred or anticipated to be Incurred in connection with or in respect of such transaction or series of transactions), no Default or Event of Default shall have occurred and be continuing;

(3) immediately after giving effect to any such transaction or series of transactions on a *pro forma* basis (including, without limitation, any Debt Incurred or anticipated to be Incurred in connection with or in respect of such transaction or series of transactions) as if such transaction or series of transactions had occurred on the first day of the determination period, (A) the Successor Company could Incur \$1.00 of additional Debt under Section 4.09(a) or (B) the Consolidated Fixed Charge Coverage Ratio for the Successor Company and its Restricted Subsidiaries for the most recent Four Quarter Period shall be equal to or greater than such Consolidated Fixed Charge Coverage Ratio immediately prior to such transaction (or the first such transaction if there are a series of transactions);

(4) each Guarantor (unless it is the other party to the transactions described above, in which case clause (1) of Section 5.01(c) shall apply) shall have by a supplemental indenture confirmed that its Note Guarantee shall apply to such Successor Company’s obligations under this Indenture and the Notes; and

(5) the Company delivers, or causes to be delivered, to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, sale, conveyance, assignment, transfer, lease or other disposition complies with the requirements of this Indenture.

(b) Subject to certain limitations set forth in this Indenture, the Successor Company will succeed to, and be substituted for, the Company under this Indenture and the Notes. Notwithstanding the foregoing, failure to satisfy the requirements of clauses (2) and (3) of Section 5.01(a) will not prohibit:

(1) a merger between the Company and a Restricted Subsidiary that is a wholly owned Subsidiary of the Company or the sale, assignment, conveyance, transfer, lease or other disposition of all or substantially all of the assets of the Company to a Restricted Subsidiary that is a wholly owned Subsidiary of the Company; or

(2) a merger between the Company and an Affiliate incorporated solely for the purpose of converting the Company into a corporation organized under the laws of any member state of the European Union, the United Kingdom, Switzerland or the United States or any political subdivision or state thereof or the District of Columbia, so long as, in each case, the amount of Debt of the Company and its Restricted Subsidiaries is not increased thereby.

(c) The Company will not permit any Guarantor, in any transaction or series of related transactions, to consolidate or merge with or into or wind up into any other Person (whether or not such Guarantor is the surviving corporation), or directly or indirectly sell, assign, convey, transfer, lease or otherwise dispose of all or substantially all of its properties or assets to any Person (other than to the Company or another Guarantor), unless:

(1) (A) if such entity remains a Guarantor, the resulting, surviving or transferee Person (the "Successor Guarantor") is a Person (other than an individual) organized and existing under the laws of any member state of the European Union, the United Kingdom, Switzerland or the United States, any political subdivision thereof or any state thereof or the District of Columbia (or, if such Guarantor was organized and existing in another jurisdiction immediately prior to such transaction, such jurisdiction);

(B) the Successor Guarantor, if other than such Guarantor, expressly assumes all the obligations of such Guarantor under this Indenture, the Notes and its Note Guarantee pursuant to a supplemental indenture or other documents or instruments in form reasonably satisfactory to the Trustee;

(C) immediately after giving effect to such transaction or series of transactions on a *pro forma* basis (including, without limitation, any Debt Incurred or anticipated to be Incurred in connection with or in respect of such transaction or series of transactions), no Default or Event of Default shall have occurred and be continuing; and

(D) the Company delivers, or causes to be delivered, to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, sale, conveyance, assignment, transfer, lease or other disposition complies with the requirements of this Indenture; or

(2) in the event the transaction results in the release of the Guarantor's Note Guarantee under clause (1)(A) of Section 10.06(a), the transaction is made in compliance with Section 4.16 (it being understood that only such portion, if any, of the Net Available Cash as is required to be applied on the date of such transaction in accordance with the terms of this Indenture needs to be applied in accordance therewith at such time).

(d) Subject to the limitations set forth in this Indenture, the Successor Guarantor will succeed to, and be substituted for, such Guarantor under this Indenture and the Note Guarantee of such Guarantor.

(e) Notwithstanding the foregoing, any Guarantor may merge with or into or transfer all or part of its properties and assets to another Guarantor or merge with a Restricted Subsidiary of the Company, so long as the resulting entity remains or becomes a Guarantor.

#### Section 5.02 Successor Entity Substituted.

Upon any consolidation, merger, winding-up, sale, assignment, conveyance, transfer, lease or other disposition of all or substantially all of the assets of the Company or a Guarantor in accordance with Section 5.01, the Company and a Guarantor, as the case may be, will be released from its obligations under this Indenture and the Notes or its Note Guarantee, as the case may be, and the Successor Company and the Successor Guarantor, as the case may be, will succeed to, and be substituted for, and may exercise every right and power of, the Company or a Guarantor, as the case may be, under this Indenture, the Notes and such Note Guarantee; *provided* that, in the case of a lease of all or substantially all of its assets, the Company will not be released from the obligation to pay the principal of and interest on the Notes, and a Guarantor will not be released from its obligations under its Note Guarantee.

### ARTICLE 6

#### DEFAULTS AND REMEDIES

##### Section 6.01 Events of Default.

Each of the following is an "Event of Default":

(1) default in the payment in respect of the principal of (or premium, if any, on) any Note when due and payable (whether at Stated Maturity or upon repurchase, acceleration, optional redemption or otherwise);

(2) default in the payment of any interest upon any Note when it becomes due and payable, and continuance of such default for a period of 30 days;

(3) failure by the Company or any Guarantor to comply with its obligations under clauses (1), (2), (3) and (4) of Section 5.01(a) and clauses (A), (B) and (C) of Section 5.01(c)(1), as applicable;

(4) failure to perform or comply with Section 4.06 and continuance of such failure to perform or comply for a period of 120 days after written notice thereof has been given to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the outstanding Notes;

(5) except as permitted by or in accordance with the terms of this Indenture, any Note Guarantee shall for any reason cease to be, or it shall be asserted by any Guarantor or the Company not to be, in full force and effect and enforceable in accordance with its terms;

(6) default in the performance, or breach, of any covenant or agreement of the Company or any Guarantor in this Indenture (other than a covenant or agreement, a default in whose performance or whose breach is specifically dealt with in clauses (1), (2), (3), (4) or (5) above), and continuance of such default or breach for a period of 60 days after written notice thereof has been given to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the outstanding Notes;

(7) a default or defaults under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Debt for money borrowed by the Company or any Restricted Subsidiary (or the payment of which is Guaranteed by the Company or any Restricted Subsidiary) having, individually or in the aggregate, a principal or similar amount outstanding of at least \$35.0 million, whether such Debt now exists or shall hereafter be created, which default or defaults shall have resulted in the acceleration of the maturity of such Debt prior to its express maturity or (except in the case of any Debt owing to the Company by any Restricted Subsidiary or any Debt of any Restricted Subsidiary owing to the Company or another Restricted Subsidiary) shall constitute a failure to pay a principal or similar amount of such Debt equal to at least \$35.0 million when due and payable after the expiration of any applicable grace period with respect thereto; *provided* that this clause (7) shall not apply to (i) any redemption, exchange, repurchase, conversion or settlement with respect to any Permitted Convertible Notes, or satisfaction of any condition giving rise to or permitting the foregoing, pursuant to their terms unless such redemption, repurchase, conversion or settlement results from a default thereunder or an event of the type that constitutes an Event of Default hereunder or (ii) any early payment requirement or unwinding or termination with respect to any Permitted Call Spread Swap Contract, or satisfaction of any condition giving rise to or permitting the foregoing, in accordance with the terms thereof where neither the Company nor any of its Affiliates is the “defaulting party” (or substantially equivalent term) under the terms of such Permitted Call Spread Swap Contract;

(8) the entry against the Company or any Restricted Subsidiary of a final non-appealable judgment or final non-appealable judgments for the payment of money in an aggregate amount in excess of \$35.0 million (net of amounts covered by insurance), by a court or courts of competent jurisdiction, which judgments remain undischarged, unwaived, unstayed, unbonded or unsatisfied for a period of 60 consecutive days; or

(9) (a) the Company or a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together (as of the date of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary, pursuant to or within the meaning of any Bankruptcy Law:

(i) commences proceedings to be adjudicated bankrupt or insolvent;

(ii) consents to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking an arrangement of debt, reorganization, dissolution, winding up or relief under applicable Bankruptcy Law;

- (iii) consents to the appointment of a receiver, interim receiver, receiver and manager, liquidator, assignee, trustee, sequestrator or other similar official of it or for all or substantially all of its property;
  - (iv) makes a general assignment for the benefit of its creditors; or
  - (v) generally is not paying its debts as they become due; or
- (b) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
- (i) is for relief against the Company, any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together (as of the date of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary, in a proceeding in which the Company, any such Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together (as of the date of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary, is to be adjudicated bankrupt or insolvent;
  - (ii) appoints a receiver, interim receiver, receiver and manager, liquidator, assignee, trustee, sequestrator or other similar official of the Company, any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together (as of the date of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary, or for all or substantially all of the property of the Company, any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together (as of the date of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary; or
  - (iii) orders the liquidation, dissolution or winding up of the Company, or any Restricted Subsidiary that is a Significant Subsidiary or any group of Subsidiaries that, taken together (as of the date of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary;

and the order or decree remains unstayed and in effect for 60 consecutive days.

#### Section 6.02 Acceleration.

(a) If an Event of Default (other than an Event of Default described in clause (9) of Section 6.01 with respect to the Company) occurs and is continuing, then and in every such case the Trustee or the Holders of not less than 25% in aggregate principal amount of the outstanding Notes may declare the principal of the Notes and any accrued interest on the Notes to be due and payable immediately by a notice in writing to the Company (and to the Trustee if given by Holders); *provided, however*, that after such acceleration, but before a judgment or decree based on acceleration, the Holders

of a majority in aggregate principal amount of the outstanding Notes may rescind and annul such acceleration (except with respect to the non-payment of principal of, premium on, if any, or interest, if any, on the Notes, other than the non-payment of such amounts that have become due solely by such declaration of acceleration) if (1) the rescission would not conflict with any judgment or decrees and (2) all existing Events of Default, other than the non-payment of principal of, premium on, if any, or interest, if any, on the Notes that have become due solely by such declaration of acceleration, have been cured or waived, as provided in this Indenture.

(b) In the event of a declaration of acceleration of the Notes solely because an Event of Default described in clause (7) of Section 6.01 has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically rescinded and annulled if the event of default or payment default triggering such Event of Default pursuant to clause (7) of Section 6.01 shall be remedied or cured by the Company or a Restricted Subsidiary of the Company or waived by the holders of the relevant Debt within 20 Business Days after the declaration of acceleration with respect thereto and if the rescission and annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction obtained by the Trustee for the payment of amounts due on the Notes.

(c) If an Event of Default described in clause (9) of Section 6.01 occurs with respect to the Company, the principal of and any accrued interest on the Notes then outstanding shall *ipso facto* become immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

(d) The Trustee may withhold from Holders notice of any Default (except Default in payment of principal of, premium, if any, and interest) if the Trustee determines that withholding notice is in the interests of the Holders to do so.

#### Section 6.03 Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium and Additional Amounts, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

#### Section 6.04 Waiver of Past Defaults.

The Holders of not less than a majority in aggregate principal amount of the outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) may, on behalf of the Holders of all the Notes, waive any past Default under this Indenture and rescind its consequences if such a waiver and rescission would not conflict with any judgment or decree of a court of competent jurisdictions, except a default:

(1) in any payment in respect of the principal of (or premium, if any) or interest on any Notes (including any Note which is required to have been purchased pursuant to an Offer to Purchase which has been made by the Company); or

(2) in respect of a covenant or provision hereof which under this Indenture cannot be modified or amended without the consent of the Holder of each outstanding Note affected.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

#### Section 6.05 Control by Majority.

The Holders of a majority in principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee, and the Trustee may take any action deemed proper by the Trustee that is not inconsistent with such direction. However, the Trustee may refuse to follow any direction that conflicts with law, this Indenture, the Notes or any Note Guarantee, or that is unduly prejudicial to the rights of any other Holder, or that would involve the Trustee in personal liability.

#### Section 6.06 Limitation on Suits.

Subject to Section 6.07, no Holder may pursue any remedy with respect to this Indenture or the Notes *unless*:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) the Holders of at least 25% in aggregate principal amount of the then outstanding Notes have requested in writing to the Trustee to pursue the remedy;
- (3) such Holders have offered the Trustee security or indemnity reasonably satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and
- (5) the Holders of a majority in aggregate principal amount of the then outstanding Notes have not given the Trustee a direction that is inconsistent with such written request within such 60-day period.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

#### Section 6.07 Rights of Holders to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal, premium and Additional Amounts, if any, and interest on its Note, on or after the respective due dates expressed or provided for in such Note (including in connection with an Offer to Purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

#### Section 6.08 Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(1) or (2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company and any other obligor on the Notes for the whole amount of principal, premium and Additional Amounts, if any, and interest remaining unpaid on the Notes, together with interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

Section 6.09 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Company, the Guarantors, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

Section 6.10 Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy are, to the extent permitted by law, cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 6.12 Trustee May File Proofs of Claim.

The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes, including the Guarantors), its creditors or its property and is entitled and empowered to participate as a member in any official committee of creditors appointed in such matter and to collect, receive and distribute any money or other property payable or deliverable on any such claims. Any custodian, receiver, trustee or similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel, and any other amounts due the Trustee under Section 7.06. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any

other amounts due the Trustee under Section 7.06 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

#### Section 6.13 Priorities.

If the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money in the following order, on the date or dates fixed by the Trustee:

(1) First, to the Trustee and its agents and attorneys for all amounts due under Section 7.06, including payment of all reasonable compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

(2) Second, to Holders for amounts due and unpaid on the Notes for principal, premium and Additional Amounts, if any, and interest ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium and Additional Amounts, if any, and interest, respectively; and

(3) Third, to the Company or to such party as a court of competent jurisdiction shall direct, including a Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.13. Promptly after any record date is set pursuant to this Section 6.13, the Trustee shall cause notice of such record date and payment date to be given to the Company and to each Holder in the manner set forth in Section 12.01.

#### Section 6.14 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in such suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07, or a suit by Holders of more than 10% in aggregate principal amount of the outstanding Notes.

## ARTICLE 7

### TRUSTEE

#### Section 7.01 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care in their

exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) If an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture, the Notes and the Note Guarantees at the request or direction of any of the Holders unless such Holders have provided to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses, fees and liabilities which might be incurred by it in compliance with such request or direction.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law. Moneys held by the Trustee and the Paying Agent will remain uninvested.

#### Section 7.02 Rights of Trustee.

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or

investigation into such facts or matters as it may see fit, and, if the Trustee shall determine in good faith to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both subject to the other provisions of this Indenture. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company or a Guarantor shall be sufficient if signed by an Officer of the Company or such Guarantor.

(f) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or indemnity reasonably satisfactory to it against such risk or liability is not assured to it.

(g) The Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the existence of a Default or Event of Default, the Notes and this Indenture.

(h) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(j) The Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(k) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

Section 7.03 Individual Rights of Trustee.

The Trustee or any Agent in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee or such Agent. However, in the event that the Trustee acquires any conflicting interest, it must eliminate such conflict within 90 days, apply to the Commission for permission to continue as trustee (if this Indenture has been qualified under the Trust Indenture Act) or resign. The Trustee is also subject to Sections 7.09 and 7.10.

Section 7.04 Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication on the Notes.

Section 7.05 Notice of Defaults.

If a Default occurs and is continuing and is known to the Trustee, the Trustee will mail to each Holder a notice of the Default within 90 days after it occurs. Except in the case of an Event of Default specified in clauses (1) or (2) of Section 6.01, the Trustee may withhold from the Holders notice of any continuing Default if it determines that withholding notice is in the interests of the Holders.

Section 7.06 Compensation and Indemnity.

(a) The Company and the Guarantors, jointly and severally, shall pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company and the Guarantors, jointly and severally, shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Company and the Guarantors, jointly and severally, shall indemnify the Trustee for, and hold each of the Trustee and any predecessor harmless against, any and all loss, damage, claims, liability or expense (including reasonable attorneys' fees and expenses) incurred by it arising out of or in connection with the acceptance or administration of this Indenture and the performance of its duties hereunder (including the costs and expenses of enforcing this Indenture against the Company or any Guarantor (including this Section 7.06)) or defending itself against any claim whether asserted by any Holder, the Company, any Guarantor or any other Person, or liability in connection with the acceptance, exercise or performance of any of its powers or duties hereunder. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company or any Guarantor of its obligations hereunder. The Company shall defend the claim and the Trustee may have separate counsel and the Company shall pay the fees and expenses of

such counsel. Neither the Company nor any Guarantor need reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct, gross negligence or bad faith.

(c) The obligations of the Company and the Guarantors under this Section 7.06 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee.

(d) To secure the payment obligations of the Company and the Guarantors in this Section 7.06, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, in its capacity as Trustee, except funds held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(9) occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

#### Section 7.07 Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07. The Trustee may resign in writing at any time by giving 30 days' prior notice of such resignation to the Company. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

(1) the Trustee fails to comply with Section 7.09;

(2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(3) a receiver or public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

(b) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the successor Trustee to replace it with another successor Trustee appointed by the Company.

(c) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Company's expense), the Company or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(d) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.09, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; *provided* that all sums owing to the Trustee hereunder have been paid and such transfer shall be subject to the Lien provided for in Section 7.06. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Company's obligations under Section 7.06 shall continue for the benefit of the retiring Trustee.

(f) As used in this Section 7.07, the term "Trustee" shall also include each Agent; *provided* that the resignation of an Agent becomes effective on the date specified in the notice of resignation.

Section 7.08 Successor Trustee by Merger, etc.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation or national banking association, the successor corporation or national banking association without any further act shall be the successor Trustee, subject to Section 7.09.

Section 7.09 Eligibility; Disqualification.

(a) There shall at all times be a Trustee hereunder that is a corporation or national banking association organized and doing business under the laws of the United States or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition.

(a) This Indenture shall always have a Trustee who satisfies the requirements of Trust Indenture Act Section 310(a) and (5). The Trustee is subject to Trust Indenture Act Section 310(b).

Section 7.10 Preferential Collection of Claims Against the Company.

The Trustee is subject to Trust Indenture Act Section 311(a), excluding any creditor relationship listed in Trust Indenture Act Section 311(b). A Trustee who has resigned or been removed shall be subject to Trust Indenture Act Section 311(a) to the extent indicated therein.

## ARTICLE 8

### LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 Option to Effect Legal Defeasance or Covenant Defeasance.

The Company may, at its option and at any time, in the case of Section 8.03 pursuant to a resolution of its Board of Directors set forth in an Officers' Certificate, elect to have either Section 8.02 or Section 8.03 applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 Legal Defeasance and Discharge.

(a) Upon the Company's exercise under Section 8.01 of the option applicable to this Section 8.02, the Company and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04, be deemed to have been discharged from their obligations with respect to this Indenture, all outstanding Notes and Note Guarantees on the date the conditions set forth below are satisfied ("*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company shall be deemed to have paid and discharged the entire Debt represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 and the other Sections of this Indenture referred to in clauses (1) through (5) below, and to have satisfied all of its other obligations under such Notes and this Indenture, including that of the Guarantors (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of such Notes to receive payments in respect of the principal of and any premium, if any, and interest on such Notes when payments are due, solely out of the trust created pursuant to this Indenture referred to in Section 8.04;
- (2) the Company's obligations with respect to such Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (3) the rights, powers, trusts, duties and immunities of the Trustee and the Company's obligations in connection therewith;
- (4) the Company's right of optional redemption pursuant to Section 3.07; and
- (5) this Section 8.02.

(b) Following the Company's exercise of its Legal Defeasance option, payment of the Notes may not be accelerated because of an Event of Default.

(c) Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03.

#### Section 8.03 Covenant Defeasance.

Upon the Company's exercise under Section 8.01 of the option applicable to this Section 8.03, the Company and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04, be released from their obligations under the covenants contained in Sections 4.03, 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14, 4.15, 4.16 and 4.17 and clause (3) of Section 5.01(a) with respect to the outstanding Notes, and the Guarantors shall be deemed to have been discharged from their obligations with respect to all Note Guarantees, on and after the date the conditions set forth in Section 8.04 are satisfied ("*Covenant Defeasance*"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to this Indenture and the outstanding Notes, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference

in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04, an Event of Default specified in Sections 6.01(3) (that resulted solely from the failure by the Company to comply with clause (3) of Section 5.01(a)), 6.01(4), 6.01(5), 6.01(6) (only with respect to covenants that are released as a result of such Covenant Defeasance), 6.01(7), 6.01(8) or 6.01(9) (solely with respect to Significant Subsidiaries or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary), in each case, shall not constitute an Event of Default.

Section 8.04 Conditions to Legal Defeasance or Covenant Defeasance.

(a) The following shall be the conditions to the exercise of either the Legal Defeasance option under Section 8.02 or the Covenant Defeasance option under Section 8.03 with respect to the outstanding Notes:

(1) the Company must irrevocably have deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to the benefits of the Holders of such Notes: (A) cash in U.S. dollars in an amount, (B) Government Securities, which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than the due date of any payment, money in an amount or (C) a combination thereof, in each case sufficient without reinvestment, in the opinion of an Independent Financial Advisor expressed in a written certification thereof delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee to pay and discharge, the entire indebtedness in respect of the principal of and premium, if any, and interest on such Notes on the Stated Maturity thereof or (if the Company has made irrevocable arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name and at the expense of the Company) the redemption date thereof, as the case may be, in accordance with the terms of this Indenture and such Notes;

(2) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel stating that:

(A) the Company has received from, or there has been published by, the U.S. Internal Revenue Service a ruling; or

(B) since the Issue Date, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders and beneficial owners of such Notes will not recognize gain or loss for U.S. federal income tax purposes as a result of the deposit, defeasance and discharge to be effected with respect to such Notes and will be subject to U.S. federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit, defeasance and discharge were not to occur;

(3) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders and beneficial owners of such

Notes will not recognize gain or loss for U.S. federal income tax purposes as a result of the deposit and Covenant Defeasance to be effected with respect to such Notes and will be subject to U.S. federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit and Covenant Defeasance were not to occur;

(4) no Default or Event of Default with respect to the outstanding Notes shall have occurred and be continuing at the time of such deposit after giving effect thereto (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and the grant of any Lien to secure such borrowing);

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, any material agreement or material instrument (other than this Indenture and the agreements governing any other Debt being defeased, discharge or replaced) to which the Company or any of the Guarantors is a party or by which the Company or any of the Guarantors is bound;

(6) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent with respect to such Legal Defeasance or Covenant Defeasance have been complied with;

(7) the Company shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company, any Guarantor or others; and

(8) the Company has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or the redemption date, as the case may be (which instructions may be contained in the Officers' Certificate referred to in clause (7) above).

Section 8.05 Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions.

(a) Subject to Section 8.06, all money and Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Section 8.04 in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company or a Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of all sums due and to become due thereon in respect of principal, premium and Additional Amounts, if any, and interest on the Notes, but such money need not be segregated from other funds except to the extent required by law.

(b) The Company will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.04 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders.

(c) Anything in this Article 8 to the contrary notwithstanding, the Trustee will deliver or pay to the Company from time to time upon the request of the Company any money or Government Securities held by it as provided in Section 8.04 which, in the opinion of an Independent Financial Advisor expressed in a written certification thereof delivered to the Trustee (which may be the

opinion delivered under Section 8.04(a)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 Repayment to the Company.

Subject to any applicable abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal, premium and Additional Amounts, if any, or interest on any Note and remaining unclaimed for one year after such principal, premium and Additional Amounts, if any, or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in The New York Times or The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining shall be repaid to the Company.

Section 8.07 Reinstatement.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or government obligations in accordance with Section 8.02 or Section 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Guarantors' obligations under this Indenture, the Notes and the Note Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or Section 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or Section 8.03, as the case may be; *provided* that, if the Company makes any payment of principal, premium and Additional Amounts, if any, or interest on any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9

AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 Without Consent of Holders.

(a) Notwithstanding Section 9.02, the Company, the Guarantors and the Trustee, at any time and from time to time, may, without the consent of any Holders, enter into one or more indentures supplemental to this Indenture for any of the following purposes:

(1) to evidence the succession of another Person to the Company or a Guarantor and the assumption by any such successor of the covenants of the Company or a Guarantor in this Indenture, the Notes and the Note Guarantees in accordance with Section 5.01;

(2) to add to the covenants of the Company and its Restricted Subsidiaries for the benefit of the Holders, or to surrender any right or power herein conferred upon the Company or any Guarantor;

(3) to add additional Events of Default for the benefit of the Holders;

(4) to provide for or facilitate the issuance of uncertificated Notes in addition to or in place of certificated Notes; *provided* that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code or in a manner such that the uncertificated Notes are described in Section 4701(b)(1)(B) of the Code;

(5) to evidence and provide for the acceptance of appointment under this Indenture by a successor Trustee; *provided* that the successor Trustee is otherwise qualified and eligible to act as such under the terms of this Indenture;

(6) to provide for or confirm the issuance of Additional Notes in accordance with the terms of this Indenture;

(7) to add a Guarantor or to release a Guarantor or modify a Note Guarantee, in each case in accordance with this Indenture;

(8) to cure any ambiguity, defect, omission, mistake or inconsistency;

(9) to make any other provisions with respect to matters or questions arising under this Indenture; *provided* that such actions pursuant to this clause (9) shall not adversely affect the interests of the Holders in any material respect;

(10) to conform the text of this Indenture, the Notes or the Note Guarantees to any provision of the "Description of notes" section of the Offering Memorandum;

(11) to effect or maintain the qualification of this Indenture under the Trust Indenture Act; or

(12) to secure the Notes and the Note Guarantees.

(b) Upon the request of the Company, and upon receipt by the Trustee of the documents described in Sections 9.05 and 12.03, the Trustee shall join with the Company and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise. Notwithstanding the foregoing, no Opinion of Counsel shall be required in connection with the addition of a Guarantor under this Indenture upon execution and delivery by such Guarantor and the Trustee of a supplemental indenture to this Indenture, the form of which is attached as Exhibit C, and delivery of an Officers' Certificate, except as provided in Section 5.01(c).

(c) For the avoidance of doubt, the Trustee shall not be responsible for making any determination as to whether or not the consent of Holders is required in connection with any amendment, supplement or waiver of any provision of this Indenture, the Notes or the Note Guarantees.

Section 9.02 With Consent of Holders.

(a) Except as provided in Section 9.01 and this Section 9.02, the Company, the Guarantors and the Trustee may, with the consent of the Holders of not less than a majority in aggregate principal amount of the outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), enter into an indenture or indentures supplemental to this Indenture for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture, the Notes or the Note Guarantees or of modifying in any manner the rights of the Holders of the Notes under this Indenture, including the definitions therein and, subject to Sections 6.04 and 6.07, waive any existing Default or Event of Default. Section 2.08 and Section 2.09 shall determine which Notes are considered to be “outstanding” for the purposes of this Section 9.02.

(b) Upon the request of the Company, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Sections 9.05 and Section 12.03, the Trustee shall join with the Company and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

(c) It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver. It is sufficient if such consent approves the substance of the proposed amendment, supplement or waiver.

(d) After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company shall give to the Holders a notice briefly describing such amendment, supplement or waiver. However, the failure of the Company to give such notice to all the Holders, or any defect in the notice, will not impair or affect the validity of any such amendment, supplement or waiver.

(e) Without the consent of each affected Holder, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

(1) change the Stated Maturity of any Note or of any installment of interest on any Note, or reduce the amount payable in respect of the principal thereof or the rate of interest thereon or any premium payable thereon, or reduce the amount that would be due and payable on acceleration of the maturity thereof, or change the place of payment where, or the coin or currency in which, any Note or any premium or interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof, or change the date on which any Notes may be subject to redemption or reduce the redemption price therefor;

(2) reduce the percentage in aggregate principal amount of the outstanding Notes, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture;

(3) modify the obligations of the Company to make Offers to Purchase upon a Change of Control or from the Excess Proceeds of Asset Sales if such modification was done after the occurrence of such Change of Control or such Asset Sale;

(4) modify or change any provision of this Indenture affecting the ranking of the Notes or any Note Guarantee in a manner adverse to the Holders of the Notes;

(5) modify any of the provisions of this Section 9.02 or provisions relating to waiver of defaults or certain covenants, except to increase any such percentage required for such actions or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each outstanding Note affected thereby; or

(6) release any Guarantees required to be maintained under this Indenture or modify the Note Guarantees in any manner adverse to the Holders (in each case, other than in accordance with the terms of this Indenture).

(f) For the avoidance of doubt, the Trustee shall not be responsible for making any determination as to whether or not the consent of Holders, or what percentage of such Holders, is required in connection with any amendment, supplement or waiver of any provision of this Indenture, the Notes or the Note Guarantees.

(g) A consent to any amendment, supplement or waiver of this Indenture, the Notes or the Note Guarantees by any Holder given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.

#### Section 9.03 Revocation and Effect of Consents.

(a) Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

(b) The Company may, but shall not be obligated to, fix a record date pursuant to Section 1.04 for the purpose of determining the Holders entitled to consent to any amendment, supplement or waiver.

#### Section 9.04 Notation on or Exchange of Notes.

(a) The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

(b) Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

#### Section 9.05 Trustee to Sign Amendments, etc.

In executing any amendment, supplement or waiver, the Trustee shall receive and (subject to Section 7.01) shall be fully protected in relying upon, in addition to the documents required by Section 12.03, an Officers' Certificate and an Opinion of Counsel each stating that all conditions precedent are satisfied with respect to the execution and delivery of any such amendment, supplemental

indenture or waiver, that such amendment, supplemental indenture or waiver is authorized or permitted by this Indenture, that such amendment, supplemental indenture or waiver is the legal, valid and binding obligation of the Company and each Guarantor party thereto, enforceable against each of them in accordance with its terms, subject to customary exceptions, and that such amendment, supplemental indenture or waiver complies with the provisions hereof.

Section 9.06 Payment for Consent.

The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder of Notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid to all Holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or amendment; *provided* that if such consents, waivers or amendments are sought in connection with an exchange offer where participation in such exchange offer is limited to Holders who are “qualified institutional buyers,” within the meaning of Rule 144A under the Securities Act, or non-U.S. persons, within the meaning of Regulation S under the Securities Act, then such consideration need only be offered to all Holders to whom the exchange offer is made and to be paid to all such Holders that consent, waive or agree to amend in such time frame.

ARTICLE 10

GUARANTEES

Section 10.01 Guarantee.

(a) Subject to this Article 10, each of the Guarantors hereby, jointly and severally, irrevocably and unconditionally guarantees, on a senior unsecured basis, to each Holder and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that: (1) the principal, premium and Additional Amounts, if any, and interest on the Notes shall be promptly paid in full when due, whether at Stated Maturity, by acceleration, redemption or otherwise, and interest on the overdue principal and interest on the Notes, if any, if lawful, and all other Obligations of the Company to the Holders or the Trustee hereunder or under the Notes shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise (collectively, the “*Guaranteed Obligations*”). Failing payment by the Company when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each of the Note Guarantees shall be a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof (other than any waiver or consent expressly releasing such Guarantor’s obligations hereunder), the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a

proceeding first against the Company, protest, notice and all demands whatsoever and covenants that this Note Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture, or pursuant to Section 10.06.

(c) Each of the Guarantors also agrees, jointly and severally, to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) Incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

(d) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to the Company or the Guarantors, any amount paid either to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(e) Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantees.

(f) Each Note Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Company for liquidation or reorganization, should the Company become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Company's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or the Note Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(g) In case any provision of any Note Guarantee shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(h) Each payment to be made by a Guarantor in respect of its Note Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

#### Section 10.02 Limitation on Guarantor Liability.

(a) Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent conveyance or a fraudulent transfer for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law or abuse of

corporate assets or similar laws affecting the rights of creditors generally, including laws relating to the liability of directors and managers, in each case to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Note Guarantee will be entitled upon payment in full of all Guaranteed Obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's *pro rata* portion of such payment based on the respective net assets of all the Guarantors at the time of such payment, determined in accordance with GAAP.

(b) *Limitation on Note Guarantees by Swiss Guarantors.*

(1) If and to the extent that a payment by a Swiss Guarantor with respect to any Guaranteed Obligations would, at the time such Guaranteed Obligations are due, not be permitted under Swiss law, in particular if and to the extent that such Swiss Guarantor Guarantees Obligations other than Obligations of one of its wholly-owned direct or indirect Subsidiaries, then such Guaranteed Obligations shall from time to time be limited to the amount of the freely distributable equity of such Swiss Guarantor in accordance with Swiss law; *provided*, that any such limitation under Swiss law shall not reduce such Swiss Guarantor's Guaranteed Obligations in excess of such limited amount (any amount in excess of such limited amount, the "*Excess Amount*"), but merely postpone the payment date of any Excess Amount until such time or times as the payment thereof is permitted under Swiss law. Any and all indemnities and guarantees by the Swiss Guarantor contained in this Indenture shall be construed in a manner consistent with this Section 10.02(b).

(2) In order to obtain the maximum benefit under its Note Guarantee, each Swiss Guarantor undertakes to promptly implement all such measures and/or to promptly obtain the fulfillment of all prerequisites allowing it to promptly perform its Obligations under this Indenture and make any required payment(s) with respect to any Guaranteed Obligations from time to time, including the following:

- (A) preparation of an up-to-date audited balance sheet of such Swiss Guarantor;
- (B) confirmation of the auditors of such Swiss Guarantor that the relevant amount represents the maximum freely distributable equity;
- (C) approval by a shareholders' or a quotaholders' meeting (as applicable) of such Swiss Guarantor of the resulting profit distribution; and
- (D) all such other measures necessary or useful to allow such Swiss Guarantor to make the payments and perform its Obligations under this Indenture with a minimum of limitations.

(c) *Limitation on Note Guarantees by German Guarantors.*

(1) To the extent that the Note Guarantee created under this Indenture is granted by a Guarantor incorporated in Germany as a limited liability company (*Gesellschaft mit beschränkter Haftung, GmbH*) (each a “*German Guarantor*”) and the Note Guarantee of such German Guarantor guarantees amounts which are owed by direct or indirect shareholders of such German Guarantor or Subsidiaries of such shareholders (with the exception of such German Guarantor and Subsidiaries of such German Guarantor), the Note Guarantee of such German Guarantor shall be subject to certain limitations as set out in the following clauses of this Section 10.02(c). In relation to any other amounts guaranteed, the Note Guarantee of such German Guarantor shall remain unlimited.

(2) Subject to clauses (4) and (5) below, the Trustee shall not be entitled to enforce the Note Guarantee with respect to a German Guarantor to the extent that such German Guarantor demonstrates that:

(A) at the time of its entry into this Indenture:

(i) entry into the Note Guarantee caused such German Guarantor’s net assets (*Nettovermögen* within the German law meaning of that term) (the “*Net Assets*”) calculated as per the day of entry into the Note Guarantee to fall below the amount of its stated share capital (*Stammkapital* within the German law meaning of that term) (such reduction being a *Begründung einer Unterbilanz* within the German law meaning of that term); or

(ii) the entry into the Note Guarantee caused such German Guarantor’s Net Assets to be further reduced (*Vertiefung einer Unterbilanz* within the German law meaning of that term) (if its Net Assets were at the date of entry into the Note Guarantee already lower than its stated share capital); or

(B) the enforcement has the effect of:

(i) reducing such German Guarantor’s Net Assets (calculated as per the day of the Payment Demand (as defined below)) to an amount less than its stated share capital (*Stammkapital* within the German law meaning of that term) (such reduction being a *Begründung einer Unterbilanz* within the German law meaning of that term); or

(ii) causing such German Guarantor’s Net Assets to be further reduced (*Vertiefung einer Unterbilanz* within the German law meaning of that term) (if its Net Assets are at the day of the Payment Demand already lower than its stated share capital),

and that in cases of (A) and (B) of this clause (c) such German Guarantor thereby contravenes the obligatory preservation of its stated share capital according to §§ 30, 31 German GmbH-Act (*GmbH-Gesetz*) (the “*GmbH-Act*”) (“*Limitation on Enforcement*” or “*Limitation Event*”). For the purpose of determining whether a Limitation Event has occurred, any indemnification claim (*Freistellungsanspruch* within the German law meaning of that term) or recourse claim (*Rückgriffsanspruch* within the German law meaning of that term) which such German Guarantor has acquired, or would acquire against a shareholder or another Subsidiary of the Company or any of its affiliates as a result of entry into or the enforcement of the Note Guarantee, shall be taken into account to the extent that such indemnification or recourse claim is fully valuable (*vollwertig*) within the meaning of sentence 2 of paragraph 1 of § 30 GmbH-Act and in

accordance with applicable court rulings of the German Federal Court of Justice (BGH) (“*Recourse Claim*”). To the extent that there is such Recourse Claim, no Limitation on Enforcement applies.

(3) The value of the Net Assets shall be determined in accordance with the relevant provisions of the German Commercial Code (*Handesgesetzbuch*) (the “*HGB*”) relating to the preparation of unconsolidated balance sheets (*Jahresabschluss* within the German law meaning of that term according to § 42 GmbH-Act, §§ 242, 264 HGB) consistently applied from time to time as they are in full force and effect as at the date hereof, save that:

(A) the amount of any increase of the stated share capital (*Stammkapital* within the German law meaning of that term) of a German Guarantor effected out of retained earnings (*Kapitalerhöhung aus Gesellschaftsmitteln* within the German law meaning of that term) registered after the date of this Indenture shall be deducted from the relevant stated share capital; and

(B) loans and other liabilities incurred in violation of the provisions of this Indenture or the Notes shall be disregarded.

(4) The Limitation on Enforcement shall only apply if and to the extent that the managing director(s) (*Geschäftsführer* within the German law meaning of that term) on behalf of the respective German Guarantor have confirmed in writing to the Trustee within 5 Business Days following the Trustee’s demand under the Note Guarantee (the “*Payment Demand*”):

(A) that such German Guarantor did not hold a Recourse Claim in case of clause (2)(A) above, on the date of entering into this Indenture and, in case of clause (2)(B) above, on the date of the Payment Demand;

(B) the amount of such German Guarantor’s Net Assets on the day of entering into this Indenture and the day of the Payment Demand; and

(C) that and to what extent the demanded payment would lead to the occurrence of a Limitation Event (the “*Management Determination*”), *provided* that until and including the earlier of (i) the date falling ten Business Days after the Payment Demand and (ii) the date of the delivery of the Management Determination to the Trustee, the right to enforce the Note Guarantee (whether in full or in part) shall be suspended.

(5) If the Trustee (at the direction of the Holders of a majority in principal amount of the Notes) disagrees with the Management Determination, the Trustee shall nevertheless be entitled to enforce the Note Guarantee up to such amount which is undisputed between the Trustee and the relevant German Guarantor in accordance with the provisions of clause (4) above. In relation to the amount which is disputed, the Limitation on Enforcement shall only apply if a firm of auditors of international standing and reputation has determined within 45 calendar days (or such longer period as has been agreed between the relevant German Guarantor and the Trustee) from the date the Trustee has contested the Management Determination (A) whether the relevant Recourse Claim was or was not fully valuable (*vollwertig*) at the time of entry into this Indenture and the date of the Payment Demand, (B) the amount of the relevant German Guarantor’s Net Assets on the date of entering into this Indenture and date of the Payment Demand and (C) to what extent the demanded payment would lead to the

occurrence of a Limitation Event (the “*Auditor’s Determination*”). If the Trustee (at the direction of the Holders of a majority in principal amount of the Notes) and the relevant German Guarantor do not agree on the appointment of a joint auditor within 5 Business Days from the date the Trustee has disputed the Management Determination, the Trustee (at the direction of the Holders of a majority in principal amount of the Notes) shall be entitled to appoint auditors of international standing and reputation in its sole discretion. The amounts determined in the Auditor’s Determination shall be (except for manifest error) binding for all parties. The costs of the Auditor’s Determination shall be borne by the Issuer. If pursuant to the Auditor’s Determination the amount payable under the Note Guarantee is higher than set out in the Management Determination, the relevant German Guarantor shall pay the difference to the Trustee within 5 Business Days after receipt of the Auditor’s Determination.

(6) If, and to the extent that, the Note Guarantee has been enforced without regard to the Limitation on Enforcement because (A) the Management Determination or the Auditor’s Determination was not delivered within the relevant time frame or (B) the amount payable under the Note Guarantee resulting from the Auditor’s Determination is lower than the respective amount resulting from the Management Determination, the Trustee shall upon written demand of the relevant German Guarantor to the Trustee (on behalf of the Trustee and the Holders) repay any amount (in each case limited to the amount received by it respectively under the Note Guarantee granted under this Indenture and not passed on by the Trustee in accordance with this Indenture or the Notes) in the case of (A) above, for which the Trustee would not have been entitled to enforce had the Management Determination or the Auditor’s Confirmation been delivered in time, and in the case of (B) above, which is equal to the difference between the amount paid and the amount payable resulting from the Auditor’s Determination calculated as of the date of entry into this Indenture or the date of the Payment Demand, as the case may be, and in accordance with clause (3) above, *provided* such demand for repayment is made to the Trustee in case of (A) above within two (2) months from the delivery of the Auditor’s Determination and in case of (B) above within four (4) months from the date the Note Guarantee has been enforced (in each case an *Ausschlussfrist* within the German law meaning of that term).

(7) If a German Guarantor intends to demonstrate that the enforcement of the Note Guarantee would lead to the occurrence of a Limitation Event, then such German Guarantor shall realize at market value, or if a market value cannot be determined, at arm’s-length terms to the extent necessary to satisfy the amounts demanded under the Note Guarantee, any and all of its assets that are shown in its balance sheet with a book value (*Buchwert*) which are significantly lower than their market value and to the extent that such assets are not necessary for the relevant German Guarantor’s business (*nicht betriebsnotwendig*).

(8) The Limitation on Enforcement does not affect the right of the Trustee or the Holders to claim again any outstanding amount at a later point in time if and to the extent that clause (2) of this Section 10.02(c) would allow this at that later point.

(9) The Limitation on Enforcement does not apply in relation to amounts that correspond to funds that constitute proceeds of Notes issued under this Indenture and have been on-lent to, or otherwise been passed on to, the relevant German Guarantor or any of its Subsidiaries and, in case of clause (2)(B) above, are still outstanding. The burden of demonstrating that no amounts have been passed on to a German Guarantor is on that German Guarantor, *provided* that an up-to-date financial statement of that German Guarantor prepared in accordance with the principles applicable to its unconsolidated balance sheet (*Jahresabschluss* according to § 42 GmbH-Act, §§ 242, 264 German Commercial Code) and setting out in

reasonable detail in its annex (*Anhang*) any such on-lending or confirming its nonexistence, shall constitute *prima facie* evidence for this purpose.

(10) The Limitation on Enforcement does not apply to any amounts payable under the Note Guarantee if and, in case of clause (2)(B) above, as long as a domination and/or profit and loss transfer agreement in accordance with § 291 of the German Stock Corporation Act (*Aktiengesetz*, the “*AktG*”) is in existence, unless the existence of such domination and/or profit and loss transfer agreement does not have the effect as set out in sentence 2 of paragraph 1 of § 30 GmbH-Act.

(11) This Section 10.02(c) shall apply *mutatis mutandis* if the Note Guarantee is granted by a Guarantor incorporated in Germany and organized as a limited partnership (*Kommanditgesellschaft, KG*) or general partnership (*offene Handelsgesellschaft, oHG*) with a limited liability company incorporated under German law (*Gesellschaft mit beschränkter Haftung, GmbH*) as general partner (*Komplementär bzw. unbeschränkt haftender Gesellschafter* within the German law meaning of that term) (a “*Relevant General Partner*”) of such Guarantor, in respect of such Relevant General Partner.

(12) The restrictions under this Section 10.02(c) shall not apply if, at the time of enforcement of the Note Guarantee, as a result of a change in laws or German supreme court jurisprudence (*höchstrichterliche Rechtsprechung*), the granting or enforcement of the Note Guarantee can no longer result in a personal liability of a German Guarantor’s or, as applicable, a Relevant General Partner’s managing directors with a view to the obligatory preservation of its stated share capital according to §§ 30, 31 GmbH-Act or any substitute provision.

(d) *Limitation on Note Guarantees by Italian Guarantors.*

(1) Notwithstanding any other provision of this Indenture and notwithstanding anything to the contrary in this Indenture, the Trustee, the Holders and the Guarantors acknowledge and agree that all obligations and liabilities howsoever assumed by each Italian Guarantor, under whatever title or form (and including but not limited to as a guarantor or a joint and several obligor) shall be subject to all of the following limitations:

(A) such obligations and liabilities shall not include any obligations or liabilities the assumption or accrual of which would breach the prohibition of financial assistance as defined in article 2358 of the Italian Civil Code;

(B) pursuant to article 1938 of the Italian Civil Code, such obligations and liabilities shall not exceed for each Italian Guarantor, an amount equal to Euro 55,000,000.00 (fifty five million/00); and

(C) in any event such obligations and liabilities shall never be enforced in excess of 20% (twenty percent) of the then outstanding Net Worth of each Italian Guarantor.

Section 10.03 Execution and Delivery.

(a) To evidence its Note Guarantee set forth in Section 10.01, each Guarantor hereby agrees that this Indenture shall be executed on behalf of such Guarantor by an Officer or person holding an equivalent title.

(b) Each Guarantor hereby agrees that its Note Guarantee set forth in Section 10.01 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Note Guarantee on the Notes.

(c) If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Note Guarantees shall be valid nevertheless.

(d) The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors.

(e) If required by Section 4.11, the Company shall cause any newly-created or newly-acquired Restricted Subsidiary to comply with the provisions of Section 4.11 and this Article 10, to the extent applicable.

Section 10.04 Subrogation.

Each Guarantor shall be subrogated to all rights of Holders against the Company in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 10.01; *provided* that, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Company under this Indenture or the Notes shall have been paid in full.

Section 10.05 Benefits Acknowledged.

Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Note Guarantee are knowingly made in contemplation of such benefits.

Section 10.06 Release of Note Guarantees.

(a) A Note Guarantee by a Guarantor shall be automatically and unconditionally released and discharged, and no further action by such Guarantor, the Company or the Trustee shall be required for the release of such Guarantor's Note Guarantee, upon:

(1) (A) any sale, assignment, transfer, conveyance, exchange or other disposition (by merger, consolidation or otherwise) of the Capital Interests of such Guarantor after which the applicable Guarantor is no longer a Restricted Subsidiary, or the sale of all or substantially all of the assets of such Guarantor, in each case in a sale, assignment, transfer, conveyance, exchange or other disposition that is made in compliance with the provisions of this Indenture, including Section 4.16 (it being understood that only such portion of the Net Available Cash as is required to be applied on or before the date of such release in accordance with the terms of this Indenture needs to be applied in accordance therewith at such time); *provided* that all Guarantees and other obligations of such Guarantor in respect of all other Debt of the Company and its Restricted Subsidiaries terminate upon consummation of such transaction;

(B) the release or discharge of such Guarantor as borrower under the Senior Credit Facilities or from its Guarantee of Debt of the Company and its Restricted Subsidiaries under the Senior Credit Facilities (including, by reason of the termination of the Senior Credit Facilities), except a release or discharge by or as a result of payment

under such Note Guarantee or in connection with a refinancing, refunding or replacement of the Senior Credit Facilities in which such Guarantor is a borrower or guarantor of the obligations under the new refinanced, refunded or replacement Senior Credit Facilities;

(C) the proper designation of any Guarantor as an Unrestricted Subsidiary; or

(D) the Company's exercise of its Legal Defeasance option or Covenant Defeasance option in accordance with Article 8 or the Discharge of the Company's obligations under this Indenture in accordance with the terms of this Indenture; and

(2) such Guarantor delivering to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction and release have been complied with.

### SATISFACTION AND DISCHARGE

#### Section 11.01 Satisfaction and Discharge.

This Indenture will be discharged, and will cease to be of further effect as to all Notes and all Note Guarantees, when:

(a) either: (A) all Notes theretofore authenticated and delivered, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust, have been delivered to the Trustee for cancellation; or (B) all such Notes not theretofore delivered to the Trustee for cancellation (i) have become due and payable by reason of the giving of a notice of redemption or otherwise or (ii) will become due and payable within one year or are to be called for redemption within one year (a "Discharge") under irrevocable arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company, and the Company has irrevocably deposited or caused to be deposited with the Trustee funds (consisting of cash in U.S. dollars, Government Securities or a combination thereof) in an amount sufficient, as confirmed, certified or attested to by an Independent Financial Advisor in a written certification delivered to the Trustee, without consideration of any reinvestment of interest, to pay and discharge the entire indebtedness on the Notes, not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest to the Stated Maturity or date of redemption;

(b) the Company or any Guarantor has paid or caused to be paid all other sums then due and payable under this Indenture;

(c) no Default or Event of Default has occurred and is continuing on the date of such deposit or will occur as a result of such deposit (other than a Default or an Event of Default resulting from the borrowing of funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Debt and, in each case, the granting of Liens in connection therewith) and the deposit will not result in a breach or violation of, or constitute a default under, the Senior Credit Facilities or any

other material agreement or material instrument (other than this Indenture) to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(d) the Company has delivered irrevocable written instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be; and

(e) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent under this Indenture relating to the Discharge have been complied with.

#### Section 11.02 Application of Trust Money.

(a) Subject to the provisions of Section 8.06, all money deposited with the Trustee pursuant to Section 11.01 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium and Additional Amounts, if any, and interest for whose payment such money has been deposited with the Trustee, but such money need not be segregated from other funds except to the extent required by law.

(b) If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and any Guarantor's obligations under this Indenture, the Notes and the Note Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01; *provided* that if the Company has made any payment of principal, premium and Additional Amounts, if any, or interest on any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent, as the case may be.

Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reasonable reliance upon and compliance with such notice, instructions or directions notwithstanding such notice, instructions or directions conflict or are inconsistent with a subsequent notice, instructions or directions.

(g) If a notice or communication is sent in the manner provided above within the time prescribed, it is duly given, whether or not the addressee receives it.

(h) If the Company mails a notice or communication to Holders, it shall mail a copy to the Trustee and each Agent at the same time.

#### Section 12.02 Communication by Holders with Other Holders.

The Issuer, the Trustee, the Registrar and anyone else shall be deemed to have the protection of Trust Indenture Act Section 312(c).

#### Section 12.03 Certificate and Opinion as to Conditions Precedent.

Upon any request or application by the Company or any Guarantor to the Trustee to take any action under this Indenture, the Company or such Guarantor, as the case may be, shall furnish to the Trustee:

(a) an Officers' Certificate (which shall include the statements set forth in Section 12.04) stating that, in the opinion of the signers, all conditions precedent and covenants, if any, provided for in this Indenture relating to the proposed action have been complied with; and

(b) an Opinion of Counsel (which shall include the statements set forth in Section 12.04) stating that, in the opinion of such counsel, all such conditions precedent and covenants have been complied with; *provided* that (A) subject to Section 5.01(c), no Opinion of Counsel shall be required in connection with the addition of a Guarantor under this Indenture upon execution and delivery by such Guarantor and the Trustee of a supplemental indenture to this Indenture, the form of which is attached as Exhibit C and (B) no Opinion of Counsel pursuant to this Section 12.03 shall be required in connection with the authentication and delivery of Notes on the Issue Date.

#### Section 12.04 Statements Required in Certificate or Opinion.

Each certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture (other than a certificate provided pursuant to Section 4.07) shall include:

(a) a statement that the Person making such certificate or opinion has read such covenant or condition;

(b) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(c) a statement that, in the opinion of such Person, he or she has made such examination or investigation as is necessary to enable him or her to express an informed opinion as to whether or not such covenant or condition has been complied with (and, in the case of an Opinion of Counsel, may be limited to reliance on an Officers' Certificate as to matters of fact); and

(d) a statement as to whether or not, in the opinion of such Person, such condition or covenant has been complied with.

Section 12.05Rules by Trustee and Agents.

The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

No director, manager, officer, employee, equity owner, general or limited partner, incorporator or other Person acting in any capacity similar to any of the foregoing, past, present or future, of the Company or any of its Subsidiaries, as such or in such capacity, shall have any personal liability for any obligations of the Company or the Guarantors under the Notes, any Note Guarantee or this Indenture by reason of such status.

Each Holder of Notes by accepting a Note expressly waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes.

Section 12.07Governing Law.

THIS INDENTURE, THE NOTES AND ANY NOTE GUARANTEE WILL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

Section 12.08Waiver of Jury Trial.

EACH OF THE COMPANY, THE GUARANTORS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES, THE NOTE GUARANTEES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 12.09Force Majeure.

In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused by, directly or indirectly, forces beyond its reasonable control, including without limitation strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software or hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 12.10No Adverse Interpretation of Other Agreements.

This Indenture may not be used to interpret any other indenture, loan or debt agreement of the Company or its Restricted Subsidiaries or of any other Person. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

Section 12.11 Successors.

All agreements of the Company in this Indenture and the Notes shall bind its successors. All agreements of the Trustee in this Indenture shall bind its successors. All agreements of each Guarantor in this Indenture shall bind its successors, except as otherwise provided in Section 10.06.

Section 12.12 Severability.

In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 12.13 Counterpart Originals.

The parties may sign any number of copies of this Indenture. Each signed copy shall be deemed to be an original, but all of them together represent the same agreement.

Section 12.14 Table of Contents, Headings, etc.

The Table of Contents, Cross-Reference Table and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and shall in no way modify or restrict any of the terms or provisions hereof.

Section 12.15 Facsimile and PDF Delivery of Signature Pages.

The exchange of copies of this Indenture and of signature pages by facsimile or portable document format (“PDF”) transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

Section 12.16 U.S.A. PATRIOT Act.

The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. PATRIOT Act, the Trustee is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the U.S.A. PATRIOT Act.

Section 12.17 Payments Due on Non-Business Days.

In any case where any Interest Payment Date, redemption date or repurchase date or the Stated Maturity of the Notes shall not be a Business Day, then (notwithstanding any other provision of this Indenture or of the Notes) payment of principal, premium and Additional Amounts, if any, or interest on the Notes need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the Interest Payment Date, redemption date or repurchase date, or

at the Stated Maturity of the Notes, *provided* that no interest will accrue for the period from and after such Interest Payment Date, redemption date, repurchase date or Stated Maturity, as the case may be.

Section 12.18 Jurisdiction; Consent to Service of Process.

(a) Each party hereto irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any U.S. Federal or New York State court sitting in the Borough of Manhattan, New York, New York in any action or proceeding arising out of or relating to this Indenture, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Indenture shall affect any right that the Company, the Guarantors or any Holder of Notes may otherwise have to bring any action or proceeding relating to this Indenture against any party hereto or its properties in the courts of any jurisdiction.

(b) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Indenture in any court referred to in paragraph (a) of this Section 12.18. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) The Company and the Guarantors hereby irrevocably designate, appoint and empower Corporation Service Company (the “*Process Agent*”), in the case of any suit, action or proceeding brought in the United States of America as their designee, appointee and agent to receive, accept and acknowledge for and on their behalves, and in respect of their property, service of any and all legal process, summons, notices and documents that may be served in any action or proceeding arising out of or in connection with this Indenture, the Notes or the Guarantees. Such service may be made by mailing (by registered or certified mail, postage prepaid) or delivering a copy of such process to the Company or any Guarantor in care of the Process Agent at 1180 Avenue of the Americas, Suite 210, New York, New York 10036, and the Company and the Guarantors hereby irrevocably authorize and direct the Process Agent to accept such service on their behalves. As an alternative method of service, the Company and the Guarantors irrevocably consent to the service of any and all process in any such action or proceeding by the mailing (by registered or certified mail, postage prepaid) of copies of such process to the Process Agent or the Company or any Guarantor at the address specified in Section 12.01.

(d) To the extent permitted by law, each party to this Indenture hereby irrevocably waives personal service of any and all process upon it and agrees that all such service of process may be made by registered mail (return receipt requested) directed to it at its address for notices as provided for in Section 12.01. Nothing in this Indenture will affect the right of any party to this Indenture to serve process in any other manner permitted by law.

(a) The Initial Notes issued on the Issue Date shall be (i) offered and sold by the Company to the initial purchasers thereof and (ii) resold, initially only to (1) QIBs in reliance on Rule 144A (“*Rule 144A Notes*”) and (2) Persons other than U.S. persons in reliance on Regulation S (“*Regulation S Notes*”). Additional Notes may also be considered to be Rule 144A Notes or Regulation S Notes, as applicable.

(b) *Global Notes*. Rule 144A Notes shall be issued initially in the form of one or more permanent global Notes in definitive, fully registered form, numbered RA-1 upward (collectively, the “*Rule 144A Global Note*”) and Regulation S Notes shall be issued initially in the form of one or more global Notes, numbered RS-1 upward (collectively, the “*Regulation S Global Note*”), in each case without interest coupons and bearing the Global Notes Legend and Restricted Notes Legend, which shall be deposited on behalf of the purchasers of the Notes with the Custodian, and registered in the name of the Depository or a nominee of the Depository, duly executed by the Company and authenticated by the Trustee as provided in this Indenture. One or more global Notes in definitive, fully registered form without interest coupons and bearing the Global Notes Legend and the Restricted Notes Legend, numbered RIAI-1 upward (collectively, the “*IAI Global Note*”) shall also be issued on the Issue Date, deposited with the Custodian, and registered in the name of the Depository or a nominee of the Depository, duly executed by the Company and authenticated by the Trustee as provided in this Indenture, to accommodate transfers of beneficial interests in the Notes to IAIs subsequent to the initial distribution. The Rule 144A Global Note, the IAI Global Note, the Regulation S Global Note and any Unrestricted Global Note are each referred to herein as a “*Global Note*” and are collectively referred to herein as “*Global Notes*.” Each Global Note shall represent such of the outstanding Notes as shall be specified in the “Schedule of Exchanges of Interests in the Global Note” attached thereto and each shall provide that it shall represent the aggregate principal amount of Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as applicable, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee, the Custodian or the Depository, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 of this Indenture and Section 2.2(c) of this Appendix A.

(c) *Book-Entry Provisions*. This Section 2.1(c) shall apply only to a Global Note deposited with or on behalf of the Depositary.

The Company shall execute and the Trustee shall, in accordance with this Section 2.1(c) and Section 2.02 of this Indenture and pursuant to an Authentication Order, authenticate and deliver initially one or more Global Notes that (i) shall be registered in the name of the Depositary for such Global Note or Global Notes or the nominee of such Depositary and (ii) shall be delivered by the Trustee to such Depositary or pursuant to such Depositary's instructions or held by the Trustee as Custodian.

Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and its Agent Members, the operation of customary practices of such Depositary governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(i) to register the transfer of such Definitive Notes; or

(ii) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations,

the Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; *provided, however*, that the Definitive Notes surrendered for transfer or exchange:

(1) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar, duly executed by the Holder thereof or its attorney duly authorized in writing; and

(i) a certification from the transferor in the form provided on the reverse side of the Form of Note in *Exhibit A* for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto; and

(ii) written instructions directing the Trustee to make, or to direct the Custodian to make, an adjustment on its books and records with respect to such Global Note to reflect an increase in the aggregate principal amount of the Notes represented by the Global Note, such instructions to contain information regarding the Depository account to be credited with such increase,

If the applicable Global Note is not then outstanding, the Company shall issue and the Trustee shall authenticate, upon an Authentication Order, a new applicable Global Note in the appropriate principal amount.

(c) *Transfer and Exchange of Global Notes.*

(i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depository, in accordance with this Indenture (including applicable restrictions on transfer set forth in Section 2.2(d) of this Appendix A, if any) and the procedures of the Depository therefor. (ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Appendix A (other than the provisions set forth in Section 2.3 of this Appendix A), a Global Note may not be transferred except as a whole and not in part if the transfer is by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

(d) *Restrictions on Transfer of Global Notes; Voluntary Exchange of Interests in Transfer Restricted Global Notes for Interests in Unrestricted Global Notes.*

(i) Transfers by an owner of a beneficial interest in a Rule 144A Global Note or an IAI Global Note to a transferee who takes delivery of such interest through another Transfer Restricted Global Note shall be made in accordance with the Applicable Procedures and the Restricted Notes Legend and only upon receipt by the Trustee of a certification from the transferor in the form provided on the reverse side of the Form of Note in *Exhibit A* for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto. Such written certification shall no longer be required after the expiration of the Distribution Compliance Period. Upon the expiration of the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note shall be transferable in accordance with applicable law and the other terms of this Indenture.

(iii) Upon the expiration of the Distribution Compliance Period, beneficial interests in the Regulation S Global Note may be exchanged for beneficial interests in an Unrestricted Global Note upon certification in the form provided on the reverse side of the Form of Note in *Exhibit A* for an exchange from a Regulation S Global Note to an Unrestricted Global Note.

(iv) Beneficial interests in a Transfer Restricted Note that is a Rule 144A Global Note or an IAI Global Note may be exchanged for beneficial interests in an Unrestricted Global Note if the Holder certifies in writing to the Registrar that its request for such exchange is in respect of a transfer made in reliance on Rule 144 (such certification to be in the form set forth on the reverse side of the Form of Note in *Exhibit A*) and/or upon delivery of such legal opinions, certifications and other information as the Company or the Trustee may reasonably request.

(v) If no Unrestricted Global Note is outstanding at the time of a transfer contemplated by the preceding clauses (iii) and (iv), the Company shall issue and the Trustee shall authenticate, upon an Authentication Order, a new Unrestricted Global Note in the appropriate principal amount.

(i) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in the Depository or any other Person with respect to the accuracy of the records of the Depository or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depository) of any notice (including any notice of redemption or repurchase) or the payment of any amount, under or with respect to such Notes. Section 2.3 Definitive Notes.

(a) A Global Note deposited with the Depository or with the Trustee as Custodian pursuant to Section 2.1 may be transferred to the beneficial owners thereof in the form of Definitive Notes in an aggregate principal amount equal to the principal amount of such Global Note, in exchange for such Global Note, only if such transfer complies with Section 2.2 of this Appendix A and (i) the Depository notifies the Company that it is unwilling or unable to continue as a Depository for such Global Note or if at any time the Depository ceases to be a “clearing agency” registered under the Exchange Act and, in each case, a successor depository is not appointed by the Company within 90 days of such notice or after the Company becomes aware of such cessation, (ii) an Event of Default has occurred and is continuing and the Registrar has received a request from the Depository or (iii) the Company, in its sole discretion and subject to the procedures of the Depository, notifies the Trustee in writing that it elects to cause the issuance of Definitive Notes under this Indenture. (b) Any Global Note that is transferable to the beneficial owners thereof pursuant to this Section 2.3 shall be surrendered by the Depository to the Trustee, to be so transferred, in whole or from time to time in part, without charge, and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of Definitive Notes of authorized denominations. 2. METHOD OF PAYMENT. The Company shall pay interest on the Notes to the Persons who are registered holders of Notes at the close of business on the June 1 or December 1 (whether or not a Business Day), as the case may be, immediately preceding the related Interest Payment Date, even if such Notes are canceled after such Record Date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. Principal, premium and Additional Amounts, if any, and interest on the Notes shall be payable at the office or agency of the Company maintained for such purpose or, at the option of the Company, payment of interest and premium, if any, may be made by check mailed to the Holders at their respective addresses set forth in the Note Register; *provided* that payment by wire transfer of immediately available funds shall be required with respect to principal, premium and Additional Amounts, if any, and interest on all Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to the Company or the Paying Agent at least five Business Days prior to the applicable payment date. Such payment shall be in such coin or currency of the United States as at the time of payment is legal tender for payment of public and private debts.

The Company shall be entitled to issue Additional Notes pursuant to Section 2.01 and in compliance with the Indenture. The Notes and any Additional Notes issued under the Indenture shall be treated as a single class of securities under the Indenture. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. Any term used in this Note

that is defined in the Indenture shall have the meaning assigned to it in the Indenture. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

(e) The Administrative Agent shall have received a certificate, dated the Amendment Effective Date and signed by the President, a Vice President or a Financial Officer of the Company, confirming compliance with the conditions set forth in paragraphs (a) and (b) of Section 4.02 of the Amended Credit Agreement.

(b) Each Loan Document and all other documents, instruments and agreements executed and/or delivered in connection therewith shall remain in full force and effect and are hereby ratified and confirmed.

(c) The execution, delivery and effectiveness of this Amendment shall not operate as a waiver of any right, power or remedy of the Administrative Agent or the Lenders, nor constitute a waiver of any provision of the Existing Credit Agreement, the Amended Credit Agreement, the Loan Documents or any other documents, instruments and agreements executed and/or delivered in connection therewith.

### The Credits

#### SECTION 2.01 Commitments.

(a) Prior to the Restatement Effective Date, certain loans were made to the Borrowers under the Existing Credit Agreement which remain outstanding as of the Restatement Effective Date (such outstanding loans being hereinafter referred to as the “Existing Loans”). Subject to the terms and conditions set forth in this Agreement, the Borrowers and each of the Lenders agree that on the Restatement Effective Date but subject to the reallocation and other transactions described in Section 1.06, the Existing Loans shall be reevidenced as Loans under this Agreement and the terms of the Existing Loans shall be restated in their entirety and shall be evidenced by this Agreement.

(b) Subject to the terms and conditions set forth herein (including, without limitation, Section 2.02):

(i) each Multicurrency Tranche Revolving Lender (severally and not jointly) agrees to make Multicurrency Tranche Revolving Loans to the Borrowers in Agreed Currencies from time to time during the Availability Period in an aggregate principal amount that will not result ((after giving effect to any application of proceeds of such Borrowing to any Swingline Loans outstanding pursuant to Section 2.10(a)) in (A) subject to Sections 2.04 and 2.11(b), the Dollar Amount of such Lender’s Multicurrency Tranche Revolving Credit Exposure exceeding such Lender’s Multicurrency Tranche Commitment, (B) subject to Sections 2.04 and 2.11(b), the Dollar Amount of the total Multicurrency Tranche Revolving Credit Exposures exceeding the aggregate Multicurrency Tranche Commitments, (C) subject to Sections 2.04 and 2.11(b), the Dollar Amount of the Total Revolving Credit Exposures exceeding the aggregate Revolving Commitments or (D) subject to Sections 2.04 and 2.11(b), the Dollar Amount of the total outstanding Multicurrency Tranche Revolving Loans and LC Exposure, in each case denominated in Foreign Currencies, exceeding the Foreign Currency Sublimit; and

(ii) each Dollar Tranche Revolving Lender (severally and not jointly) agrees to make Dollar Tranche Revolving Loans to the Borrowers in Dollars from time to time during the Availability Period in an aggregate principal amount that will not result ((after giving effect to any application of proceeds of such Borrowing to any Swingline Loans outstanding pursuant to Section 2.10(a)) in (A) such Lender's Dollar Tranche Revolving Credit Exposure exceeding such Lender's Dollar Tranche Commitment, (B) the total Dollar Tranche Revolving Credit Exposures exceeding the aggregate Dollar Tranche Commitments or (C) subject to Sections 2.04 and 2.11(b), the Dollar Amount of the Total Revolving Credit Exposures exceeding the aggregate Revolving Commitments.

(c) Subject to the terms and conditions set forth herein (including, without limitation, Section 2.02):

(i) each Term Lender with an Initial CUSA Term Loan Commitment (severally and not jointly) agrees to make an Initial CUSA Term Loan to CUSA in Dollars on the Restatement Effective Date, in an amount equal to such Lender's Initial CUSA Term Loan Commitment by making immediately available funds available to the Administrative Agent's designated account, not later than the time specified by the Administrative Agent; and

(ii) each Term Lender with an Initial Company Term Loan Commitment (severally and not jointly) agrees to make an Initial Company Term Loan to the Company in Dollars on the Restatement Effective Date, in an amount equal to such Lender's Initial Company Term Loan Commitment by making immediately available funds available to the Administrative Agent's designated account, not later than the time specified by the Administrative Agent.

(d) Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrowers may borrow, prepay and reborrow Revolving Loans. Amounts repaid or prepaid in respect of Term Loans may not be reborrowed.

SECTION 2.02 Loans and Borrowings. (a) Each Loan (other than a Swingline Loan) shall be made as part of a Borrowing consisting of Loans of the same Class and Type made by the applicable Lenders ratably in accordance with their respective Commitments of the applicable Class. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required. Any Swingline Loan shall be made in accordance with the procedures set forth in Section 2.05. The Term Loans shall amortize as set forth in Section 2.10.

(b) Subject to Section 2.14, each Multicurrency Tranche Borrowing, each Dollar Tranche Borrowing and each Term Loan Borrowing shall be comprised entirely of ABR Loans or Eurocurrency Loans as the relevant Borrower may request in accordance herewith; provided that each ABR Loan shall only be made in Dollars. Each Swingline Loan shall be an ABR Loan. Each Lender at its option may make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan (and in the case of an Affiliate, the provisions of Sections 2.14, 2.15, 2.16 and 2.17 shall apply to such Affiliate to the same extent as to such Lender); provided that any exercise of such option shall not affect the obligation of the relevant Borrower to repay such Loan in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any Eurocurrency Revolving Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of \$500,000 (or, if such Borrowing is denominated in a Foreign Currency, 500,000 units of such currency) and not less than \$1,000,000 (or, if such Borrowing is denominated in a Foreign Currency, 1,000,000 units of such currency). At the time that each ABR Revolving Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of \$250,000 and not less than \$1,000,000; provided that an ABR Revolving Borrowing may be in an aggregate amount that is equal to the entire unused balance of the aggregate Multicurrency Tranche Commitments or the aggregate Dollar Tranche Commitments, as applicable, or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.06(e). Each Swingline Loan shall be in an amount that is an integral multiple of \$250,000 and not less than \$1,000,000. Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of ten (10) Eurocurrency Borrowings outstanding.

(d) Notwithstanding any other provision of this Agreement, (i) no Borrower shall be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date and (ii) subject to the requirements of Section 2.01, each requested Revolving Borrowing denominated in Dollars shall be made pro rata among the Revolving Lenders (and between the Dollar Tranche Commitments and the Multicurrency Tranche Commitments) according to the sum of the aggregate amount of their respective Dollar Tranche Commitments and Multicurrency Tranche Commitments; provided that if, on such date of such Borrowing (after giving effect to any prepayments of Revolving Loans and/or the expiration of any Letters of Credit to occur as of such date) any Revolving Loans and/or Letters of Credit denominated in Foreign Currencies will be outstanding under the Multicurrency Tranche Commitments, such requested Borrowing denominated in Dollars shall be made pro rata (or as nearly pro rata as possible, as reasonably determined by the Administrative Agent) among the Revolving Lenders (and under the Dollar Tranche Commitments and the Multicurrency Tranche Commitments) according to the sum of the aggregate unused amount of their respective Dollar Tranche Commitments and Multicurrency Tranche Commitments.

(e) Any Credit Event to any Dutch Borrower shall at all times be provided by a Lender that is a Dutch Non-Public Lender.

SECTION 2.03 Requests for Borrowings. To request a Borrowing, the applicable Borrower, or the Company on behalf of the applicable Borrower, shall notify the Administrative Agent of such request (a) by irrevocable written notice (via a written Borrowing Request signed by the applicable Borrower, or the Company on behalf of the applicable Borrower, promptly followed by telephonic confirmation of such request) in the case of a Eurocurrency Borrowing, not later than 11:00 a.m., Local Time, three (3) Business Days (in the case of a Eurocurrency Borrowing denominated in Dollars) or by irrevocable written notice (via a written Borrowing Request signed by such Borrower, or the Company on its behalf) not later than four (4) Business Days (in the case of a Eurocurrency Borrowing denominated in a Foreign Currency), in each case before the date of the proposed Borrowing or (b) by telephone in the case of an ABR Borrowing, not later than 11:00 a.m., New York City time, one (1) Business Day before the date of the proposed Borrowing; provided that any such notice of an ABR Revolving Borrowing to finance the reimbursement of an LC Disbursement as contemplated by Section 2.06(e) may be given not later than 10:00 a.m., New York City time, on the date of the proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery or teletype to the

Administrative Agent of a written Borrowing Request signed by the applicable Borrower, or the Company on behalf of the applicable Borrower. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

- (i) the name of the applicable Borrower;
- (ii) whether such Borrowing is a Revolving Borrowing (and, subject to the requirements of Section 2.02(d)(ii), whether such Borrowing is to be a Multicurrency Tranche Revolving Borrowing or a Dollar Tranche Revolving Borrowing), an Initial CUSA Term Loan Borrowing or an Initial Company Term Loan Borrowing;
- (iii) the aggregate amount of the requested Borrowing;
- (iv) the date of such Borrowing, which shall be a Business Day;
- (v) whether such Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing;
- (vi) in the case of a Eurocurrency Borrowing, the Agreed Currency and initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and
- (vii) the location and number of the applicable Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.07.

If no election as to the Type of Borrowing is specified, then, (i) in the case of a Revolving Borrowing denominated in Dollars, the requested Revolving Borrowing shall be an ABR Borrowing made on a pro rata basis under the Multicurrency Tranche Commitments and the Dollar Tranche Commitments as contemplated by Section 2.02(d)(ii) and (ii) in the case of a Term Loan Borrowing, the requested Term Loan Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurocurrency Borrowing, then the relevant Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

SECTION 2.04 Determination of Dollar Amounts. The Administrative Agent will determine the Dollar Amount of:

- (a) each Multicurrency Tranche Eurocurrency Borrowing as of the date two (2) Business Days prior to the date of such Borrowing or, if applicable, the date of conversion/continuation of any Borrowing as a Multicurrency Tranche Eurocurrency Borrowing,
- (b) the LC Exposure as of the date of each request for the issuance, amendment, renewal or extension of any Letter of Credit, and
- (c) all outstanding Credit Events on and as of the last Business Day of each calendar quarter and, during the continuation of an Event of Default, on any other Business Day elected by the Administrative Agent in its discretion or upon instruction by the Required Lenders.

Each day upon or as of which the Administrative Agent determines Dollar Amounts as described in the preceding clauses (a), (b) and (c) is herein described as a “Computation Date” with respect to each Credit Event for which a Dollar Amount is determined on or as of such day.

SECTION 2.05 Swingline Loans. (a) Subject to the terms and conditions set forth herein, the Swingline Lender may in its sole discretion make Swingline Loans in Dollars to the Company from time to time during the Availability Period, in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans exceeding the Swingline Sublimit, (ii) the Swingline Lender’s Revolving Credit Exposure exceeding its Revolving Commitment, (iii) subject to Sections 2.04 and 2.11(b), the Dollar Amount of the total Multicurrency Tranche Revolving Credit Exposures exceeding the aggregate Multicurrency Tranche Commitments, (iv) the total Dollar Tranche Revolving Credit Exposures exceeding the aggregate Dollar Tranche Commitments, or (v) the Dollar Amount of the Total Revolving Credit Exposures exceeding the aggregate Revolving Commitments; provided that the Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Company may borrow, prepay and reborrow Swingline Loans.

(b) To request a Swingline Loan, the Company shall notify the Administrative Agent of such request by telephone (confirmed by telecopy), not later than 12:00 noon, New York City time, on the day of a proposed Swingline Loan. Each such notice shall be irrevocable and shall specify the requested date (which shall be a Business Day) and amount of the requested Swingline Loan. The Administrative Agent will promptly advise the Swingline Lender of any such notice received from the Company. The Swingline Lender shall make each Swingline Loan available to the Company by means of a credit to an account of the Company with the Administrative Agent designated for such purpose (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.06(e), by remittance to the relevant Issuing Bank) by 3:00 p.m., New York City time, on the requested date of such Swingline Loan.

(c) The Swingline Lender may by written notice given to the Administrative Agent require the Revolving Lenders to acquire participations in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Revolving Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Revolving Lender, specifying in such notice such Lender’s Applicable Percentage of such Swingline Loan or Loans. Each Revolving Lender hereby absolutely and unconditionally agrees, promptly upon receipt of such notice from the Administrative Agent (and in any event, if such notice is received by 12:00 noon, New York City time, on a Business Day, no later than 5:00 p.m., New York City time, on such Business Day and if received after 12:00 noon, New York City time, on a Business Day, no later than 10:00 a.m., New York City time, on the immediately succeeding Business Day), to pay to the Administrative Agent, for the account of the Swingline Lender, such Lender’s Applicable Percentage of such Swingline Loan or Loans. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of any of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07

shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so received by it from the Revolving Lenders. The Administrative Agent shall notify the Company of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Company (or other party on behalf of the Company) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear; provided that any such payment so remitted shall be repaid to the Swingline Lender or to the Administrative Agent, as applicable, if and to the extent such payment is required to be refunded to the Company for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Company of any default in the payment thereof.

(d) The Swingline Lender may be replaced at any time by written agreement among the Company, the Administrative Agent, the replaced Swingline Lender and the successor Swingline Lender. The Administrative Agent shall notify the Revolving Lenders of any such replacement of the Swingline Lender. At the time any such replacement shall become effective, the Company shall pay all unpaid interest accrued for the account of the replaced Swingline Lender in respect of Swingline Loans made by such Swingline Lender pursuant to Section 2.13(a). From and after the effective date of any such replacement, (i) the successor Swingline Lender shall have all the rights and obligations of the replaced Swingline Lender under this Agreement with respect to Swingline Loans made thereafter and (ii) references herein to the term "Swingline Lender" shall be deemed to refer to such successor or to any previous Swingline Lender, or to such successor and all previous Swingline Lenders, as the context shall require. After the replacement of a Swingline Lender hereunder, the replaced Swingline Lender shall remain a party hereto and shall continue to have all the rights and obligations of a Swingline Lender under this Agreement with respect to Swingline Loans made by it prior to its replacement, but shall not be required to make additional Swingline Loans.

(e) Subject to the appointment and acceptance of a successor Swingline Lender, the Swingline Lender may resign as a Swingline Lender at any time upon thirty (30) days' prior written notice to the Administrative Agent, the Company and the Revolving Lenders, in which case, such Swingline Lender shall be replaced in accordance with Section 2.05(d) above.

SECTION 2.06 Letters of Credit. (a) General. Subject to the terms and conditions set forth herein, the Company may request the issuance of Letters of Credit denominated in Agreed Currencies for its own account or for the account of any Subsidiary, in a form reasonably acceptable to the Administrative Agent and the relevant Issuing Bank, at any time and from time to time during the Availability Period. Notwithstanding the foregoing, the letters of credit issued and outstanding under the Existing Credit Agreement and identified on Schedule 2.06 (the "Existing Letters of Credit") shall be deemed to be "Letters of Credit" issued on the Restatement Effective Date for all purposes of the Loan Documents. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Company to, or entered into by the Company with, the relevant Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

Notwithstanding anything herein to the contrary, no Issuing Bank shall have any obligation hereunder to issue, and shall not issue, any Letter of Credit the proceeds of which would be made available to any Person (i) to fund any activity or business of or with any Sanctioned Person, or in any country or territory that, at the time of such funding, is the subject of any Sanctions or (ii) in any manner that would result in a violation of any Sanctions by any party to this Agreement. For the avoidance of doubt, the Company unconditionally and irrevocably agrees that, in connection with any Letter of Credit issued for the account of any Subsidiary as provided in the first sentence of this paragraph, the Company will be fully responsible for the reimbursement of LC Disbursements in accordance with the terms hereof, the payment of interest thereon and the payment of fees due under Section 2.12(b) to the same extent as if it were the sole account party in respect of such Letter of Credit (the Company hereby irrevocably waiving any defenses that might otherwise be available to it as a guarantor or surety of the obligations of such a Subsidiary that is an account party in respect of any such Letter of Credit).

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Company shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the relevant Issuing Bank) to the relevant Issuing Bank and the Administrative Agent (reasonably in advance of the requested date of issuance, amendment, renewal or extension, but in any event no less than three (3) Business Days) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount of such Letter of Credit, the Agreed Currency applicable thereto, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by an Issuing Bank, the Company also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Company shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (i) subject to Sections 2.04 and 2.11(b), the Dollar Amount of the LC Exposure shall not exceed \$25,000,000, (ii) subject to Sections 2.04 and 2.11(b), the sum of (x) the aggregate undrawn amount of all outstanding Letters of Credit issued by any Issuing Bank at such time plus (y) the aggregate amount of all LC Disbursements made by such Issuing Bank that have not yet been reimbursed by or on behalf of the Company at such time shall not exceed such Issuing Bank's Letter of Credit Commitment, (iii) subject to Sections 2.04 and 2.11(b), the Dollar Amount of the total Multicurrency Tranche Revolving Credit Exposures shall not exceed the aggregate Multicurrency Tranche Commitments, (iv) the total Dollar Tranche Revolving Credit Exposures shall not exceed the aggregate Dollar Tranche Commitments, (v) subject to Sections 2.04 and 2.11(b), the Dollar Amount of the Total Revolving Credit Exposures shall not exceed the aggregate Revolving Commitments, (vi) subject to Sections 2.04 and 2.11(b), the Dollar Amount of each Lender's Revolving Credit Exposure shall not exceed such Lender's Revolving Commitment and (vii) subject to Sections 2.04 and 2.11(b), the Dollar Amount of the total outstanding Revolving Loans and LC Exposure, in each case denominated in Foreign Currencies, shall not exceed the Foreign Currency Sublimit. The Company may, at any time and from time to time, reduce the Letter of Credit Commitment of any Issuing Bank with the consent of such Issuing Bank; provided that the Company shall not reduce the Letter of Credit Commitment of any Issuing

Bank if, after giving effect of such reduction, the conditions set forth in the immediately preceding clauses (i) through (vii) shall not be satisfied.

(c) Expiration Date. Each Letter of Credit shall expire (or be subject to termination by notice from the relevant Issuing Bank to the beneficiary thereof) at or prior to the close of business on the earlier of (i) the date one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension); provided that any such Letter of Credit may provide for the automatic renewal thereof for additional one-year periods subject to customary non-renewal provisions (which shall in no event extend beyond the date referred to in the following clause (ii)) and (ii) the date that is five (5) Business Days prior to the Maturity Date.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the relevant Issuing Bank or the Revolving Lenders, the relevant Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from the relevant Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Percentage of the aggregate Dollar Amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the relevant Issuing Bank, such Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Company on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to the Company for any reason. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of any of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. If the relevant Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Company shall reimburse such LC Disbursement by paying to the Administrative Agent in Dollars the Dollar Amount equal to such LC Disbursement, calculated as of the date such Issuing Bank made such LC Disbursement (or if such Issuing Bank shall so elect in its sole discretion by notice to the Company, in such other Agreed Currency which was paid by such Issuing Bank pursuant to such LC Disbursement in an amount equal to such LC Disbursement) not later than 12:00 noon, Local Time, on the Business Day immediately following the date that such LC Disbursement is made, if the Company shall have received notice of such LC Disbursement prior to 10:00 a.m., Local Time, on such date, or, if such notice has not been received by the Company prior to such time on such date, then not later than 12:00 noon, Local Time, on the Business Day immediately following the day that the Company receives such notice, if such notice is not received prior to such time on the day of receipt; provided that, if such LC Disbursement is not less than the Dollar Amount of \$1,000,000, the Company may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or 2.05 that such payment be financed with (i) to the extent such LC Disbursement was made in Dollars, an ABR Revolving Borrowing, Eurocurrency Revolving Borrowing or Swingline Loan in Dollars in an amount equal to such LC Disbursement or (ii) to the extent that such LC Disbursement was made in a Foreign Currency, a Eurocurrency Revolving Borrowing in such Foreign Currency in an amount equal to such LC Disbursement and, in each case, to the extent so financed, the Company's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Borrowing, Eurocurrency Revolving

Borrowing or Swingline Loan, as applicable. If the Company fails to make such payment when due, the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from the Company in respect thereof and the Dollar Amount of such Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each Revolving Lender shall pay in Dollars to the Administrative Agent the Dollar Amount of its Applicable Percentage of the payment then due from the Company, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the relevant Issuing Bank the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Company pursuant to this paragraph, the Administrative Agent shall distribute such payment to the relevant Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse the relevant Issuing Bank for any LC Disbursement (other than the funding of Revolving Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the Company of its obligation to reimburse such LC Disbursement. If the Company's reimbursement of, or obligation to reimburse, any amounts in any Foreign Currency would subject the Administrative Agent, any Issuing Bank or any Lender to any stamp duty, ad valorem charge or similar tax that would not be payable if such reimbursement were made or required to be made in Dollars, the Company shall, at its option, either (x) pay the amount of any such tax requested by the Administrative Agent, the relevant Issuing Bank or the relevant Lender or (y) reimburse each LC Disbursement made in such Foreign Currency in Dollars, in an amount equal to the Dollar Amount, calculated on the date such LC Disbursement is made, of such LC Disbursement.

(f) Obligations Absolute. The Company's obligation to reimburse LC Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein or herein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) any payment by the relevant Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Company's obligations hereunder. Neither the Administrative Agent, the Revolving Lenders nor the Issuing Banks, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the relevant Issuing Bank; provided that the foregoing shall not be construed to excuse the relevant Issuing Bank from liability to the Company to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Company to the extent permitted by applicable law) suffered by the Company that are caused by the such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof.

The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the relevant Issuing Bank (as finally determined by a court of competent jurisdiction), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, each Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The relevant Issuing Bank shall promptly notify the Administrative Agent and the Company by telephone (confirmed by telecopy) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Company of its obligation to reimburse such Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If any Issuing Bank shall make any LC Disbursement, then, unless the Company shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Company reimburses such LC Disbursement, at the rate per annum then applicable to ABR Revolving Loans (or in the case such LC Disbursement is denominated in a Foreign Currency, at the Overnight Foreign Currency Rate for such Agreed Currency plus the then effective Applicable Rate with respect to Eurocurrency Revolving Loans); provided that, if the Company fails to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section, then Section 2.13(c) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the relevant Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (e) of this Section to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment.

(i) Replacement of Issuing Bank. (A) Any Issuing Bank may be replaced at any time by written agreement among the Company, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Administrative Agent shall notify the Revolving Lenders of any such replacement of any Issuing Bank. At the time any such replacement shall become effective, the Company shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12(b). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit then outstanding and issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(B) Subject to the appointment and acceptance of a successor Issuing Bank, any Issuing Bank may resign as an Issuing Bank at any time upon thirty days' prior written notice to the

Administrative Agent, the Company and the Revolving Lenders, in which case, such Issuing Bank shall be replaced in accordance with Section 2.06(i)(A) above.

(j) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day that the Company receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, Revolving Lenders with LC Exposure representing greater than 50% of the total LC Exposure) demanding the deposit of cash collateral pursuant to this paragraph, the Company shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders (the "LC Collateral Account"), an amount in cash equal to 105% of the Dollar Amount of the LC Exposure as of such date plus any accrued and unpaid interest thereon; provided that (i) the portions of such amount attributable to undrawn Foreign Currency Letters of Credit or LC Disbursements in a Foreign Currency that the Company is not late in reimbursing shall be deposited in the applicable Foreign Currencies in the actual amounts of such undrawn Letters of Credit and LC Disbursements and (ii) the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Company described in clause (h) or (i) of Article VII. For the purposes of this paragraph, the Dollar Amount of the Foreign Currency LC Exposure shall be calculated on the date notice demanding cash collateralization is delivered to the Company. The Company also shall deposit cash collateral pursuant to this paragraph as and to the extent required by Section 2.11(b). Such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the Secured Obligations. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account and the Company hereby grants the Administrative Agent a security interest in all of its right, title and interest in and to the LC Collateral Account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Company's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the relevant Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Company for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Revolving Lenders with LC Exposure representing greater than 50% of the total LC Exposure), be applied to satisfy other Secured Obligations. If the Company is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Company within three (3) Business Days after all Events of Default have been cured or waived.

(k) Issuing Bank Agreements. Each Issuing Bank agrees that, unless otherwise requested by the Administrative Agent, such Issuing Bank shall report in writing to the Administrative Agent (i) on or prior to each Business Day on which such Issuing Bank expects to issue, amend, renew or extend any Letter of Credit, the date of such issuance, amendment, renewal or extension, and the aggregate face amount of the Letters of Credit to be issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension occurred (and whether the amount thereof changed), it being understood that such Issuing Bank shall not permit any issuance, renewal, extension or amendment resulting in an increase in the amount of any Letter of Credit to occur without first obtaining written confirmation from the Administrative Agent that it is then permitted under this Agreement, (ii) on each Business Day on which such Issuing Bank pays any amount in respect of one or more drawings under Letters of Credit, the date of such

payment(s) and the amount of such payment(s), (iii) on any Business Day on which the Company fails to reimburse any amount required to be reimbursed to such Issuing Bank on such day, the date of such failure and the amount and currency of such payment in respect of Letters of Credit and (iv) on any other Business Day, such other information as the Administrative Agent shall reasonably request.

SECTION 2.07 Funding of Borrowings. (a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof solely by wire transfer of immediately available funds (i) in the case of Loans denominated in Dollars, by 12:00 noon, New York City time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders and (ii) in the case of each Loan denominated in a Foreign Currency, by 12:00 noon, Local Time, in the city of the Administrative Agent's Eurocurrency Payment Office for such currency and at such Eurocurrency Payment Office for such currency; provided that Swingline Loans shall be made as provided in Section 2.05. Except in respect of the provisions of this Agreement covering the reimbursement of Letters of Credit, the Administrative Agent will make such Loans available to the Company by promptly crediting the funds so received in the aforesaid account of the Administrative Agent (x) an account of the Company designated by the Company in the applicable Borrowing Request, in the case of Loans denominated in Dollars and (y) an account of such Borrower in the relevant jurisdiction and designated by such Borrower in the applicable Borrowing Request, in the case of Loans denominated in a Foreign Currency; provided that ABR Revolving Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.06(e) shall be remitted by the Administrative Agent to the relevant Issuing Bank.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the relevant Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and such Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to such Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation (including without limitation the Overnight Foreign Currency Rate in the case of Loans denominated in a Foreign Currency) or (ii) in the case of such Borrower, the interest rate applicable to ABR Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

SECTION 2.08 Interest Elections. (a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurocurrency Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the relevant Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurocurrency Borrowing, may elect Interest Periods therefor, all as provided in this Section. A Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders

holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Borrowings, which may not be converted or continued. Notwithstanding any other provision of this Section, no Borrower shall be permitted to change the Class of any Borrowing.

(b) To make an election pursuant to this Section, a Borrower, or the Company on its behalf, shall notify the Administrative Agent of such election (by telephone or irrevocable written notice in the case of a Borrowing denominated in Dollars or by irrevocable written notice (via an Interest Election Request signed by such Borrower, or the Company on its behalf) in the case of a Borrowing denominated in a Foreign Currency) by the time that a Borrowing Request would be required under Section 2.03 if such Borrower were requesting a Borrowing of the Type and Class resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Interest Election Request signed by the relevant Borrower, or the Company on its behalf. Notwithstanding any contrary provision herein, this Section shall not be construed to permit any Borrower to (i) change the currency of any Borrowing, (ii) elect an Interest Period for Eurocurrency Loans that does not comply with Section 2.02(d) or (iii) convert any Borrowing to a Borrowing of a Type not available under the Class of Commitments pursuant to which such Borrowing was made.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the name of the applicable Borrower and the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing and (A) in the case of a Borrowing consisting of Revolving Loans, whether (subject to the requirements of Section 2.02(d)(ii)) such Borrowing is to be a Dollar Tranche Revolving Borrowing or Multicurrency Tranche Revolving Borrowing and (B) in the case of a Borrowing consisting of Term Loans, whether such Borrowing is to be an Initial CUSA Term Loan Borrowing or an Initial Company Term Loan Borrowing; and

(iv) if the resulting Borrowing is a Eurocurrency Borrowing, the Interest Period and Agreed Currency to be applicable thereto after giving effect to such election, which Interest Period shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the applicable Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each relevant Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the relevant Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period (i) in the case of a Borrowing denominated in Dollars, such Borrowing shall be converted to an ABR Borrowing and (ii) in the case of a Borrowing denominated in a Foreign Currency in respect of which the applicable Borrower shall have failed to deliver an Interest Election Request prior to the third (3<sup>rd</sup>) Business Day preceding the end of such Interest Period, such Borrowing shall automatically continue as a Eurocurrency Borrowing in the same Agreed Currency with an Interest Period of one month unless such Eurocurrency Borrowing is or was repaid in accordance with Section 2.11. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Company, then, so long as an Event of Default is continuing (i) no outstanding Borrowing denominated in Dollars may be converted to or continued as a Eurocurrency Borrowing, (ii) unless repaid, each Eurocurrency Borrowing denominated in Dollars shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto and (iii) unless repaid, each Eurocurrency Borrowing denominated in a Foreign Currency shall automatically be continued as a Eurocurrency Borrowing with an Interest Period of one month.

SECTION 2.09 Termination and Reduction of Commitments. (a) Unless previously terminated, (i) the Term Loan Commitments shall terminate at 3:00 p.m. (New York City time) on the Restatement Effective Date and (ii) all other Commitments shall terminate on the Maturity Date.

(b) The Company may at any time terminate, or from time to time reduce, the Revolving Commitments of any Class; provided that (i) each reduction of the Revolving Commitments of any Class shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000, (ii) the Company shall not terminate or reduce the Multicurrency Tranche Commitments if, after giving effect to any concurrent prepayment of the Multicurrency Tranche Revolving Loans in accordance with Section 2.11, the Dollar Amount of the sum of the total Multicurrency Tranche Revolving Credit Exposures would exceed the aggregate Multicurrency Tranche Commitments, (iii) the Company shall not terminate or reduce the Dollar Tranche Commitments if, after giving effect to any concurrent prepayment of the Dollar Tranche Revolving Loans in accordance with Section 2.11, the Dollar Amount of the sum of the total Dollar Tranche Revolving Credit Exposures would exceed the aggregate Dollar Tranche Commitments and (iv) the Company shall not terminate or reduce the Revolving Commitments if, after giving effect to any concurrent prepayment of the Loans in accordance with Section 2.11, the Dollar Amount of the Total Revolving Credit Exposures would exceed the aggregate Revolving Commitments.

(c) The Company shall notify the Administrative Agent of any election to terminate or reduce the Revolving Commitments of any Class under paragraph (b) of this Section at least three (3) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the relevant Lenders of the contents thereof. Each notice delivered by the Company pursuant to this Section shall be irrevocable; provided that a notice of termination of the Revolving Commitments of any Class delivered by the Company may state that such notice is conditioned upon the effectiveness of other credit facilities or other transactions specified therein, in which case such

notice may be revoked by the Company (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Revolving Commitments of any Class shall be permanent. Each reduction of the Revolving Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Revolving Commitments of any Class.

SECTION 2.10 Repayment and Amortization of Loans; Evidence of Debt. (a) Each Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Revolving Lender the then unpaid principal amount of each Revolving Loan made to such Borrower on the Maturity Date in the currency of such Loan and (ii) in the case of the Company, to the Swingline Lender the then unpaid principal amount of each Swingline Loan on the earlier of the Maturity Date and the fifth (5<sup>th</sup>) Business Day after such Swingline Loan is made; provided that on each date that a Revolving Borrowing is made, the Company shall repay all Swingline Loans then outstanding and the proceeds of any such Borrowing shall be applied by the Administrative Agent to repay any Swingline Loans outstanding.

(b) Amortization; Repayment.

(i) Subject to the terms of Section 2.10(b)(iii), CUSA shall repay Initial CUSA Term Loans on each date set forth below in the aggregate principal amount set forth opposite such date (as adjusted from time to time pursuant to Section 2.11(a) and this Section 2.10(b)) (such amount, for any such date, the “Initial CUSA Term Loan Amortization Amount”):

(iii) On any Initial Term Loan Amortization Payment Date, the Company may, at its election, allocate the Initial Term Loan Total Amortization Amount in respect of such Initial Term Loan Amortization Payment Date between the Initial CUSA Term Loans and the Initial Company Term Loans in any percentage so long as the total amortization payment made by the Company and/or CUSA in respect of the Initial CUSA Term Loans and/or the Initial Company Term Loans on such Initial Term Loan Amortization Payment Date is equal to the Initial Term Loan Total Amortization Amount for such Initial Term Loan Amortization Payment Date. It is hereby understood and agreed that to the extent the Company elects to make (or elects for CUSA to make) an amortization payment in respect of either the Initial CUSA Term Loans or the Initial Company Term Loans, respectively, on an Initial Term Loan Amortization Payment Date that is greater than the Initial CUSA Term Loan Amortization Amount or the Initial Company Term Loan Amortization, as applicable, then (x) any such excess payment in respect of such tranche of Term Loans shall be applied ratably to the remaining Initial Term Loan Amortization Amounts for such tranche of Term Loans and (y) the amount by which the payment of the other tranche of Term Loans is less than the amount that was due on such tranche shall be added ratably to the remaining Initial Term Loan Amortization Amounts for such tranche of Term Loans. For the avoidance of doubt, if on any Initial Term Loan Amortization Payment Date any payment is allocated to the Initial CUSA Term Loan Amortization Amount or the Initial Company Term Loan

Amortization Amount, and the amount of such payment exceeds the outstanding principal amount of Term Loans under such tranche at such time, the amount of such payment will be applied to repay all of the Term Loans under such tranche and any remaining amount of such payment will be used to pay the amortization amount then due in respect of the other tranche of Term Loans as of such Initial Term Loan Amortization Payment Date (and ratably to the remaining Initial Term Loan Amortization Amounts for such tranche of Term Loans).

(iv) To the extent not previously repaid, (i) all unpaid Initial CUSA Term Loans shall be paid in full in Dollars by CUSA on the Maturity Date and (ii) all unpaid Initial Company Term Loans shall be paid in full in Dollars by the Company on the Maturity Date.

(c) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of each Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(d) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class, Agreed Currency and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from each Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(e) The entries made in the accounts maintained pursuant to paragraph (c) or (d) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of any Borrower to repay the Loans in accordance with the terms of this Agreement.

(f) Any Lender may request that Loans made by it to any Borrower be evidenced by a promissory note. In such event, the relevant Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form.

#### SECTION 2.11 Prepayment of Loans.

(a) Any Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with the provisions of this Section 2.11(a). The applicable Borrower, or the Company on behalf of the applicable Borrower, shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) by telephone (confirmed by telecopy) of any prepayment hereunder (i) in the case of prepayment of a Eurocurrency Borrowing, not later than 11:00 a.m., Local Time, three (3) Business Days (in the case of a Eurocurrency Borrowing denominated in Dollars) or four (4) Business Days (in the case of a Eurocurrency Borrowing denominated in a Foreign Currency), in each case before the date of prepayment, (ii) in the case of prepayment of an ABR Borrowing, not later than 11:00 a.m., New York City time, one (1) Business Day before the date of prepayment or (iii) in the case of prepayment of a Swingline Loan, not later than 12:00 noon, New York City

time, on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, if a notice of prepayment is given in connection with a conditional notice of termination of the Commitments as contemplated by Section 2.09, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.09. Promptly following receipt of any such notice relating to a Borrowing, the Administrative Agent shall advise the relevant Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02. Each prepayment of a Revolving Borrowing shall be applied ratably to the Revolving Loans included in the prepaid Revolving Borrowing, and each voluntary prepayment of a Term Loan Borrowing shall be applied ratably to the Term Loans included in the prepaid Term Loan Borrowing in such order of application as directed by the Company. Prepayments shall be accompanied by (i) accrued interest to the extent required by Section 2.13 and (ii) break funding payments pursuant to Section 2.16.

(b) If at any time, (i) other than as a result of fluctuations in currency exchange rates, (A) the aggregate principal Dollar Amount of the total Revolving Credit Exposures of any Class (calculated, with respect to those Credit Events denominated in Foreign Currencies, as of the most recent Computation Date with respect to each such Credit Event) exceeds the aggregate Revolving Commitments of such Class or (B) the aggregate principal Dollar Amount of the total Multicurrency Tranche Revolving Credit Exposures denominated in Foreign Currencies (the "Foreign Currency Exposure") (so calculated), as of the most recent Computation Date with respect to each such Credit Event, exceeds the Foreign Currency Sublimit or (ii) solely as a result of fluctuations in currency exchange rates, (A) the aggregate principal Dollar Amount of the total Multicurrency Tranche Revolving Credit Exposures (so calculated) exceeds 105% of the aggregate Multicurrency Tranche Commitments or (B) the Foreign Currency Exposure, as of the most recent Computation Date with respect to each such Credit Event, exceeds 105% of the Foreign Currency Sublimit, the Borrowers shall in each case immediately repay Revolving Borrowings or cash collateralize LC Exposure in an account with the Administrative Agent pursuant to Section 2.06(j), as applicable, in an aggregate principal amount sufficient to cause (x) the aggregate Dollar Amount of the total Revolving Credit Exposures (so calculated) of each Class to be less than or equal to the aggregate Revolving Commitments of such Class and (y) the Foreign Currency Exposure to be less than or equal to the Foreign Currency Sublimit, as applicable.

SECTION 2.12 Fees. (a) The Company agrees to pay to the Administrative Agent for the account of each Revolving Lender a commitment fee, which shall accrue at the Applicable Rate on the daily Available Revolving Commitment of such Lender during the period from and including the Original Effective Date to but excluding the date on which such Revolving Commitment terminates. Accrued commitment fees shall be payable in arrears on the last day of March, June, September and December of each year and on the date on which the Revolving Commitments terminate, commencing on the first such date to occur after the Restatement Effective Date; provided that any commitment fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(b) The Company agrees to pay (i) to the Administrative Agent for the account of each Revolving Lender a participation fee with respect to its participations in Letters of Credit, which

shall accrue at the same Applicable Rate used to determine the interest rate applicable to Eurocurrency Revolving Loans made by such Revolving Lender on the average daily Dollar Amount of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Restatement Effective Date to but excluding the later of the date on which such Revolving Lender's Revolving Commitment terminates and the date on which such Lender ceases to have any LC Exposure and (ii) to the relevant Issuing Bank for its own account a fronting fee, which shall accrue at the rate of 0.125% per annum on the average daily Dollar Amount of the LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) attributable to Letters of Credit issued by such Issuing Bank during the period from and including the Restatement Effective Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure, as well as such Issuing Bank's standard fees and commissions with respect to the issuance, amendment, cancellation, negotiation, transfer, presentment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the third (3<sup>rd</sup>) Business Day following such last day, commencing on the first such date to occur after the Restatement Effective Date; provided that all such fees shall be payable on the date on which the Revolving Commitments terminate and any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. Any other fees payable to any Issuing Bank pursuant to this paragraph shall be payable within ten (10) days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). Participation fees and fronting fees in respect of Letters of Credit denominated in Dollars shall be paid in Dollars, and participation fees and fronting fees in respect of Letters of Credit denominated in a Foreign Currency shall be paid in such Foreign Currency.

(c) The Company agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Company and the Administrative Agent.

(d) All fees payable hereunder shall be paid on the dates due, in Dollars (except as otherwise expressly provided in this Section 2.12) and immediately available funds, to the Administrative Agent (or to the relevant Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the applicable Lenders. Fees paid shall not be refundable under any circumstances.

SECTION 2.13 Interest. (a) The Loans comprising each ABR Borrowing (including each Swingline Loan) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Eurocurrency Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by any Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and, in the case of Revolving Loans, upon termination of the Revolving Commitments; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest (i) computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and (ii) for Borrowings denominated in Pounds Sterling shall be computed on the basis of a year of 365 days, and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted LIBO Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

(f) The interest rates provided for in this Agreement, including this Section 2.13 are minimum interest rates. When entering into this Agreement, the parties have assumed that the interest payable at the rates set out in this Section or in other Sections of this Agreement is not and will not become subject to the Swiss Federal Withholding Tax. Notwithstanding that the parties do not anticipate that any payment of interest will be subject to the Swiss Federal Withholding Tax, they agree that, in the event that the Swiss Federal Withholding Tax should be imposed on interest payments, the payment of interest due by the Swiss Borrower shall, in line with and subject to Section 2.17, including the limitations therein, be increased to an amount which (after making any deduction of the Non-Refundable Portion (as defined below) of the Swiss Federal Withholding Tax) results in a payment to each Lender entitled to such payment of an amount equal to the payment which would have been due had no deduction of Swiss Federal Withholding Tax been required. For this purpose, the Swiss Federal Withholding Tax shall be calculated on the full grossed-up interest amount. For the purposes of this Section, "Non-Refundable Portion" shall mean Swiss Federal Withholding Tax at the standard rate (being, as at the Restatement Effective Date, 35%) unless a tax ruling issued by the Swiss Federal Tax Administration (SFTA) confirms that, in relation to a specific Lender based on an applicable double tax treaty, the Non-Refundable Portion is a specified lower rate in which case such lower rate shall be applied in relation to such Lender. The Swiss Borrower shall provide to the Administrative Agent the documents required by law or applicable double taxation treaties for the Lenders to claim a refund of any Swiss Federal Withholding Tax so deducted. Section 2.17(f) applies equally to this Section 2.13(f).

#### SECTION 2.14 Alternate Rate of Interest.

(a) If at the time that the Administrative Agent shall seek to determine the LIBOR Screen Rate on the Quotation Day for any Interest Period for a Eurocurrency Borrowing, the LIBOR Screen Rate shall not be available for such Interest Period and/or for the applicable currency with respect to such Eurocurrency Borrowing for any reason, and the Administrative Agent shall reasonably determine that it is not possible to determine the Interpolated Rate (which conclusion shall be conclusive and binding absent manifest error), then the Reference Bank Rate shall be the LIBO Rate for such Interest Period for such Eurocurrency Borrowing; provided that if the Reference

Bank Rate shall be less than zero, such rate shall be deemed to be zero for purposes of this Agreement; provided, further, however, that if less than two Reference Banks shall supply a rate to the Administrative Agent for purposes of determining the LIBO Rate for such Eurocurrency Borrowing, (i) if such Borrowing shall be requested in Dollars, then such Borrowing shall be made as an ABR Borrowing at the Alternate Base Rate and (ii) if such Borrowing shall be requested in any Foreign Currency, the LIBO Rate shall be equal to the rate determined by the Administrative Agent in its reasonable discretion after consultation with the Company and consented to in writing by the Required Lenders (the "Alternative Rate"); provided, however, that until such time as the Alternative Rate shall be determined and so consented to by the Required Lenders, Borrowings shall not be available in such Foreign Currency. It is hereby understood and agreed that, notwithstanding anything to the foregoing set forth in this Section 2.14(a), if at any time the conditions set forth in Section 2.14(c)(i) or (ii) are in effect, the provisions of this Section 2.14(a) shall no longer be applicable for any purpose of determining any alternative rate of interest under this Agreement and Section 2.14(c) shall instead be applicable for all purposes of determining any alternative rate of interest under this Agreement.

(b) If prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate (including, without limitation, because the LIBOR Screen Rate is not available or published on a current basis), as applicable, for a Loan in the applicable currency or for the applicable Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the LIBO Rate, as applicable, for a Loan in the applicable currency or for the applicable Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the applicable Borrower and the relevant Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies the applicable Borrower and the relevant Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing in the applicable currency or for the applicable Interest Period, as the case may be, shall be ineffective, (ii) if any Borrowing Request requests a Eurocurrency Borrowing in Dollars, such Borrowing shall be made as an ABR Borrowing and (iii) if any Borrowing Request requests a Eurocurrency Borrowing in a Foreign Currency, then the LIBO Rate for such Eurocurrency Borrowing shall be the Alternative Rate; provided that if the circumstances giving rise to such notice affect only one Type of Borrowings, then the other Type of Borrowings shall be permitted.

(c) Notwithstanding the foregoing, if at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in Section 2.14(b)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in Section 2.14(b)(i) have not arisen but either (w) the supervisor for the administrator of the LIBOR Screen Rate has made a public statement that the administrator of the LIBOR Screen Rate is insolvent (and there is no successor administrator that will continue publication of the LIBOR Screen Rate), (x) the administrator of the LIBOR Screen Rate has made a public statement identifying a specific date after which the LIBOR Screen Rate will permanently or

indefinitely cease to be published by it (and there is no successor administrator that will continue publication of the LIBOR Screen Rate), (y) the supervisor for the administrator of the LIBOR Screen Rate has made a public statement identifying a specific date after which the LIBOR Screen Rate will permanently or indefinitely cease to be published or (z) the supervisor for the administrator of the LIBOR Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBOR Screen Rate may no longer be used for determining interest rates for loans, then the Administrative Agent and the Company shall endeavor to establish an alternate rate of interest to the LIBO Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable (but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable Rate); provided that, if such alternate rate of interest as so determined would be less than zero, such rate shall be deemed to be zero for purposes of this Agreement. Notwithstanding anything to the contrary in Section 9.02, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five (5) Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this Section 2.14(c) (but, in the case of the circumstances described in clause (ii) of the first sentence of this Section 2.14(c), only to the extent the LIBOR Screen Rate for the applicable currency and such Interest Period is not available or published at such time on a current basis), (x) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing in the applicable currency or for the applicable Interest Period, as the case may be, shall be ineffective, (y) if any Borrowing Request requests a Eurocurrency Borrowing in Dollars, such Borrowing shall be made as an ABR Borrowing and (z) if any Borrowing Request requests a Eurocurrency Borrowing in a Foreign Currency, then such request shall be ineffective.

SECTION 2.15 Increased Costs. (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate) or any Issuing Bank;

(ii) impose on any Lender or any Issuing Bank or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, continuing, converting into or maintaining any Loan or of maintaining its obligation to make any such Loan or to increase the cost to such Lender, such Issuing Bank or such other Recipient of participating

in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender, such Issuing Bank or such other Recipient hereunder, whether of principal, interest or otherwise, then the applicable Borrower will pay to such Lender, such Issuing Bank or such other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, such Issuing Bank or such other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy and liquidity), then from time to time the applicable Borrower will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Company and shall be conclusive absent manifest error. The Company shall pay, or cause the other Borrowers to pay, such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Company shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section for any increased costs or reductions incurred more than 270 days prior to the date that such Lender or such Issuing Bank, as the case may be, notifies the Company of the Change in Law giving rise to such increased costs or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16 Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.11), (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(a) and is revoked in accordance therewith) or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Company pursuant to Section 2.19 or the CAM Exchange, then, in any such event, the Borrowers shall compensate each Lender for the loss, cost and expense attributable to such event. Such loss, cost or expense to any Lender shall be deemed to include an amount

determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in the relevant currency of a comparable amount and period from other banks in the eurocurrency market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the applicable Borrower and shall be conclusive absent manifest error. The applicable Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

SECTION 2.17 Taxes. (a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrowers. The relevant Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for, Other Taxes.

(c) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Loan Parties. The Loan Parties shall indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the relevant Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Status of Lenders. (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrowers and the Administrative Agent, at the time or times reasonably requested by the Borrowers or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrowers or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrowers or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrowers or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that any Borrower is a U.S. Person:

(A) any Lender that is a U.S. Person shall deliver to such Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of such Borrower or the Administrative Agent), an executed IRS Form W-9 certifying that such Lender is exempt from U.S. Federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to such Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of such Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, an executed IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) in the case of a Foreign Lender claiming that its extension of credit will generate U.S. effectively connected income, an executed IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit G-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of such Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) an executed IRS Form W-8BEN or IRS Form W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, an executed IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-2 or Exhibit G-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to such Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of such Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit such Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including

those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to such Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by such Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by such Borrower or the Administrative Agent as may be necessary for such Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Company and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.17 (including additional amounts paid pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including any Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Defined Terms. For purposes of this Section 2.17, the term "Lender" includes each Issuing Bank and the term "applicable law" includes FATCA.

(i) Compliance with Swiss Non-Bank Rules. Each Lender confirms that it is a Qualifying Bank or, if not, a single (1) person only for the purpose of the Swiss Non-Bank Rules and any other Person that shall become a Lender or a Participant pursuant to Section 9.04 shall be deemed to have confirmed that it is a Qualifying Bank or, if not, a single (1) person only for the purpose of Swiss Non-Bank Rules. The Swiss Borrower may request a Lender to confirm (i) whether or not it is (and each of its Participants are) a Qualifying Bank or (ii) whether it (or any of its Participants) does count as a single (1) person for purposes of the Swiss Non-Bank Rules, if it reasonably believes that that Lender's status has changed during the term of this Agreement.

(j) Certain FATCA Matters. For purposes of determining withholding Taxes imposed under FATCA, from and after September 23, 2014, the Loan Parties and the Administrative Agent shall treat (and the Lenders hereby authorize the Administrative Agent to treat) this Agreement and the Loans as not qualifying as “grandfathered obligations” within the meaning of Treasury Regulation Section 1.1471-2(b)(2)(i).

(k) VAT.

(i) All amounts set out or expressed in a Loan Document to be payable by any Loan Party to any Credit Party which (in whole or in part) constitute the consideration for a supply or supplies for VAT purposes shall be deemed to be exclusive of any VAT which is chargeable on such supply or supplies, and accordingly, subject to Section 2.17(k)(iii), if VAT is or becomes chargeable on any supply made by any Credit Party to any Loan Party under a Loan Document, that Loan Party shall pay to the Credit Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of such VAT (and the relevant Credit Party shall promptly provide an appropriate VAT invoice to such Loan Party).

(ii) Where a Loan Document requires any Loan Party to reimburse or indemnify a Credit Party for any cost or expense, that Loan Party shall reimburse or indemnify (as the case may be) such Credit Party for the full amount of such cost or expense, including such part as represents VAT, save to the extent that such Credit Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

(iii) If VAT is or becomes chargeable on any supply made by any Secured Party (the “Supplier”) to any other Secured Party (for purposes of this Section 2.17(k), the “Customer”) under a Loan Document, and any party other than the Customer (the “Relevant Party”) is required by the terms of any Loan Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Customer in respect of that consideration):

(A) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Customer must (where this paragraph (A) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Customer receives from the relevant tax authority which the Customer reasonably determines relates to the VAT chargeable on that supply; and

(B) (where the Customer is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Customer, pay to the Customer an amount equal to the VAT chargeable on that supply but only to the extent that the Customer reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.

(iv) Any reference in this Section 2.17(k) to any Loan Party or Relevant Party shall, at any time when such Loan Party or Relevant Party is treated as a member of a group or unity (or fiscal unity) for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the person who is treated at that time as making the supply,

or (as appropriate) receiving the supply, under the grouping rules (provided for in Article 11 of Council Directive of November 28, 2006 (2006/112/EC) (or as implemented by the relevant member state of the European Union or any other similar provision in any jurisdiction which is not a member state of the European Union) so that a reference to a Loan Party or Relevant Party shall be construed as a reference to that Loan Party or Relevant Party or the relevant group or unity (or fiscal unity) of which that Loan Party or Relevant Party is a member for VAT purposes at the relevant time or the relevant member (or head) of such group or unity (or fiscal unity) at such time (as the case may be).

(v) In relation to any supply made by a Credit Party to any Loan Party under a Loan Document, if reasonably requested by such Credit Party, that Loan Party must promptly provide such Credit Party with details of that Loan Party's VAT registration and such other information as is reasonably requested in connection with such Credit Party's VAT reporting requirements in relation to such supply.

(l) Survival. Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

**SECTION 2.18 Payments Generally; Allocations of Proceeds; Pro Rata Treatment; Sharing of Set offs.**

(a) Each Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to (i) in the case of payments denominated in Dollars, 12:00 noon, New York City time and (ii) in the case of payments denominated in a Foreign Currency, 12:00 noon, Local Time, in the city of the Administrative Agent's Eurocurrency Payment Office for such currency, in each case on the date when due, in immediately available funds, without set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made (i) in the same currency in which the applicable Credit Event was made (or where such currency has been converted to euro, in euro) and (ii) to the Administrative Agent at its offices at 10 South Dearborn Street, Chicago, Illinois 60603 or, in the case of a Credit Event denominated in a Foreign Currency, the Administrative Agent's Eurocurrency Payment Office for such currency, except payments to be made directly to any Issuing Bank or Swingline Lender as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments denominated in the same currency received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. Notwithstanding the foregoing provisions of this Section, if, after the making of any Credit Event in any Foreign Currency, currency control or exchange regulations are imposed in the country which issues such currency with the result that the type of currency in which the Credit Event was made (the "Original Currency") no longer exists or any Borrower is not able to make payment to the Administrative Agent for the account of the Lenders in such Original Currency, then all payments to be made by such Borrower hereunder in such currency shall instead be made when due in Dollars in an amount

equal to the Dollar Amount (as of the date of repayment) of such payment due, it being the intention of the parties hereto that the Borrowers take all risks of the imposition of any such currency control or exchange regulations.

(b) Any proceeds of Collateral received by the Administrative Agent (i) not constituting (A) a specific payment of principal, interest, fees or other sum payable under the Loan Documents (which shall be applied as specified by the Company) or (B) a mandatory prepayment (which shall be applied in accordance with Section 2.11) or (ii) after an Event of Default has occurred and is continuing and the Administrative Agent so elects or the Required Lenders so direct, such funds shall be applied ratably first, to pay any fees, indemnities, or expense reimbursements including amounts then due to the Administrative Agent and any Issuing Bank from any Borrower, second, to pay any fees or expense reimbursements then due to the Lenders from any Borrower, third, to pay interest then due and payable on the Loans ratably, fourth, to prepay principal on the Loans and unreimbursed LC Disbursements and any other amounts owing with respect to Banking Services Obligations and Swap Obligations ratably, fifth, to pay an amount to the Administrative Agent equal to one hundred five percent (105%) of the aggregate undrawn face amount of all outstanding Letters of Credit and the aggregate amount of any unpaid LC Disbursements, to be held as cash collateral for such Obligations and sixth, to the payment of any other Secured Obligation due to the Administrative Agent or any Lender by any Borrower. Notwithstanding the foregoing, amounts received from any Loan Party shall not be applied to any Excluded Swap Obligation of such Loan Party. Notwithstanding anything to the contrary contained in this Agreement, unless so directed by the Company, or unless a Default is in existence, none of the Administrative Agent or any Lender shall apply any payment which it receives to any Eurocurrency Loan of a Class, except (a) on the expiration date of the Interest Period applicable to any such Eurocurrency Loan or (b) in the event, and only to the extent, that there are no outstanding ABR Loans of the same Class and, in any event, the Borrowers shall pay the break funding payment required in accordance with Section 2.16. The Administrative Agent and the Lenders shall have the continuing and exclusive right to apply and reverse and reapply any and all such proceeds and payments to any portion of the Secured Obligations.

(c) At the election of the Administrative Agent, all payments of principal, interest, LC Disbursements, fees, premiums, reimbursable expenses (including, without limitation, all reimbursement for fees and expenses pursuant to Section 9.03), and other sums payable under the Loan Documents, may be paid from the proceeds of Borrowings made hereunder whether made following a request by a Borrower (or the Company on behalf of a Borrower) pursuant to Section 2.03 or a deemed request as provided in this Section or may be deducted from any deposit account of such Borrower maintained with the Administrative Agent. Each Borrower hereby irrevocably authorizes (i) the Administrative Agent to make a Borrowing for the purpose of paying each payment of principal, interest and fees as it becomes due hereunder or any other amount due under the Loan Documents and agrees that all such amounts charged shall constitute Loans (including Swingline Loans) and that all such Borrowings shall be deemed to have been requested pursuant to Sections 2.03 or 2.05, as applicable and (ii) the Administrative Agent to charge any deposit account of the relevant Borrower maintained with the Administrative Agent for each payment of principal, interest and fees as it becomes due hereunder or any other amount due under the Loan Documents.

(d) If, except as expressly provided herein, any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or participations in LC Disbursements or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and participations in LC Disbursements and Swingline Loans and accrued interest thereon than the proportion received

by any other similarly situated Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans and participations in LC Disbursements and Swingline Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by all such Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and participations in LC Disbursements and Swingline Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by any Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements and Swingline Loans to any assignee or participant, other than to the Company or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation.

(e) Unless the Administrative Agent shall have received notice from the relevant Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the relevant Issuing Bank hereunder that such Borrower will not make such payment, the Administrative Agent may assume that such Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the relevant Issuing Bank, as the case may be, the amount due. In such event, if such Borrower has not in fact made such payment, then each of the Lenders or the relevant Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation (including without limitation the Overnight Foreign Currency Rate in the case of Loans denominated in a Foreign Currency).

(f) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(c), 2.06(d) or (e), 2.07(b), 2.18(e) or 9.03(c), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender and for the benefit of the Administrative Agent, the Swingline Lender or the Issuing Banks to satisfy such Lender's obligations to it under such Section until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account over which the Administrative Agent shall have exclusive control as cash collateral for, and application to, any future funding obligations of such Lender under any such Section; in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

SECTION 2.19 Mitigation Obligations; Replacement of Lenders. (a) If any Lender requests compensation under Section 2.15, or if any Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.13(f) or Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its

rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.13(f), 2.15 or 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Company hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15, (ii) any Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or (iii) any Lender becomes a Defaulting Lender, then the Company may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights (other than its existing rights to payments pursuant to Sections 2.15 or 2.17) and obligations under the Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Company shall have received the prior written consent of the Administrative Agent (and if a Revolving Commitment is being assigned, the Issuing Banks and the Swingline Lender), which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Company (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.13(f) or Section 2.17, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Company to require such assignment and delegation cease to apply.

SECTION 2.20 Expansion Option. The Company may from time to time after the Restatement Effective Date elect to increase the total Multicurrency Tranche Commitments and/or the total Dollar Tranche Commitments or enter into one or more tranches of term loans (each an "Incremental Term Loan"), in each case in minimum increments of \$25,000,000 so long as, after giving effect thereto, the aggregate amount of such increases and all such Incremental Term Loans does not exceed the sum of (A) \$250,000,000 plus (B) an unlimited additional amount such that, in the case of this clause (B) only, after giving effect (including giving effect on a Pro Forma Basis reasonably acceptable to the Administrative Agent) to any such increase in the Multicurrency Tranche Commitments, increase in the Dollar Tranche Commitments and/or tranche of Incremental Term Loans (assuming that any such incremental Multicurrency Tranche Commitments, incremental Dollar Tranche Commitments and such Incremental Term Loans are drawn in full), the Senior Secured Leverage Ratio is equal to or less than the Applicable Senior Secured Leverage Ratio Level (other than to the extent such increased Multicurrency Tranche Commitments, such increased Dollar Tranche Commitments and/or such Incremental Term Loans are incurred pursuant to this clause (B) concurrently with the incurrence of increased Multicurrency Tranche Commitments, increased Dollar Tranche Commitments and/or Incremental Term Loans in reliance on clause (A) above, in which case the Senior Secured Leverage Ratio shall be permitted to exceed the Applicable Senior Secured Leverage Ratio Level to the extent of such increased Multicurrency Tranche Commitments,

increased Dollar Tranche Commitments and/or such Incremental Term Loans incurred in reliance on such clause (A)); provided that, for the avoidance of doubt, increased Multicurrency Tranche Commitments, increased Dollar Tranche Commitments and/or Incremental Term Loans may be incurred pursuant to this clause (B) prior to utilization of the amount set forth in clause (A) above. As used herein, “Applicable Senior Secured Leverage Ratio Level” means a ratio equal to (x) the numerator of the maximum Senior Secured Leverage Ratio permitted under Section 6.12(c) at such time minus 0.25 to (y) 1.00. The Company may arrange for any such increase or tranche to be provided by one or more Lenders (each Lender so agreeing to an increase in its Revolving Commitment, or to participate in such Incremental Term Loans, an “Increasing Lender”), or by one or more new banks, financial institutions or other institutional investors or entities (each such new bank, financial institution or other investor or entity, an “Augmenting Lender”; provided that no Ineligible Institution may be an Augmenting Lender), which agree to increase their existing Revolving Commitments, or to participate in such Incremental Term Loans, or provide new Revolving Commitments, as the case may be; provided that (i) each Augmenting Lender, shall be subject to the approval of the Company and the Administrative Agent and (ii) (x) in the case of an Increasing Lender, the Company and such Increasing Lender execute an agreement substantially in the form of Exhibit C hereto, and (y) in the case of an Augmenting Lender, the Company and such Augmenting Lender execute an agreement substantially in the form of Exhibit D hereto. No consent of any Lender (other than the Lenders participating in the increase or any Incremental Term Loan) shall be required for any increase in Revolving Commitments or Incremental Term Loan pursuant to this Section 2.20. Increases and new Revolving Commitments and Incremental Term Loans created pursuant to this Section 2.20 shall become effective on the date agreed by the Company, the Administrative Agent and the relevant Increasing Lenders or Augmenting Lenders, and the Administrative Agent shall notify each Lender thereof. Notwithstanding the foregoing, no increase in the Revolving Commitments (or in the Revolving Commitment of any Lender) or tranche of Incremental Term Loans shall become effective under this paragraph unless, (i) on the proposed date of the effectiveness of such increase or Incremental Term Loans, (A) the conditions set forth in paragraphs (a) and (b) of Section 4.02 shall be satisfied or waived by the Required Lenders and the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Financial Officer of the Company and (B) the Company shall be in compliance (on a Pro Forma Basis reasonably acceptable to the Administrative Agent) with the covenants contained in Section 6.12 and (ii) the Administrative Agent shall have received documents and opinions consistent with those delivered on the Restatement Effective Date as to the organizational power and authority of the Borrowers to borrow hereunder after giving effect to such increase. On the effective date of any increase in the Revolving Commitments of any Class or any Incremental Term Loans being made, (i) each relevant Increasing Lender and Augmenting Lender shall make available to the Administrative Agent such amounts in immediately available funds as the Administrative Agent shall determine, for the benefit of the other Lenders of such Class, as being required in order to cause, after giving effect to such increase and the use of such amounts to make payments to such other Lenders, each Lender’s portion of the outstanding Revolving Loans of such Class of all the Lenders to equal its Multicurrency Tranche Percentage or Dollar Tranche Percentage, as applicable, of such outstanding Revolving Loans, and (ii) the Borrowers shall be deemed to have repaid and reborrowed all outstanding Revolving Loans of such Class as of the date of any increase in the Revolving Commitments of such Class (with such reborrowing to consist of the Types of Revolving Loans of such Class, with related Interest Periods if applicable, specified in a notice delivered by

the applicable Borrower, or the Company on behalf of the applicable Borrower, in accordance with the requirements of Section 2.03). The deemed payments made pursuant to clause (ii) of the immediately preceding sentence shall be accompanied by payment of all accrued interest on the amount prepaid and, in respect of each Eurocurrency Loan, shall be subject to indemnification by the Borrowers pursuant to the provisions of Section 2.16 if the deemed payment occurs other than on the last day of the related Interest Periods. The Incremental Term Loans (a) shall rank pari passu in right of payment and security with the Revolving Loans, the Initial Term Loans and any other Loans hereunder, (b) shall not mature earlier than the Maturity Date (but may have amortization prior to such date) and (c) shall be treated substantially the same as (and in any event no more favorably than) the Revolving Loans, the Initial Term Loans and any other Loans hereunder; provided that (i) the terms and conditions applicable to any tranche of Incremental Term Loans maturing after the Maturity Date may provide for material additional or different financial or other covenants or prepayment requirements applicable only during periods after the Maturity Date (or, in the case of Incremental Term Loans marketed as term “B” loans to institutional investors (“Incremental Term B Loans”), such covenants and prepayment requirements may be applicable prior to the Maturity Date if, in the reasonable judgment of the Company and the Administrative Agent, such covenants and prepayment requirements are customarily included for such loans and, in the case of such prepayments, such Incremental Term B Loans may participate in such prepayments on a pro rata basis or a less than pro rata basis (but not a greater than pro rata basis) with any other term loans hereunder) and (ii) the Incremental Term Loans may be priced differently than (and may have most favored nation (MFN) pricing provisions not applicable to) the Revolving Loans, the Initial Term Loans and any other Loans hereunder, (iii) the Weighted Average Life to Maturity of any Incremental Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of any other term loans hereunder and Incremental Term Loans with the longest remaining Weighted Average Life to Maturity, (iv) any Incremental Term Loan Amendment with respect to Incremental Term B Loans may (A) include such features as are, in the reasonable judgment of the Borrower and the Administrative Agent, customarily applicable to such type of loans (including but not limited to the ability to do refinancing amendments, extensions/loan modification offers and repurchases of such Incremental Term B Loans and limitations on the applicability of financial covenants to such Incremental Term B Loans) and (B) may provide for additional Collateral hereunder so long as such Collateral is shared on a pari passu basis with the Revolving Loans, the Initial Term Loans and any other Loans hereunder and (v) any lenders holding Incremental Term B Loans may agree in advance pursuant to an Incremental Term Loan Amendment to certain modifications to the negative (but not financial maintenance) covenants set forth in Article VI hereof so long as such modifications shall not be applicable under this Agreement until such time as, and to the extent that, the Required Lenders (calculated without giving effect to the lenders holding such Incremental Term B Loans) have otherwise approved such modifications. Incremental Term Loans may be made hereunder pursuant to an amendment or restatement (an “Incremental Term Loan Amendment”) of this Agreement and, as appropriate, the other Loan Documents, executed by the Borrowers, each Increasing Lender participating in such tranche, each Augmenting Lender participating in such tranche, if any, and the Administrative Agent. In addition to the matters set forth in clauses (i)-(v) above, the Incremental Term Loan Amendment may, without the consent of any Lenders (other than the Lenders providing such Incremental Term Loans), effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent, to effect the provisions of this Section 2.20.

Nothing contained in this Section 2.20 shall constitute, or otherwise be deemed to be, a commitment on the part of any Lender to increase its Revolving Commitment hereunder, or provide Incremental Term Loans, at any time.

SECTION 2.21 [Intentionally Omitted].

SECTION 2.22 Judgment Currency. If for the purposes of obtaining judgment in any court it is necessary to convert a sum due from any Borrower hereunder in the currency expressed to be payable herein (the “specified currency”) into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the specified currency with such other currency at the Administrative Agent’s main New York City office on the Business Day preceding that on which final, non-appealable judgment is given. The obligations of each Borrower in respect of any sum due to any Lender or the Administrative Agent hereunder shall, notwithstanding any judgment in a currency other than the specified currency, be discharged only to the extent that on the Business Day following receipt by such Lender or the Administrative Agent (as the case may be) of any sum adjudged to be so due in such other currency such Lender or the Administrative Agent (as the case may be) may in accordance with normal, reasonable banking procedures purchase the specified currency with such other currency. If the amount of the specified currency so purchased is less than the sum originally due to such Lender or the Administrative Agent, as the case may be, in the specified currency, each Borrower agrees, to the fullest extent that it may effectively do so, as a separate obligation and notwithstanding any such judgment, to indemnify such Lender or the Administrative Agent, as the case may be, against such loss, and if the amount of the specified currency so purchased exceeds (a) the sum originally due to any Lender or the Administrative Agent, as the case may be, in the specified currency and (b) any amounts shared with other Lenders as a result of allocations of such excess as a disproportionate payment to such Lender under Section 2.18, such Lender or the Administrative Agent, as the case may be, agrees to remit such excess to such Borrower.

SECTION 2.23 Designation of Subsidiary Borrowers. The Initial Subsidiary Borrowers shall continue as Subsidiary Borrowers party to this Agreement until the Company shall have executed and delivered to the Administrative Agent a Borrowing Subsidiary Termination with respect to any such Subsidiary, whereupon such Subsidiary shall cease to be a Subsidiary Borrower and a party to this Agreement. After the Original Effective Date, the Company may at any time and from time to time designate any Eligible Subsidiary as a Subsidiary Borrower by delivery to the Administrative Agent of a Borrowing Subsidiary Agreement executed by such Subsidiary and the Company and the satisfaction of the other conditions precedent set forth in Section 4.03, and upon such delivery and satisfaction such Subsidiary shall for all purposes of this Agreement be a Subsidiary Borrower and a party to this Agreement until the Company shall have executed and delivered to the Administrative Agent a Borrowing Subsidiary Termination with respect to such Subsidiary, whereupon such Subsidiary shall cease to be a Subsidiary Borrower and a party to this Agreement. Notwithstanding the preceding sentence, no Borrowing Subsidiary Termination will become effective as to any Subsidiary Borrower at a time when any principal of or interest on any Loan to such Borrower shall be outstanding hereunder, provided that such Borrowing Subsidiary Termination shall be effective to terminate the right of such Subsidiary Borrower to make further

Borrowings under this Agreement. As soon as practicable upon receipt of a Borrowing Subsidiary Agreement, the Administrative Agent shall furnish a copy thereof to each Lender.

SECTION 2.24 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.12(a);

(b) the Commitment and Revolving Credit Exposure of such Defaulting Lender shall not be included in determining whether the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 9.02); provided, that any amendment, waiver or other modification requiring the consent of all Lenders or all Lenders directly affected thereby shall, except as otherwise provided in Section 9.02, require the consent of such Defaulting Lender in accordance with the terms hereof;

(c) if any Swingline Exposure or LC Exposure exists at the time such Lender becomes a Defaulting Lender then:

(i) all or any part of the Swingline Exposure and LC Exposure of such Defaulting Lender (other than the portion of such Swingline Exposure referred to in clause (b) of the definition of such term) shall be reallocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentages but only to the extent that (x) the sum of all non-Defaulting Lenders' Revolving Credit Exposures plus such Defaulting Lender's Swingline Exposure and LC Exposure does not exceed the total of all non-Defaulting Lenders' Revolving Commitments and (y) no Event of Default has occurred and is continuing at such time;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Company shall within one (1) Business Day following notice by the Administrative Agent (x) first, prepay such Swingline Exposure and (y) second, cash collateralize for the benefit of each Issuing Bank only the Borrowers' obligations corresponding to such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 2.06(j) for so long as such LC Exposure is outstanding;

(iii) if the Company cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to clause (ii) above, the Borrowers shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.12(b) with respect to such Defaulting Lender's LC Exposure during the period such Defaulting Lender's LC Exposure is cash collateralized;

(iv) if the LC Exposure of the non-Defaulting Lenders is reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Section 2.12(a) and Section 2.12(b) shall be adjusted in accordance with such non-Defaulting Lenders' Applicable Percentages; and

(v) if all or any portion of such Defaulting Lender's LC Exposure is neither reallocated nor cash collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of any Issuing Bank or any other Lender hereunder, all letter of credit fees payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the relevant Issuing Bank until and to the extent that such LC Exposure is reallocated and/or cash collateralized; and

(d) so long as such Lender is a Defaulting Lender, the Swingline Lender shall not be required to fund any Swingline Loan and no Issuing Bank shall be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure and the Defaulting Lender's then outstanding LC Exposure will be 100% covered by the Revolving Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Company in accordance with Section 2.24(c), and participating interests in any such newly made Swingline Loan or any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.24(c)(i) (and such Defaulting Lender shall not participate therein).

If (i) a Bankruptcy Event or a Bail-In Action with respect to any Lender Parent shall occur following the Original Effective Date and for so long as such event shall continue or (ii) the Swingline Lender or any Issuing Bank has a good faith belief that any Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, the Swingline Lender shall not be required to fund any Swingline Loan and no Issuing Bank shall be required to issue, amend or increase any Letter of Credit, unless the Swingline Lender or the relevant Issuing Bank, as the case may be, shall have entered into arrangements with the Company or such Lender, satisfactory to the Swingline Lender or such Issuing Bank, as the case may be, to defease any risk to it in respect of such Lender hereunder.

In the event that the Administrative Agent, the Company, the Swingline Lender and each Issuing Bank each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swingline Exposure and LC Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Revolving Commitment and on such date such Lender shall purchase at par such of the Revolving Loans of the other Lenders (other than Swingline Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Applicable Percentage.

### ARTICLE III

#### Representations and Warranties

The Company and each other Borrower represents and warrants to the Lenders that:

SECTION 3.01 Organization; Powers; Subsidiaries. Each of the Company and its Subsidiaries is duly organized, validly existing and in good standing (to the extent such concept is applicable in the relevant jurisdiction) under the laws of the jurisdiction of its organization, has all requisite power and authority to carry on its business as now conducted and, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and is in good standing (to the extent such concept is applicable) in, every jurisdiction where such qualification is required. Schedule 3.01A hereto (as supplemented from time to time) identifies each Subsidiary, noting whether such Subsidiary is a Material Subsidiary, the jurisdiction of its incorporation or organization, as the case may be, the percentage of issued and outstanding shares of each class of its capital stock or other equity interests

owned by the Company and the other Subsidiaries and, if such percentage is not 100% (excluding directors' qualifying shares as required by law), a description of each class issued and outstanding. All of the outstanding shares of capital stock and other equity interests of each Subsidiary are validly issued and outstanding and fully paid and nonassessable and all such shares and other equity interests indicated on Schedule 3.01A as owned by the Company or another Subsidiary are owned, beneficially and of record, by the Company or any Subsidiary free and clear of all Liens, other than Liens created under the Loan Documents. Except as described on Schedule 3.01B hereto, there are no outstanding commitments or other obligations of the Company or any Subsidiary to issue, and no options, warrants or other rights of any Person to acquire, any shares of any class of capital stock or other equity interests of the Company or any Subsidiary. The Company and each Subsidiary Borrower incorporated in a European Union jurisdiction represents and warrants to the Lenders that its centre of main interest (as that term is used in Article 3(1) of the Insolvency Regulation) is in its jurisdiction of incorporation and it has no establishment (as that term is used in Article 2(h) of the Insolvency Regulation) in any other jurisdiction.

SECTION 3.02 Authorization; Enforceability. The Transactions are within each Loan Party's organizational powers and have been duly authorized by all necessary organizational actions and, if required, actions by equity holders. The Loan Documents to which each Loan Party is a party have been duly executed and delivered by such Loan Party and constitute a legal, valid and binding obligation of such Loan Party, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 3.03 Governmental Approvals; No Conflicts. (b) (i) Each U.S. Loan Party will cause, and will cause each of its subsidiaries which is a Material Subsidiary to cause, all of its owned personal property (whether tangible, intangible, or mixed) to be subject at all times to first priority, perfected Liens in favor of the Administrative Agent, on behalf of itself and the other Secured Parties, to secure the Secured Obligations in accordance with the terms and conditions of the Collateral Documents, subject in any case to Liens permitted by Section 6.02. Without limiting the generality of the foregoing, each U.S. Loan Party will cause the Applicable Pledge Percentage of the issued and outstanding Equity Interests of each Pledge Subsidiary directly or indirectly owned by such U.S. Loan Party to be subject at all times to

Notwithstanding the foregoing, no such pledge agreement in respect of the Equity Interests of a Foreign Subsidiary shall be required hereunder (A) until the date that occurs sixty (60) days after the Restatement Effective Date or such later date as the Administrative Agent may agree in the exercise of its reasonable discretion with respect thereto, and (B) to the extent the Administrative Agent or its counsel determines that such pledge would not, in light of the cost and expense associated therewith, provide material credit support for the benefit of the Secured Parties pursuant to legally valid, binding and enforceable pledge agreements.

(ii) At any time after the Restatement Effective Date, to the extent the Administrative Agent so elects in its reasonable discretion after consultation with the Company, the Administrative Agent may require the Company or any Loan Party (any such Person, an “Additional Collateral Loan Party”) to comply with the provisions of this Section 5.09, in which case the Company will cause, or will cause the applicable Loan Party to cause, all (or the portion required by the Administrative Agent) of its owned personal property (whether tangible, intangible, or mixed) to be subject at all times to first priority, perfected Liens in favor of the Administrative Agent, on behalf of itself and the other Secured Parties, to secure the Secured Obligations in accordance with the terms and conditions of the Collateral Documents, subject in any case to Liens permitted by Section 6.02. Without limiting the generality of the foregoing, each Additional Collateral Loan Party will, to the extent required by the Administrative Agent, cause 100% of the issued and outstanding Equity Interests of each Pledge Subsidiary directly owned by such Additional Collateral Loan Party to be subject at all times to a first priority, perfected Lien in favor of the Administrative Agent to secure the Secured Obligations in accordance with the terms and conditions of the Collateral Documents or such other pledge and security documents as the Administrative Agent shall reasonably request, all within such time period as is reasonably required by the Administrative Agent. Notwithstanding the foregoing, no such pledge agreement in respect of the Equity Interests of a Foreign Subsidiary shall be required hereunder to the extent the Administrative Agent or its counsel determines that such pledge would not, in light of the cost and expense associated therewith, provide material credit support for the benefit of the Secured Parties pursuant to legally valid, binding and enforceable pledge agreements.

(c) Without limiting the foregoing, the Company will, and will cause each Subsidiary to, execute and deliver, or cause to be executed and delivered, to the Administrative Agent such documents, agreements and instruments, and will take or cause to be taken such further actions (including the filing and recording of financing statements and other documents and such other actions or deliveries of the type required by Section 3 of the Amendment and Restatement Agreement, as applicable), which may be required by law or which the Administrative Agent may, from time to time, reasonably request to carry out the terms and conditions of this Agreement and the other Loan Documents and to ensure perfection and priority of the Liens created or intended to be created by the Collateral Documents, all at the expense of the Company.

(d) Subject to the limitations set forth in Section 10.02 below, if any assets (excluding any real property or improvements thereto or any interest therein) are acquired by a Loan Party that has previously entered into (or has been required by the Administrative Agent to enter into) a Security Agreement (other than assets constituting Collateral under the Security Agreement that become

SECTION 5.10 Compliance with Swiss Non-Bank Rules.

(a) The Swiss Borrower shall be compliant with the Swiss Non-Bank Rules; provided however that the Swiss Borrower shall not be in breach of this Section 5.10 if such number of creditors (which are not Qualifying Banks) is exceeded solely by reason of a breach by one or more Lenders of a confirmation contained in Section 2.17(i) or a failure by one or more Lenders to comply with their obligations and transfer restrictions in Section 9.04.

(b) For the purposes of paragraph (a) above, the Swiss Borrower shall assume that the aggregate number of Lenders which are not Qualifying Banks is five (5).

SECTION 6.05 Swap Agreements. Notwithstanding the foregoing, the Company may repurchase, exchange or induce the conversion of Permitted Convertible Notes by delivery of shares of the Company’s common stock and/or a different series of Permitted Convertible Notes (which series (x) matures after, and does not require any scheduled

amortization or other scheduled payments of principal prior to, the analogous date under the indenture governing the Permitted Convertible Notes that are so repurchased, exchanged or converted and (y) has terms, conditions and covenants that are no less favorable to the Company than the Permitted Convertible Notes that are so repurchased, exchanged or converted (as determined by the board of directors of the Company, or a committee thereof, in good faith)) (any such series of Permitted Convertible Notes, "Refinancing Convertible Notes") and/or by payment of cash (in an amount that does not exceed the proceeds received by the Company from the substantially concurrent issuance of shares of the Company's common stock and/or Refinancing Convertible Notes plus the net cash proceeds, if any, received by the Company pursuant to the related exercise or early unwind or termination of the related Permitted Call Spread Swap Agreements pursuant to the immediately following proviso); provided that, substantially concurrently with, or a commercially reasonable period of time before or after, the related settlement date for the Permitted Convertible Notes that are so repurchased, exchanged or converted, the Company shall (and, for the avoidance of doubt, shall be permitted under this Section 6.07 to) exercise or unwind or terminate early (whether in cash, shares or any combination thereof) the portion of the Permitted Call Spread Swap Agreements, if any, corresponding to such Permitted Convertible Notes that are so repurchased, exchanged or converted.

SECTION 6.08 Restrictive Agreements. The Company will not, and will not permit any of its Subsidiaries to, directly or indirectly, enter into, incur or permit to exist any agreement or other arrangement that prohibits, restricts or imposes any condition upon (a) the ability of the Company or any Subsidiary to create, incur or permit to exist any Lien upon any of its property or assets, or (b) the ability of any Subsidiary to pay dividends or other distributions with respect to holders of its Equity Interests or to make or repay loans or advances to the Company or any other Subsidiary or to Guarantee Indebtedness of the Company or any other Subsidiary; provided that (i) the foregoing shall not apply to (A) restrictions and conditions imposed by law, (B) restrictions and conditions imposed by the indentures governing the 2022 Senior Unsecured Notes and the 2026 Senior Unsecured Notes, (C) restrictions or conditions set forth in any agreement governing Indebtedness permitted by Section 6.01(h); provided that such restrictions and conditions are customary and on then market terms for such Indebtedness and are no more restrictive (taken as a whole) than the comparable restrictions and conditions set forth in this Agreement (all as reasonably determined in the good faith judgment of the Management Board of the Company), or (D) restrictions and conditions imposed by any Loan Document, (ii) the foregoing shall not apply to customary restrictions and conditions contained in agreements relating to the sale of a Subsidiary pending such sale, provided such restrictions and conditions apply only to the Subsidiary that is to be sold and such sale is permitted hereunder, (iii) clause (a) of the foregoing shall not apply to restrictions or conditions imposed by any agreement relating to secured Indebtedness permitted by this Agreement if such restrictions or conditions apply only to the property or assets securing such Indebtedness and (iv) clause (a) of the foregoing shall not apply to customary provisions in leases and other contracts restricting the assignment thereof.

Furthermore, the Company will not, and will not permit any Subsidiary to, amend the Subordinated Indebtedness Documents or any document, agreement or instrument evidencing any Indebtedness incurred pursuant to the Subordinated Indebtedness

Documents (or any replacements, substitutions, extensions or renewals thereof) or pursuant to which such Indebtedness is issued where such amendment, modification or supplement provides for the following or which has any of the following effects:

(a) increases the overall principal amount of any such Indebtedness or increases the amount of any single scheduled installment of principal or interest;

(b) shortens or accelerates the date upon which any installment of principal or interest becomes due or adds any additional mandatory redemption provisions;

(c) shortens the final maturity date of such Indebtedness or otherwise accelerates the amortization schedule with respect to such Indebtedness;

(d) increases the rate of interest accruing on such Indebtedness;

(e) provides for the payment of additional fees or increases existing fees;

(f) amends or modifies any financial or negative covenant (or covenant which prohibits or restricts the Company or any Subsidiary from taking certain actions) in a manner which is more onerous or more restrictive in any material respect to the Company or such Subsidiary or which is otherwise materially adverse to the Company, any Subsidiary and/or the Lenders or, in the case of any such covenant, which places material additional restrictions on the Company or such Subsidiary or which requires the Company or such Subsidiary to comply with more restrictive financial ratios or which requires the Company to better its financial performance, in each case from that set forth in the existing applicable covenants in the Subordinated Indebtedness Documents or the applicable covenants in this Agreement; or

(g) amends, modifies or adds any affirmative covenant in a manner which (i) when taken as a whole, is materially adverse to the Company, any Subsidiary and/or the Lenders or (ii) is more onerous than the existing applicable covenant in the Subordinated Indebtedness Documents or the applicable covenant in this Agreement.

If any Permitted Convertible Notes constitute Subordinated Indebtedness, this Section 6.09 will not apply to the conversion of such Permitted Convertible Notes or the election or deemed election of a settlement method by the Company with respect thereto, any transaction effected in accordance with the third paragraph of Section 6.07 or any amendment, modification or supplement to such Permitted Convertible Notes that is expressly required to be made under the terms thereof.

The Company will not permit the ratio (the "Senior Secured Leverage Ratio"), determined as of the end of each of its fiscal quarters ending on and after June 30, 2017, of (i) Consolidated Senior Secured Indebtedness to (ii) Consolidated EBITDA for the period of four (4) consecutive fiscal quarters ending with the end of such fiscal quarter, all calculated for the Company and its Subsidiaries on a consolidated basis, to be greater than 3.25 to 1.00.

(d) Permissible Increase to Leverage Ratios. Notwithstanding the foregoing, the Company shall be permitted, but in no event on more than three (3) occasions during the term of this Agreement, to allow (i) the maximum permitted Leverage Ratio under Section 6.12(a) to be increased to 5.00 to 1.00 and the (ii) the maximum permitted Senior Secured Leverage Ratio under Section 6.12(c) to be increased to 3.50 to 1.00, in each case for a period of four consecutive fiscal quarters (such period, an "Adjusted Covenant Period") in connection with a Permitted Acquisition occurring during the first of such four fiscal quarters if the aggregate consideration paid or to be paid in respect of such acquisition exceeds \$125,000,000 (and in respect of which the Company shall provide notice in writing to the Administrative Agent (for distribution to the Lenders) of such increase and a transaction description of such acquisition (including the name of the person or summary description of the assets being acquired and the approximate purchase price)), so long as the Company is in compliance on a pro forma basis with both (i) the maximum Leverage Ratio of 5.00 to 1.00 and (ii) the maximum Senior Secured Leverage Ratio of 3.50 to 1.00, in each case on the closing date of such acquisition immediately after giving effect (including Pro Forma Effect) to such acquisition; provided that it is understood and agreed that (x) the Company may not elect a new Adjusted Covenant Period for at least two (2) fiscal quarters following the end of an Adjusted Covenant Period and (y) at the end of an Adjusted Covenant Period, both (i) the maximum permitted Leverage Ratio shall revert to 4.75 to 1.00 and (ii) the maximum permitted Senior Secured Leverage Ratio shall revert to 3.25 to 1.00, in each case as of the fiscal quarter end immediately following such Adjusted Covenant Period and thereafter until another Adjusted Covenant Period (if any) is elected pursuant to the terms and conditions described above.

(j) the Company, any other Borrower or any Significant Subsidiary shall become unable, admit in writing its inability or fail generally to pay its debts as they become due;

(k) one or more judgments for the payment of money in an aggregate amount in excess of \$35,000,000 shall be rendered against the Company, any Subsidiary or any combination thereof and the same shall remain undischarged for a period of thirty (30) consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to attach or levy upon any assets of the Company or any Subsidiary to enforce any such judgment;

(o) any material provision of any Loan Document for any reason ceases to be valid, binding and enforceable in accordance with its terms (or the Company or any Subsidiary shall challenge the enforceability of any Loan Document or shall assert in writing, or engage in any action

or inaction based on any such assertion, that any provision of any of the Loan Documents has ceased to be or otherwise is not valid, binding and enforceable in accordance with its terms); or

(p) any Collateral Document shall for any reason fail to create a valid and perfected first priority security interest in any portion of the Collateral purported to be covered thereby, except as permitted by the terms of any Loan Document;

then, and in every such event (other than an event with respect to the Company or any Borrower described in clause (h) or (i) of this Article), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Company, take any or all of the following actions, at the same or different times: (i) terminate the Commitments (and the Letter of Credit Commitments), and thereupon the Commitments (and the Letter of Credit Commitments) shall terminate immediately, (ii) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other Secured Obligations of the Borrowers accrued hereunder and under the other Loan Documents, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrowers, and (iii) require cash collateral for the LC Exposure in accordance with Section 2.06(j); and in case of any event with respect to the Company or any other Borrower described in clause (h) or (i) of this Article, the Commitments (and the Letter of Credit Commitments) shall automatically terminate and the principal of the Loans then outstanding and cash collateral for the LC Exposure, together with accrued interest thereon and all fees and other Secured Obligations accrued hereunder and under the other Loan Documents, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrowers. Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent may, and at the request of the Required Lenders shall, exercise any rights and remedies provided to the Administrative Agent under the Loan Documents or at law or equity, including all remedies provided under the UCC.

## ARTICLE VIII

### The Administrative Agent

Each of the Lenders, on behalf of itself and any of its Affiliates that are Secured Parties, and the Issuing Banks hereby irrevocably appoints the Administrative Agent as its agent and authorizes the Administrative Agent to take such actions on its behalf, including execution of the other Loan Documents, and to exercise such powers as are delegated to the Administrative Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. In addition, to the extent required under the laws of any jurisdiction other than the United States of America, each of the Lenders, on behalf of itself and any of its Affiliates that are Secured Parties, and each of the Issuing Banks hereby grants to the Administrative Agent any required powers of attorney to execute any Collateral Document governed by the laws of such jurisdiction on such Lender's or such Issuing Bank's behalf. The provisions of this Article are solely for the benefit of the Administrative Agent and the Lenders (including the Swingline Lender and the Issuing Banks), and neither the Company nor any other Loan Party shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" as used herein or in any other Loan Documents (or any similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

The bank serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and such bank and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with Company or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent hereunder.

The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Loan Documents that the Administrative Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02), and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Company or any of its Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Company or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or in connection with any Loan Document, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the creation, perfection or priority of Liens on the Collateral or the existence of the Collateral or (vi) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (who may be counsel for the Company), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Subject to the appointment and acceptance of a successor Administrative Agent as provided in this paragraph, the Administrative Agent may resign at any time by notifying the Lenders, the Issuing Banks and the Company. Upon any such resignation, the Required Lenders shall have the right, in consultation with the Company, to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (d)(1) of the definition thereof, the Required Lenders may, to the extent permitted by applicable law, by notice in writing to the Company and such Person remove such Person as Administrative Agent and, in consultation with the Company, appoint a successor Administrative Agent which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days (the “Removal Effective Date”), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring or removed Administrative Agent, and the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder. The fees payable by any Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between such Borrower and such successor. After the Administrative Agent’s resignation or removal hereunder, the provisions of this Article and Section 9.03 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent.

Each Lender acknowledges and agrees that the extensions of credit made hereunder are commercial loans and letters of credit and not investments in a business enterprise or securities. Each Lender further represents that it is engaged in making, acquiring or holding commercial loans in the ordinary course of its business and has, independently and without reliance upon the Administrative Agent, any arranger of the credit facilities evidenced by this Agreement or any other Lender and their respective Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder. Each Lender shall, independently and without reliance upon the Administrative Agent, any arranger of the credit facilities evidenced by this Agreement or any amendment thereof or any other Lender and their respective Related Parties and based on such documents and information (which may contain material, non-public information within the meaning of the United States securities laws concerning the Company and its Affiliates) as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any related agreement or any document furnished hereunder or thereunder and in deciding whether or to the extent to which it will continue as a Lender or assign or otherwise transfer its rights, interests and obligations hereunder.

None of the Lenders, if any, identified in this Agreement as a Co-Syndication Agent or Co-Documentation Agent shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such. Without limiting the foregoing, none of such Lenders shall have or be deemed to have a fiduciary relationship with any Lender. Each Lender hereby makes the same acknowledgments with respect to the relevant Lenders in their respective capacities as Co-Syndication Agent or Co-Documentation Agent, as applicable, as it makes with respect to the Administrative Agent in the preceding paragraph.

The Lenders are not partners or co-venturers, and no Lender shall be liable for the acts or omissions of, or (except as otherwise set forth herein in case of the Administrative Agent) authorized to act for, any other Lender. The Administrative Agent shall have the exclusive right on behalf of the Lenders to enforce the payment of the principal of and interest on any Loan after the date such principal or interest has become due and payable pursuant to the terms of this Agreement.

In its capacity, the Administrative Agent is a “representative” of the Secured Parties within the meaning of the term “secured party” as defined in the New York Uniform Commercial Code. Each Lender authorizes the Administrative Agent to enter into each of the Collateral Documents to which it is a party and to take all action contemplated by such documents. Each Lender agrees that no Secured Party (other than the Administrative Agent) shall have the right individually to seek to realize upon the security granted by any Collateral Document, it being understood and agreed that such rights and remedies may be exercised solely by the Administrative Agent, on behalf of itself and the other Secured Parties, upon the terms of the Collateral Documents. In the event that any Collateral is hereafter pledged by any Person as collateral security for the Secured Obligations, the Administrative Agent is hereby authorized, and hereby granted a power of attorney, to execute and deliver on behalf of the Secured Parties any Loan Documents necessary or appropriate to grant and perfect a Lien on such Collateral in favor of the Administrative Agent, on behalf of itself and the other Secured Parties. The Lenders hereby authorize the Administrative Agent, at its option and in its discretion, to release any Lien granted to or held by the Administrative Agent upon any Collateral (i) as described in Section 9.02(d); (ii) as permitted by, but only in accordance with, the terms of the applicable Loan Document; or (iii) if approved, authorized or ratified in writing by the Required Lenders, unless such release is required to be approved by all of the Lenders hereunder. Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Administrative Agent’s authority to release particular types or items of Collateral pursuant hereto. Upon any sale or transfer of assets constituting Collateral which is permitted pursuant to the terms of any Loan Document, or consented to in writing by the Required Lenders or all of the Lenders, as applicable, and upon at least five (5) Business Days’ prior written request by the Company to the Administrative Agent, the Administrative Agent shall (and is hereby irrevocably authorized by the Lenders to) execute such documents as may be necessary to evidence the release of the Liens granted to the Administrative Agent, on behalf of itself and the other Secured Parties, herein or pursuant hereto upon the Collateral that was sold or transferred; provided, however, that (i) the Administrative Agent shall not be required to execute any such document on terms which, in the Administrative Agent’s opinion, would expose the Administrative Agent to liability or create any obligation or entail any consequence other than the release of such Liens without recourse or warranty, and (ii) such release shall not in any manner discharge, affect or impair the Secured Obligations or any Liens upon (or obligations of the Company or any Subsidiary in respect of) all interests retained by the Company or any Subsidiary, including (without limitation) the proceeds of the sale, all of which shall continue to constitute part of the Collateral. Any execution and delivery by the Administrative Agent of documents in connection with any such release shall be without recourse to or warranty by the Administrative Agent.

In case of the pendency of any proceeding with respect to any Loan Party under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, the Administrative Agent (irrespective of whether the principal of any Loan or any LC Disbursement shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Company) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, LC Exposure and all other Secured Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the

claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim under Sections 2.12, 2.13, 2.15, 2.16, 2.17 and 9.03) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Lender, each Issuing Bank and each other Secured Party to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, the Issuing Banks or the other Secured Parties, to pay to the Administrative Agent any amount due to it, in its capacity as the Administrative Agent, under the Loan Documents (including under Section 9.03).

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Secured Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Secured Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Secured Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Secured Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Secured Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 9.02 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Secured Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Secured Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Secured Obligations assigned to the acquisition vehicle exceeds the amount of Secured Obligations credit bid by the acquisition vehicle or otherwise), such Secured Obligations shall automatically be reassigned to the Secured Parties pro rata and the equity interests and/or debt instruments

issued by any acquisition vehicle on account of such Secured Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Secured Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

Each Borrower, on its behalf and on behalf of its Subsidiaries, and each Lender, on its behalf and on the behalf of its Affiliates which are Secured Parties, hereby irrevocably constitute the Administrative Agent as the holder of an irrevocable power of attorney (*fondé de pouvoir* within the meaning of Article 2692 of the Civil Code of Québec) in order to hold hypothecs and security granted by the Company or any Subsidiary on property pursuant to the laws of the Province of Québec to secure obligations of the Company or any Subsidiary under any bond, debenture or similar title of indebtedness issued by the Company or any Subsidiary in connection with this Agreement, and agree that the Administrative Agent may act as the bondholder and mandatary with respect to any bond, debenture or similar title of indebtedness that may be issued by the Company or any Subsidiary and pledged in favor of the Secured Parties in connection with this Agreement. Notwithstanding the provisions of Section 32 of the An Act respecting the special powers of legal persons (Québec), JPMorgan Chase Bank, N.A. as Administrative Agent may acquire and be the holder of any bond issued by the Company or any Subsidiary in connection with this Agreement (i.e., the *fondé de pouvoir* may acquire and hold the first bond issued under any deed of hypothec by the Company or any Subsidiary).

The Administrative Agent is hereby authorized to execute and deliver any documents necessary or appropriate to create and perfect the rights of pledge for the benefit of the Secured Parties including a right of pledge with respect to the entitlements to profits, the balance left after winding up and the voting rights of the Company as ultimate parent of any subsidiary of the Company which is organized under the laws of the Netherlands and the Equity Interests of which are pledged in connection herewith (a "Dutch Pledge"). Without prejudice to the provisions of this Agreement and the other Loan Documents, the parties hereto acknowledge and agree with the creation of parallel debt obligations of the Company or any relevant Subsidiary as described in any Dutch Pledge existing prior to the Restatement Effective Date, including that any payment received by the Administrative Agent in respect of such parallel debt obligations will - conditionally upon such payment not subsequently being avoided or reduced by virtue of any provisions or enactments relating to bankruptcy, insolvency, preference, liquidation or similar laws of general application - be deemed a satisfaction of a pro rata portion of the corresponding amounts of the Secured Obligations, and any payment to the Secured Parties in satisfaction of the Secured Obligations shall - conditionally upon such payment not subsequently being avoided or reduced by virtue of any provisions or enactments relating to bankruptcy, insolvency, preference, liquidation or similar laws of general application - be deemed as satisfaction of a pro rata portion of the corresponding amount of the Secured Obligations. The parties hereto acknowledge and agree that, for purposes of a Dutch Pledge, any resignation by the Administrative Agent is not effective until its rights under the parallel debt obligations described in such Dutch Pledge are assigned to the successor Administrative Agent.

The Company and each relevant Subsidiary which agree to provide security pursuant to a Dutch Pledge (a "Dutch Collateral Party") hereby irrevocably and unconditionally undertakes to pay (each such payment undertaking by a Dutch Collateral Party, a "Parallel Debt") to the Administrative Agent amounts equal to the amounts due by that Dutch Collateral Party in respect of its Corresponding Obligations as they

may exist from time to time. The Parallel Debt of each Dutch Collateral Party will be payable in the currency or currencies of the Corresponding Obligations and will become due and payable as and when and to the extent the relevant Corresponding Obligations become due and payable. Each of the parties to this Agreement hereby acknowledges that:

(a) each Parallel Debt constitutes an undertaking, obligation and liability to the Administrative Agent which is separate and independent from, and without prejudice to, the Corresponding Obligations of the relevant Dutch Collateral Party; and

(b) each Parallel Debt represents the Administrative Agent's own separate and independent claim to receive payment of the Parallel Debt from the relevant Dutch Collateral Party, it being understood, in each case, that pursuant to this paragraph, the amount which may become payable by each Dutch Collateral Party by way of Parallel Debts shall not exceed at any time the total of the amounts which are payable under or in connection with the Corresponding Obligations of that Dutch Collateral Party at such time.

An amount paid by a Loan Party to the Administrative Agent in respect of the Parallel Debt will discharge the liability of the Loan Parties under the Corresponding Obligations in an equal amount. For the purpose of this Article VIII, the Administrative Agent acts in its own name and for itself and not as agent, trustee or representative of any other Secured Party.

The parties hereto acknowledge and agree for the purposes of taking and ensuring the continuing validity of German law governed pledges (*Pfandrechte*) with the creation of parallel debt obligations of the Company and its Subsidiaries as will be further described in a separate German law governed parallel debt undertaking. The Administrative Agent shall (i) hold such parallel debt undertaking as fiduciary agent (*Treuhaender*) and (ii) administer and hold as fiduciary agent (*Treuhaender*) any pledge created under a German law governed Collateral Document which is created in favor of any Secured Party or transferred to any Secured Party due to its accessory nature (*Akzessorietaet*), in each case of (i) and (ii) in its own name and for the account of the Secured Parties. Each Lender, on its own behalf and on behalf of its Affiliates which are Secured Parties, hereby authorizes the Administrative Agent to enter as its agent (*Vertreter*) in its name and on its behalf into any German law governed Collateral Document, to accept as its agent in its name and on its behalf any pledge under such Collateral Document and to agree to and execute as agent in its name and on its behalf any amendments, supplements and other alterations to any such Collateral Document and to release any such Collateral Document and any pledge created under any such Collateral Document in accordance with the provisions herein and/or the provisions in any such Collateral Document.

In relation to the each Collateral Document governed by the laws of Switzerland (the "Swiss Security Documents") the Administrative Agent shall hold (i) any security created or evidenced or expressed to be created or evidenced under or pursuant to a Swiss Security Document by way of a security assignment (*Sicherungsabtretung*) or transfer for security purposes (*Sicherungsübereignung*) or any other non-accessory (*nicht akzessorische*) security; (ii) the benefit of this paragraph; and (iii) any proceeds and other benefits of such security, as fiduciary (*treuhänderisch*) in its own name but for the account of all relevant Secured Parties which have the benefit of such security in accordance with this Agreement and the respective Swiss Security Document. Each present and future Secured Party hereby authorises the Administrative Agent (i) to (A) accept and execute as its direct representative (*direkter Stellvertreter*) any Swiss law pledge or any other Swiss law accessory (*akzessorische*) security created or evidenced or expressed to be created or evidenced under or pursuant to a Swiss Security Document for the benefit of such Secured Party and (B) hold, administer and, if necessary, enforce any such security on behalf of each relevant Secured Party which has the benefit of such security (ii) to agree as its direct representative (*direkter Stellvertreter*) to amendments and alterations

to any Swiss Security Document which creates or evidences or expressed to create or evidence a pledge or any other Swiss law accessory (*akzessorische*) security; (iii) to effect as its direct representative (*direkter Stellvertreter*) any release of a security created or evidenced or expressed to be created or evidenced under a Swiss Security Document in accordance with this Agreement; and (iv) to exercise as its direct representative (*direkter Stellvertreter*) such other rights granted to the Administrative Agent hereunder or under the relevant Swiss Security Document. Each present and future Secured Party hereby authorizes the Administrative Agent, when acting in its capacity as creditor of the parallel debt obligations, to hold (i) any Swiss law pledge or any other Swiss law accessory (*akzessorische*) Security; (ii) any proceeds of such security; and (iii) the benefit of the parallel debt obligations, as creditor in its own right but for the benefit of such Secured Parties in accordance with this Agreement.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given

(b) Notices and other communications to the Lenders and the Issuing Banks hereunder may be delivered or furnished by using Electronic Systems pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Article II unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent or the Company may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(c) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto.

(d) Electronic Systems.

(i) The Company agrees that the Administrative Agent may, but shall not be obligated to, make Communications (as defined below) available to the Issuing Banks and the other Lenders by posting the Communications on Debt Domain, Intralinks, Syndtrak, ClearPar or a substantially similar Electronic System.

(ii) Any Electronic System used by the Administrative Agent is provided "as is" and "as available." The Agent Parties (as defined below) do not warrant the adequacy of such Electronic Systems and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or any Electronic System. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to any Loan Party, any Lender, any Issuing Bank or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Loan Party's or the Administrative Agent's transmission of Communications through an Electronic System. "Communications" means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of any Loan Party pursuant to any Loan Document or the transactions contemplated therein which is distributed by the Administrative Agent, any Lender or any Issuing Bank by means of electronic communications pursuant to this Section, including through an Electronic System.

SECTION 9.02 Waivers; Amendments. (a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Except as provided in Section 2.20 with respect to an Incremental Term Loan Amendment or as provided in Section 2.14(c), neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrowers and the Required Lenders or by the Borrowers and the Administrative Agent with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender, (ii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender directly affected thereby (except that neither (A) any amendment or modification of the financial covenants in this Agreement (or defined terms used in the financial covenants in this Agreement) or (B) any amendment entered into pursuant to the terms of Section 2.14(c) shall constitute a reduction in the rate of interest or fees for purposes of this clause (ii)), (iii) postpone the scheduled date of payment of the principal amount of any Loan or LC Disbursement, or any interest thereon, or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly affected thereby, (iv) change Section 2.18(b) or (d) in a manner that would alter the pro rata sharing of payments required thereby, without the written consent of each Lender, (v) change any of the provisions of this Section or the definition of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender (it being understood that, solely with the consent of the parties prescribed by Section 2.20 to be parties to an Incremental Term Loan Amendment, Incremental Term Loans may be included in the determination of Required Lenders on substantially the same basis as the Commitments and the Loans are included on the Restatement Effective Date), (vi) release the Company or all or substantially all of the Subsidiary Guarantors from their obligations under Article X or the Guaranty, in each case without the written consent of each Lender, or (vii) except as provided in clause (d) of this Section or in any Collateral Document, release all or substantially all of the Collateral, without the written consent of each Lender; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, any Issuing Bank or the Swingline Lender hereunder without the prior written consent of the Administrative Agent, such Issuing Bank or the Swingline Lender, as the case may be (it being understood that any change to Section 2.23 shall require the consent of the Administrative Agent, the Issuing Banks and the Swingline Lender). Notwithstanding the foregoing, no consent with respect to any amendment, waiver or other modification of this Agreement

shall be required of any Defaulting Lender, except with respect to any amendment, waiver or other modification referred to in clause (i), (ii) or (iii) of the first proviso of this paragraph and then only in the event such Defaulting Lender shall be directly affected by such amendment, waiver or other modification.

(c) Notwithstanding the foregoing, this Agreement and any other Loan Document may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrowers (x) to add one or more credit facilities (in addition to the Incremental Term Loans pursuant to an Incremental Term Loan Amendment) to this Agreement and to permit extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Revolving Loans, the Initial Term Loans, Incremental Term Loans and the accrued interest and fees in respect thereof and (y) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and Lenders.

(d) The Lenders hereby irrevocably authorize the Administrative Agent, at its option and in its sole discretion, to release any Liens granted to the Administrative Agent by the Loan Parties on any Collateral (i) upon the termination of all the Commitments, payment and satisfaction in full in cash of all Secured Obligations (other than Banking Services Obligations not yet due and payable, Swap Obligations not yet due and payable, Unliquidated Obligations for which no claim has been made and other Obligations expressly stated to survive such payment and termination), and the cash collateralization of all Unliquidated Obligations in a manner satisfactory to the Administrative Agent, (ii) constituting property being sold or disposed of if the Company certifies to the Administrative Agent that the sale or disposition is made in compliance with the terms of this Agreement (and the Administrative Agent may rely conclusively on any such certificate, without further inquiry), (iii) constituting property leased to the Company or any Subsidiary under a lease which has expired or been terminated in a transaction permitted under this Agreement, or (iv) as required to effect any sale or other disposition of such Collateral in connection with any exercise of remedies of the Administrative Agent and the Lenders pursuant to Article VII. Any such release shall not in any manner discharge, affect, or impair the Secured Obligations or any Liens (other than those expressly being released) upon (or obligations of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral. In addition, each of the Lenders, on behalf of itself and any of its Affiliates that are Secured Parties, irrevocably authorizes the Administrative Agent, at its option and in its discretion, (i) to subordinate any Lien on any assets granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(d) or (ii) in the event that the Company shall have advised the Administrative Agent that, notwithstanding the use by the Company of commercially reasonable efforts to obtain the consent of such holder (but without the requirement to pay any sums to obtain such consent) to permit the Administrative Agent to retain its liens (on a subordinated basis as contemplated by clause (i) above), the holder of such other Indebtedness requires, as a condition to the extension of such credit, that the Liens on such assets granted to or held by the Administrative Agent under any Loan Document be released, to release the Administrative Agent's Liens on such assets.

(e) If, in connection with any proposed amendment, waiver or consent requiring the consent of "each Lender" or "each Lender directly affected thereby," the consent of the Required Lenders is obtained, but the consent of other necessary Lenders is not obtained (any such Lender whose consent is necessary but not obtained being referred to herein as a "Non-Consenting Lender"), then the Company may elect to replace a Non-Consenting Lender as a Lender party to this Agreement,

provided that, concurrently with such replacement, (i) another bank or other entity which is reasonably satisfactory to the Company and the Administrative Agent shall agree, as of such date, to purchase for cash the Loans and other Obligations due to the Non-Consenting Lender pursuant to an Assignment and Assumption and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date and to comply with the requirements of clause (b) of Section 9.04, and (ii) each Borrower shall pay to such Non-Consenting Lender in same day funds on the day of such replacement (1) all interest, fees and other amounts then accrued but unpaid to such Non-Consenting Lender by such Borrower hereunder to and including the date of termination, including without limitation payments due to such Non-Consenting Lender under Sections 2.15 and 2.17, and (2) an amount, if any, equal to the payment which would have been due to such Lender on the day of such replacement under Section 2.16 had the Loans of such Non-Consenting Lender been prepaid on such date rather than sold to the replacement Lender.

(f) Notwithstanding anything to the contrary herein the Administrative Agent may, with the consent of the Borrowers only, amend, modify or supplement this Agreement or any of the other Loan Documents to cure any ambiguity, omission, mistake, defect or inconsistency.

SECTION 9.03 Expenses; Indemnity; Damage Waiver. (a) The Company shall pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent and its Affiliates, including the reasonable documented out-of-pocket fees, charges and disbursements of one primary counsel and one local counsel in each applicable foreign jurisdiction for the Administrative Agent, in connection with the syndication and distribution (including, without limitation, via the internet or through a service such as Intralinks) of the credit facilities provided for herein, the preparation and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable out-of-pocket expenses incurred by the Issuing Banks in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable out-of-pocket expenses incurred by the Administrative Agent, any Issuing Bank or any Lender, including the reasonable documented out-of-pocket fees, charges and disbursements of any counsel for the Administrative Agent, any Issuing Bank or any Lender, in connection with the enforcement or protection of its rights in connection with this Agreement and any other Loan Document, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) The Company shall indemnify the Administrative Agent, each Issuing Bank and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnatee") against, and hold each Indemnatee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any counsel for any Indemnatee, incurred by or asserted against any Indemnatee arising out of, in connection with, or as a result of (i) the execution or delivery of any Loan Document or any agreement or instrument contemplated thereby, the performance by the parties hereto of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such

Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by the Company or any of its Subsidiaries, or any Environmental Liability related in any way to the Company or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not such claim, litigation, investigation or proceeding is brought by the Company or any other Loan Party or its or their respective equity holders, Affiliates, creditors or any other third Person and whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee. This Section 9.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(c) To the extent that the Company fails to pay any amount required to be paid by it to the Administrative Agent, any Issuing Bank or the Swingline Lender under paragraph (a) or (b) of this Section, (i) each Lender severally agrees to pay to the Administrative Agent and (ii) each Revolving Lender severally agrees to pay to such Issuing Bank or the Swingline Lender, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount (it being understood that the Company's failure to pay any such amount shall not relieve the Company of any default in the payment thereof); provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, such Issuing Bank or the Swingline Lender in its capacity as such.

(d) To the extent permitted by applicable law, neither the Company nor any other Borrower shall assert, and the Company and each other Borrower hereby waive, any claim against any Indemnitee (i) for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the Internet), or (ii) on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof.

(e) All amounts due under this Section shall be payable not later than thirty (30) days after written demand therefor.

SECTION 9.04 Successors and Assigns. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) neither the Company nor any other Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Company or any other Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing

Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Persons (other than an Ineligible Institution) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Company (provided that the Company shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof); provided, further, that no consent of the Company shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default has occurred and is continuing, any other assignee;

(B) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund;

(C) the Issuing Banks; provided that no consent of the Issuing Banks shall be required for an assignment of all or any portion of a Term Loan; and

(D) the Swingline Lender; provided that no consent of the Swingline Lender shall be required for an assignment of all or any portion of a Term Loan.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 (in the case of Revolving Commitments and Revolving Loans) or \$1,000,000 (in the case of a Term Loan) unless each of the Company and the Administrative Agent otherwise consent, provided that no such consent of the Company shall be required if an Event of Default has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement, provided that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent (x) an Assignment and Assumption or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, together with a processing and

recording fee of \$3,500, such fee to be paid by either the assigning Lender or the assignee Lender or shared between such Lenders; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Company and its Affiliates and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws;

(E) assignment to any Person of Commitments or Loans with respect to a Dutch Borrower shall only be permitted if the person to whom the Commitments or Loans are assigned is a Dutch Non-Public Lender at all times;

(F) in the case of any assignment of a Revolving Commitment or Revolving Loan, such assignment shall require the prior written consent of each Swiss Borrower, if the assignee is not a Qualifying Bank (such consent not to be unreasonably withheld or delayed); provided that no Swiss Borrower shall consent to an assignment that would be in violation of the Swiss Non-Bank Rules; provided, further, that that no consent of any Swiss Borrower shall be required if an Event of Default under any of clauses (a), (b), (h), (i) or (j) of Article VII has occurred and is continuing; and

(G) no assignment shall be made (x) to the Company or any of the Company's Affiliates or Subsidiaries or (y) to a natural person.

For the purposes of this Section 9.04(b), the terms "Approved Fund" and "Ineligible Institution" have the following meanings:

"Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

"Ineligible Institution" means (a) a natural person, (b) a Defaulting Lender or its Lender Parent, (c) the Company, any of its Subsidiaries or any of its Affiliates, or (d) a company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person or relative(s) thereof.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that

does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of each Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Company, any Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice. Notwithstanding anything to the contrary contained in this Agreement, the Loans are registered obligations, the right, title and interest of the Lenders and its assignees in and to such Loans shall be transferable only upon notation of such transfer in the Register and no assignment thereof shall be effective until recorded therein. This Section shall be construed so that the Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related regulations (and any successor provisions).

(v) Upon its receipt of (x) a duly completed Assignment and Assumption executed by an assigning Lender and an assignee or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.05(c), 2.06(d) or (e), 2.07(b), 2.18(e) or 9.03(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) Any Lender may, without the consent of the Company or any other Borrower, the Administrative Agent, the Issuing Banks or the Swingline Lender, sell participations to one or more banks or other entities (a "Participant"), other than an Ineligible Institution, in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged; (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; (C) the Company, the other Borrowers, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement; and (D) each Participant shall be a Qualifying Bank or, if not, the prior written consent

of each Swiss Borrower has been obtained (such consent not to be unreasonably withheld or delayed; provided that no Swiss Borrower shall consent to a participation that would be in violation of the Swiss Non-Bank Rules; provided, further, that no consent of any Swiss Borrower shall be required if an Event of Default under any of clauses (a), (b), (h), (i) or (j) of Article VII has occurred and is continuing). Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant. The Company and each other Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17(f) (it being understood that the documentation required under Section 2.17(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 2.18 and 2.19 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Sections 2.15 or 2.17, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Company's request and expense, to use reasonable efforts to cooperate with the Company to effectuate the provisions of Section 2.19(b) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.18(d) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Treasury Regulations Section 5f.103-1(c) and Proposed Treasury Regulations Section 1.163-5(b) (or any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 9.05 Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered

in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any other Loan Document or any provision hereof or thereof.

SECTION 9.06 Counterparts; Integration; Electronic Execution; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to (i) fees payable to the Administrative Agent and (ii) the reduction of the Letter of Credit Commitment of any Issuing Bank constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective on the Restatement Effective Date and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by telecopy, e-mailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require the Administrative Agent to accept electronic signatures in any form or format without its prior written consent.

SECTION 9.07 Severability. Any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final and in whatever currency denominated) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of the Company, any other Borrower or any Subsidiary Guarantor against any of and all of the Secured Obligations held by such Lender, irrespective of whether or not such Lender shall have made any demand under the Loan Documents and although such obligations may be unmatured. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

SECTION 9.09 Governing Law; Jurisdiction; Consent to Service of Process. (a) This Agreement shall be construed in accordance with and governed by the law of the State of New York.

(b) The Company and each other Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County, Borough of Manhattan, and of the United States District Court for the Southern District of New York sitting in the Borough of Manhattan, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Administrative Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or its properties in the courts of any jurisdiction.

(c) The Company and each other Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

(e) The Company and each other Borrower hereby irrevocably designates, appoints and empowers the Service of Process Agent, with offices on the Restatement Effective Date at 111 Eighth Avenue, New York, New York 10011, as its designee, appointee and agent to receive, accept and acknowledge for and on its behalf, and in respect of its property, service of any and all legal process, summons, notices and documents which may be served in any such action or proceeding. If for any reason such designee, appointee and agent shall cease to be available to act as such, The Company and each other Borrower agree to designate a new designee, appointee and agent in New

York City on the terms and for the purposes of this provision reasonably satisfactory to the Administrative Agent under this Agreement. Each Obligor irrevocably waives, to the fullest extent permitted by law, all claim of error by reason of any such service in such manner and agrees that such service shall be deemed in every respect effective service of process upon such Obligor in any such suit, action or proceeding and shall, to the fullest extent permitted by law, be taken and held to be valid and personal service upon and personal delivery to such Obligor. To the extent any Obligor has or hereafter may acquire any immunity from jurisdiction of any court or from any legal process (whether from service or notice, attachment prior to judgment, attachment in aid of execution of a judgment, execution or otherwise), each Obligor hereby irrevocably waives such immunity in respect of its obligations under the Loan Documents.

SECTION 9.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12 Confidentiality. Each of the Administrative Agent, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any Governmental Authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to any Borrower and its obligations, (g) with the consent of the Company, (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any Issuing Bank or any Lender on a non-confidential basis from a source

other than the Company or (i) on a confidential basis to (i) any rating agency in connection with rating any Borrower or its Subsidiaries or the Facilities or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers or other market identifiers with respect to the Facilities. For the purposes of this Section, “Information” means all information received from the Company relating to the Company or its business, other than any such information that is available to the Administrative Agent, any Issuing Bank or any Lender on a non-confidential basis prior to disclosure by the Company and other than information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry; provided that, in the case of information received from the Company after the Restatement Effective Date, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

**EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN THE IMMEDIATELY PRECEDING PARAGRAPH FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE COMPANY AND ITS RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.**

**ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE COMPANY OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE COMPANY, THE OTHER LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE COMPANY AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.**

SECTION 9.13 USA PATRIOT Act. Each Lender that is subject to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Act”) hereby notifies each Loan Party that pursuant to the requirements of the Act, it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender to identify such Loan Party in accordance with the Act.

SECTION 9.14 Releases of Subsidiary Guarantors.

(a) A Subsidiary Guarantor shall automatically be released from its obligations under the Guaranty upon the consummation of any transaction permitted by this Agreement as a result of which such Subsidiary Guarantor ceases to be a Subsidiary; provided that, if so required by this

Agreement, the Required Lenders shall have consented to such transaction and the terms of such consent shall not have provided otherwise. In connection with any termination or release pursuant to this Section, the Administrative Agent shall (and is hereby irrevocably authorized by each Lender to) execute and deliver to any Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent.

(b) Further, the Administrative Agent may (and is hereby irrevocably authorized by each Lender to), upon the request of the Company, release any Subsidiary Guarantor from its obligations under the Guaranty if such Subsidiary Guarantor is no longer a Material Subsidiary.

(c) At such time as the principal and interest on the Loans, all LC Disbursements, the fees, expenses and other amounts payable under the Loan Documents and the other Secured Obligations (other than Banking Services Obligations not yet due and payable, Swap Obligations not yet due and payable, Unliquidated Obligations for which no claim has been made and other Obligations expressly stated to survive such payment and termination) shall have been paid in full in cash, the Commitments shall have been terminated and no Letters of Credit shall be outstanding, the Guaranty and all obligations (other than those expressly stated to survive such termination) of each Subsidiary Guarantor thereunder shall automatically terminate, all without delivery of any instrument or performance of any act by any Person.

SECTION 9.15 Attorney Representation. If the Company or a Dutch Borrower is represented by an attorney in connection with the signing and/or execution of the Agreement and/or any other Loan Document it is hereby expressly acknowledged and accepted by the parties to the Agreement and/or any other Loan Document that the existence and extent of the attorney's authority and the effects of the attorney's exercise or purported exercise of his or her authority shall be governed by the laws of the Netherlands.

SECTION 9.16 Appointment for Perfection. Each Lender hereby appoints each other Lender as its agent for the purpose of perfecting Liens, for the benefit of the Administrative Agent, on behalf of itself and the other Secured Parties, in assets which, in accordance with Article 9 of the UCC or any other applicable law (including any personal property security laws of Canada or any province thereof) can be perfected only by possession or control. Should any Lender (other than the Administrative Agent) obtain possession or control of any such Collateral, such Lender shall notify the Administrative Agent thereof, and, promptly upon the Administrative Agent's request therefor shall deliver such Collateral to the Administrative Agent or otherwise deal with such Collateral in accordance with the Administrative Agent's instructions.

SECTION 9.17 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable

as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.18 No Advisory or Fiduciary Responsibility. Each Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that no Credit Party will have any obligations except those obligations expressly set forth herein and in the other Loan Documents and each Credit Party is acting solely in the capacity of an arm's length contractual counterparty to such Borrower with respect to the Loan Documents and the transaction contemplated therein and not as a financial advisor or a fiduciary to, or an agent of, such Borrower or any other person. Each Borrower agrees that it will not assert any claim against any Credit Party based on an alleged breach of fiduciary duty by such Credit Party in connection with this Agreement and the transactions contemplated hereby. Additionally, each Borrower acknowledges and agrees that no Credit Party is advising such Borrower as to any legal, tax, investment, accounting, regulatory or any other matters in any jurisdiction. Each Borrower shall consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated hereby, and the Credit Parties shall have no responsibility or liability to any Borrower with respect thereto.

Each Borrower further acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party is a full service securities or banking firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, any Credit Party may provide investment banking and other financial services to, and/or acquire, hold or sell, for its own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of, such Borrower, its Subsidiaries and other companies with which such Borrower or any of its Subsidiaries may have commercial or other relationships. With respect to any securities and/or financial instruments so held by any Credit Party or any of its customers, all rights in respect of such securities and financial instruments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion.

In addition, each Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party and its affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which such Borrower or any of its Subsidiaries may have conflicting interests regarding the transactions described herein and otherwise. No Credit Party will use confidential information obtained from the Borrower by virtue of the transactions contemplated by the Loan Documents or its other relationships with the Borrower in connection with the performance by such Credit Party of services for other companies, and no Credit Party will furnish any such information to other companies. Each Borrower also acknowledges that no Credit Party has any obligation to use in connection with the transactions contemplated by the Loan Documents, or to furnish to such Borrower or any of its Subsidiaries, confidential information obtained from other companies.

SECTION 9.19 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

#### SECTION 9.20 Termination of Dutch CIT Fiscal Unity.

(a) If, at any time, a Dutch Loan Party is part of a fiscal unity (*fiscale eenheid*) for Dutch corporate income tax purposes (a “Dutch CIT Fiscal Unity”) and such Dutch CIT Fiscal Unity is terminated (*beëindigd*) in respect of such Dutch Loan Party as a result of or in connection with the Administrative Agent enforcing its rights under any Collateral Document, such Dutch Loan Party shall, together with the parent (*moedermaatschappij*) or deemed parent (*aangewezen moedermaatschappij*) of the Dutch CIT Fiscal Unity, for no consideration file a request with the relevant Governmental Authority in accordance with article 15af, paragraph 3, of the Dutch CITA to allocate and surrender any tax losses (*verliezen*) as meant in Article 20 of the Dutch CITA, to the Dutch Loan Party leaving the Dutch CIT Fiscal Unity, to the extent that pursuant to article 15af of the Dutch CITA such tax losses are attributable (*toerekenbaar*) to such Dutch Loan Party.

(b) For purposes of this Section 9.20, the term “Dutch Loan Party” includes any Loan Party carrying on a business through a permanent establishment or deemed permanent establishment taxable in the Netherlands.

#### SECTION 9.21 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and the arrangers of the credit facilities evidenced by this Agreement and their respective Affiliates, that at least one of the following is and will be true:

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has not provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and the arrangers of the credit facilities evidenced by this Agreement and their respective Affiliates, that:

## ARTICLE X

### Cross-Guarantee

#### SECTION 10.01 Cross Guarantee.

(a) In order to induce the Lenders to extend credit to each Borrower hereunder, each Obligor hereby irrevocably and unconditionally guarantees, as a primary obligor and not merely as a surety, the payment when and as due of the Secured Obligations of such other Obligor. Each Obligor further agrees that the due and punctual payment of such Secured Obligations may be extended or renewed, in whole or in part, without notice to or further assent from it, and that it will remain bound upon its guarantee hereunder notwithstanding any such extension or renewal of any such Secured Obligation.

(b) Each Obligor waives presentment to, demand of payment from and protest to any Obligor of any of the Secured Obligations, and also waives notice of acceptance of its obligations and notice of protest for nonpayment. The obligations of each Obligor hereunder shall not be affected by (a) the failure of the Administrative Agent, any Issuing Bank or any Lender to assert any claim or demand or to enforce any right or remedy against any Obligor under the provisions of this Agreement, any other Loan Document or otherwise; (b) any extension or renewal of any of the Secured Obligations; (c) any rescission, waiver, amendment or modification of, or release from, any of the terms or provisions of this Agreement, or any other Loan Document or agreement; (d) any

default, failure or delay, willful or otherwise, in the performance of any of the Secured Obligations; (e) the failure of the Administrative Agent to take any steps to perfect and maintain any security interest in, or to preserve any rights to, any security or collateral for the Secured Obligations, if any; (f) any change in the corporate, partnership or other existence, structure or ownership of any Obligor or any other guarantor of any of the Secured Obligations; (g) the enforceability or validity of the Secured Obligations or any part thereof or the genuineness, enforceability or validity of any agreement relating thereto or with respect to any collateral securing the Secured Obligations or any part thereof, or any other invalidity or unenforceability relating to or against any Obligor or any other guarantor of any of the Secured Obligations, for any reason related to this Agreement, any Swap Agreement, any Banking Services Agreement, any other Loan Document, or any provision of applicable law, decree, order or regulation of any jurisdiction purporting to prohibit the payment by such Obligor or any other guarantor of the Secured Obligations, of any of the Secured Obligations or otherwise affecting any term of any of the Secured Obligations; or (h) any other act, omission or delay to do any other act which may or might in any manner or to any extent vary the risk of such Obligor or otherwise operate as a discharge of a guarantor as a matter of law or equity or which would impair or eliminate any right of such Obligor to subrogation.

(c) Each Obligor further agrees that its agreement hereunder constitutes a guarantee of payment when due (whether or not any bankruptcy or similar proceeding shall have stayed the accrual or collection of any of the Secured Obligations or operated as a discharge thereof) and not merely of collection, and waives any right to require that any resort be had by the Administrative Agent, any Issuing Bank or any Lender to any balance of any deposit account or credit on the books of the Administrative Agent, any Issuing Bank or any Lender in favor of any Obligor or any other Person.

(d) The obligations of each Obligor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, and shall not be subject to any defense or set-off, counterclaim, recoupment or termination whatsoever, by reason of the invalidity, illegality or unenforceability of any of the Secured Obligations, any impossibility in the performance of any of the Secured Obligations or otherwise.

(e) Each Obligor further agrees that its obligations hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Secured Obligation (including a payment effected through exercise of a right of setoff) is rescinded, or is or must otherwise be restored or returned by the Administrative Agent, any Issuing Bank or any Lender upon the insolvency, bankruptcy or reorganization of any Obligor or otherwise (including pursuant to any settlement entered into by a Secured Party in its discretion).

(f) In furtherance of the foregoing and not in limitation of any other right which the Administrative Agent, any Issuing Bank or any Lender may have at law or in equity against any Obligor by virtue hereof, upon the failure of any other Obligor to pay any Secured Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, each Obligor hereby promises to and will, upon receipt of written demand by the Administrative Agent, any Issuing Bank or any Lender, forthwith pay, or cause to be paid, to the Administrative Agent, any Issuing Bank or any Lender in cash an amount equal to the unpaid principal amount of the Secured Obligations then due, together with accrued and unpaid interest thereon. Each Obligor further agrees that if payment in respect of any Secured Obligation shall be due in a currency other than Dollars and/or at a place of payment other than New York, Chicago or any other Eurocurrency Payment Office and if, by reason of any Change in Law, disruption of currency or

foreign exchange markets, war or civil disturbance or other event, payment of such Secured Obligation in such currency or at such place of payment shall be impossible or, in the reasonable judgment of the Administrative Agent, any Issuing Bank or any Lender, disadvantageous to the Administrative Agent, any Issuing Bank or any Lender in any material respect, then, at the election of the Administrative Agent, such Obligor shall make payment of such Secured Obligation in Dollars (based upon the Dollar Amount on the date of payment) and/or in New York, Chicago or such other Eurocurrency Payment Office as is designated by the Administrative Agent and, as a separate and independent obligation, shall indemnify the Administrative Agent, any Issuing Bank and any Lender against any losses or reasonable out-of-pocket expenses that it shall sustain as a result of such alternative payment.

(g) Upon payment by any Obligor of any sums as provided above, all rights of such Obligor against any Obligor arising as a result thereof by way of right of subrogation or otherwise shall in all respects be subordinated and junior in right of payment to the prior indefeasible payment in full in cash of all the Secured Obligations owed by such Obligor to the Administrative Agent, the Issuing Banks and the Lenders.

(h) Nothing shall discharge or satisfy the liability of any Obligor hereunder except the full performance and payment in cash of the Secured Obligations.

(i) Notwithstanding anything contained in this Article X to the contrary, no Obligor shall be liable hereunder for any of the Loans made to, or any other Secured Obligation incurred solely by or on behalf of, any U.S. Loan Party to the extent such guaranty by such Obligor would cause a Deemed Dividend Problem.

#### SECTION 10.02 Swiss Limitation Language for Swiss Borrowers.

(a) If and to the extent that a payment in fulfilling the liabilities under Section 10.01, under any joint and several liabilities or that the use of the proceeds from the enforcement of Collateral of any Swiss Borrower would, at the time payment is due or the Collateral is enforced, under Swiss law and practice (inter alia, prohibiting capital repayments or restricting profit distributions) not be permitted, in particular if and to the extent that such Swiss Borrower guarantees obligations other than obligations of one of its direct or indirect subsidiaries (i.e. obligations of its direct or indirect parent companies (up-stream guarantee) or sister companies (cross-stream guarantee)) ("Restricted Obligations"), then such obligations, payment amounts and the use of the proceeds from the enforcement of such Collateral shall from time to time be limited to the amount of the freely disposable equity in accordance with Swiss law; provided that such limited amount shall at no time be less than such Swiss Borrower's profits and reserves available for the distribution as dividends (being the balance sheet profits and any reserves available for this purpose, in each case in accordance with art. 675(2) and art. 671(1) and (2), no. 3, of the Swiss Federal Code of Obligations) at the time or times payment under or pursuant to the Loan Documents is requested from such Swiss Borrower, and further provided that such limitation (as may apply from time to time or not) shall not (generally or definitively) free such Swiss Borrower from payment obligations hereunder in excess thereof, but merely postpone the payment date therefor until such times as payment is again permitted notwithstanding such limitation. Any and all indemnities and guarantees contained in the Loan Documents including, in particular, Section 18(A)(iv) of the Guaranty shall be construed in a manner consistent with the provisos herein contained.

(b) In respect of Restricted Obligations, each Swiss Borrower shall:

(i) use its best endeavours to procure that the fulfilment of the Restricted Obligations can be made without deduction of Swiss Withholding Tax by discharging the liability of such tax by notification pursuant to applicable law (including applicable double tax treaties) rather than payment of the tax;

(ii) if the notification procedure pursuant to sub-paragraph (i) above does not apply (or does only apply partially) and if and to the extent required by applicable law (including applicable double tax treaties) in force at the relevant time:

(A) deduct Swiss anticipatory tax (*Verrechnungssteuer*; **Swiss Withholding Tax**) at the rate of 35% (or such other rate as in force from time to time) from any payment made by it in respect of Restricted Obligations;

(B) pay any such deduction to the Swiss Federal Tax Administration; and

(C) notify (or ensure that the Company notifies) the Administrative Agent that such a deduction has been made and provide the Administrative Agent with evidence that such a deduction has been paid to the Swiss Federal Tax Administration, all in accordance with Section 18(A)(i) of the Guaranty; and

(iii) shall use its best endeavours to procure that any person who is entitled to a full or partial refund of the Swiss Withholding Tax deducted pursuant to this Section 10.02:

(A) request a refund of the Swiss Withholding Tax under applicable law (domestic law and applicable double tax treaties) as soon as possible; and

(B) pay to the Lenders upon receipt any amount so refunded to cover any outstanding part of the Restricted Obligations; and

(iv) to the extent such a deduction is made, not be obliged to either gross-up, in particular, in accordance with Section 18(A)(i) of the Guaranty or indemnify each Recipient, in particular, in accordance with Section 18(A)(iv) of the Guaranty in relation to any such payment made by it in respect of Restricted Obligations unless such gross-up or tax indemnity payment is permitted under the laws of Switzerland then in force.

(c) If and to the extent requested by the Administrative Agent and if and to the extent this is from time to time required under Swiss law (restricting profit distributions), in order to allow the Administrative Agent to obtain a maximum benefit under the Loan Documents, each Swiss Borrower undertakes to promptly implement all such measures and/or to promptly obtain the fulfillment of all prerequisites allowing it to promptly perform its obligations and make the requested payment(s) thereunder from time to time, including the following:

(i) preparation of an up-to-date audited balance sheet of such Swiss Borrower;

(ii) confirmation of the auditors of such Swiss Borrower that the relevant amount represents the maximum freely distributable profits;

(iii) approval by a shareholders' or a quotaholders' meeting (as applicable) of such Swiss Borrower of the resulting profit distribution; and

(iv) all such other measures necessary or useful to allow such Swiss Borrower to make the payments and perform the obligations agreed under the Loan Documents with a minimum of limitations.

SECTION 10.03 Dutch Limitation Language. The Guaranteed Obligations of any Loan Party organized under the laws of the Netherlands and any Loan Party being a direct or indirect subsidiary of such Loan Party will not extend to include any obligations or liabilities for so long as this would constitute a breach of the financial assistance prohibitions contained in section 2:98c of the Dutch Civil Code.

SECTION 10.04 Limitation on Guaranty of Certain Swap Obligations. No Obligor hereunder shall be, or shall be deemed to be, a guarantor of any Swap Obligations if such Obligor is not an ECP, to the extent that the providing of such guaranty by such Obligor would violate the ECP Rules or any other applicable law or regulation. This paragraph shall not affect any guaranteed Secured Obligations other than Swap Obligations, nor shall it affect the guaranteed Secured Obligations of any Obligor who qualifies as an ECP.

SECTION 10.05 Keepwell. Without in any way limiting the obligations of any Obligor under this Agreement (including under this Article X) or the other Loan Documents, each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Obligor to honor all of its obligations under this Guaranty in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 10.04 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 10.04, or otherwise under this Article X, as it relates to such other Obligor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section shall remain in full force and effect until a discharge of such Qualified ECP Guarantor's obligations under this Article X in accordance with the terms hereof. Each Qualified ECP Guarantor intends that this Section 10.04 constitute, and this Section 10.04 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Obligor for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

## ARTICLE XI

### Collection Allocation Mechanism

(a) On the CAM Exchange Date, (i) the Commitments shall automatically and without further act be terminated as provided in Article VII, (ii) the principal amount of each Revolving Loan and LC Disbursement denominated in a Foreign Currency shall automatically and without any further action required, be converted into Dollars in an amount equal to the Dollar Amount of such amount and on and after such date all amounts accruing and owed to any Lender in respect of such Obligations shall accrue and be payable in Dollars at the rates otherwise applicable hereunder and (iii) the Lenders shall automatically and without further act be deemed to have made reciprocal purchases of interests in the Designated Obligations such that, in lieu of the interests of each Lender in the particular Designated Obligations that it shall own as of such date and immediately prior to the CAM Exchange, such Lender shall own an interest equal to such Lender's CAM Percentage in each Designated Obligation. Each Lender, each Person acquiring a participation

from any Lender as contemplated by Section 9.04, and the Borrowers hereby consent and agree to the CAM Exchange. Each Borrower and each Lender agrees from time to time to execute and deliver to the Administrative Agent all such promissory notes and other instruments and documents as the Administrative Agent shall reasonably request to evidence and confirm the respective interests and obligations of the Lenders after giving effect to the CAM Exchange, and each Lender agrees to surrender any promissory notes originally received by it hereunder to the Administrative Agent against delivery of any promissory notes so executed and delivered; provided that the failure of any Borrower to execute or deliver or of any Lender to accept any such promissory note, instrument or document shall not affect the validity or effectiveness of the CAM Exchange.

(b) As a result of the CAM Exchange, on and after the CAM Exchange Date, each payment received by the Administrative Agent pursuant to any Loan Document in respect of the Designated Obligations shall be distributed to the Lenders pro rata in accordance with their respective CAM Percentages (to be redetermined as of each such date of payment or distribution to the extent required by paragraph (c) below).

(c) In the event that, after the CAM Exchange, the aggregate amount of the Designated Obligations shall change as a result of the making of an LC Disbursement by the Issuing Bank that is not reimbursed by the Borrowers, then (i) each Revolving Lender shall, in accordance with Section 2.06(d), promptly purchase from the Issuing Bank a participation in such LC Disbursement in the amount of such Lender's Applicable Percentage of such LC Disbursement (without giving effect to the CAM Exchange), (ii) the Administrative Agent shall redetermine the CAM Percentages after giving effect to such LC Disbursement and the purchase of participations therein by the applicable Lenders, and the Lenders shall automatically and without further act be deemed to have made reciprocal purchases of interests in the Designated Obligations such that each Lender shall own an interest equal to such Lender's CAM Percentage in each of the Designated Obligations and (iii) in the event distributions shall have been made in accordance with the preceding paragraph, the Lenders shall make such payments to one another as shall be necessary in order that the amounts received by them shall be equal to the amounts they would have received had each LC Disbursement been outstanding immediately prior to the CAM Exchange. Each such redetermination shall be binding on each of the Lenders and their successors and assigns in respect of the Designated Obligations held by such Persons and shall be conclusive absent manifest error.

(d) Nothing in this Article shall prohibit the assignment by any Lender of interests in some but not all of the Designated Obligations held by it after giving effect to the CAM Exchange; provided, that in connection with any such assignment such Lender and its assignee shall enter into an agreement setting forth their reciprocal rights and obligations in the event of a redetermination of the CAM Percentages as provided in the immediately preceding paragraph (c).
