Item 8.01 Other Events.

Vistaprint N.V. is filing this report to announce that on February 2, 2012 Vistaprint's Supervisory Board authorized the repurchase of up to 4,015,127 ordinary shares of Vistaprint on the open market (including block trades that satisfy the safe harbor provisions of Rule 10b-18 pursuant to the Securities Exchange Act of 1934) or in one or more self tender offers. This is Vistaprint's second repurchase program pursuant to a resolution adopted by its shareholders at the Extraordinary General Meeting of Shareholders on September 30, 2011 authorizing the repurchase of up to 20% of Vistaprint's outstanding ordinary shares. Vistaprint previously announced on October 3, 2011 a share repurchase program for the first tranche of shares pursuant to the shareholder authorization, and there are 178,270 Vistaprint ordinary shares remaining that may be repurchased under that first program.

Vistaprint's management will determine the timing and amount of shares repurchased, if any, based on its evaluation of market conditions and other factors and the purchase parameters set by Vistaprint's shareholders and the Supervisory Board. The Supervisory Board's share repurchase authorization expires on March 30, 2013, and Vistaprint may suspend or discontinue the repurchase program at any time. Any repurchased shares will be available for use in connection with Vistaprint's equity compensation plans and corporate acquisitions, and Vistaprint expects to fund the repurchase program by using its working capital or by drawing on its credit facility or other forms of debt financing.
